PLAY IT AGAIN, RAMS

Greg,

Hasn't this year been a kick and a
-lf? To spite certain "blockades" I
guess we did all right. Of coarse, I
know you won't space out calling
me this summer WILL YOU??!! Anyway
you really cheered me up when I
was down, and I think its terr-
ific you can do that. I had a
kick at prom with you, and I hope
I didn't bore you to death or talk
your ear off. Anyway, thanks for being
so open and honest.

"can't wait"
82

Love Always,
Annette

To one of my many inspirations (Ha, Ha), so smart! I just want to say: I hate you for being so smart. I hate you for your future. I hate you for your (I'll suffer the consequences) Good Luck in your future. Bryan '82

Well Greg speak a word another become a friends more and become a friend. Again Dummer Dear. You are a Freshman become a senior. You and I can't wait. Dummer great Bryan Have a great YEAR

Greg

I hope you had a great year this year I didn't see you too much except at the beginning in A.P. farce farce

Good luck always
Mark

Greg,

Thanks for all the help for me a RB. (rank beginner) at the beginning of the semester in Mrs. Reading. I don't suppose I did as well

meet you good luck at
Are you my
to again
-John Fisher

Greg Phillips

Dear Greg

hi my love. I'm gonna miss you - I even miss you 4th hour. Don't you just love all those times in Psychology we made fun of Mr. Dickason's lectures - he is a great man though. You are so smart - I'll hold your secret forever - it's a treasure I hold dear, it helped me understand me as much as you. all those talks about your girlfriend, Germany, vacations, school, German, --- everyone. I remember it all. You are very special to me, and you had better come see me at Colorado College, in the Springs - I would love to see you

all my love
Cheryl

Greg,
Glad I can
this year. I
the USAFA
daddy?. See
sometim
Ter

Greg,
Thanks for all those tips in Ad. Reading. you are a good person. Enjoy your summer! Sorry I have to miss a good friend as yourself.
Jung So

Greg!
I'm glad I finally got to know you, after ~~so~~ having been introduced to you from Lori & Company. Didn't we have the greatest fun in comp. for college and Tragedy? I feel so much smarter, don't you? Take care in all that you do, and best wishes for greater success.
Love Always
Kathy Murphy

Greg - been a pleasure knowing you - I can't believe its finally over. GRADUATION!! Take care & have a good summer. I'll see you at Red Rocks!
Kelly Thompson
1980

Greg,
Thanks for saving this special place just for me!
It was a "fun" year. After we got to be friends, (often Vicky stopped making up things to tell us about each other - to get us MAD!) of course, you too, like everything would have a bit better ib a bit better stopped talking about shit out my ... that" and of "other" things. can just imagine get your mind

Howdy Greg,
Well its over. It does not seem like it's been a dream. I wish I could have had a chance to meet you earlier in the year. I hope that you have a great summer. Stay in the sun. Take care
Sandra Kaminear

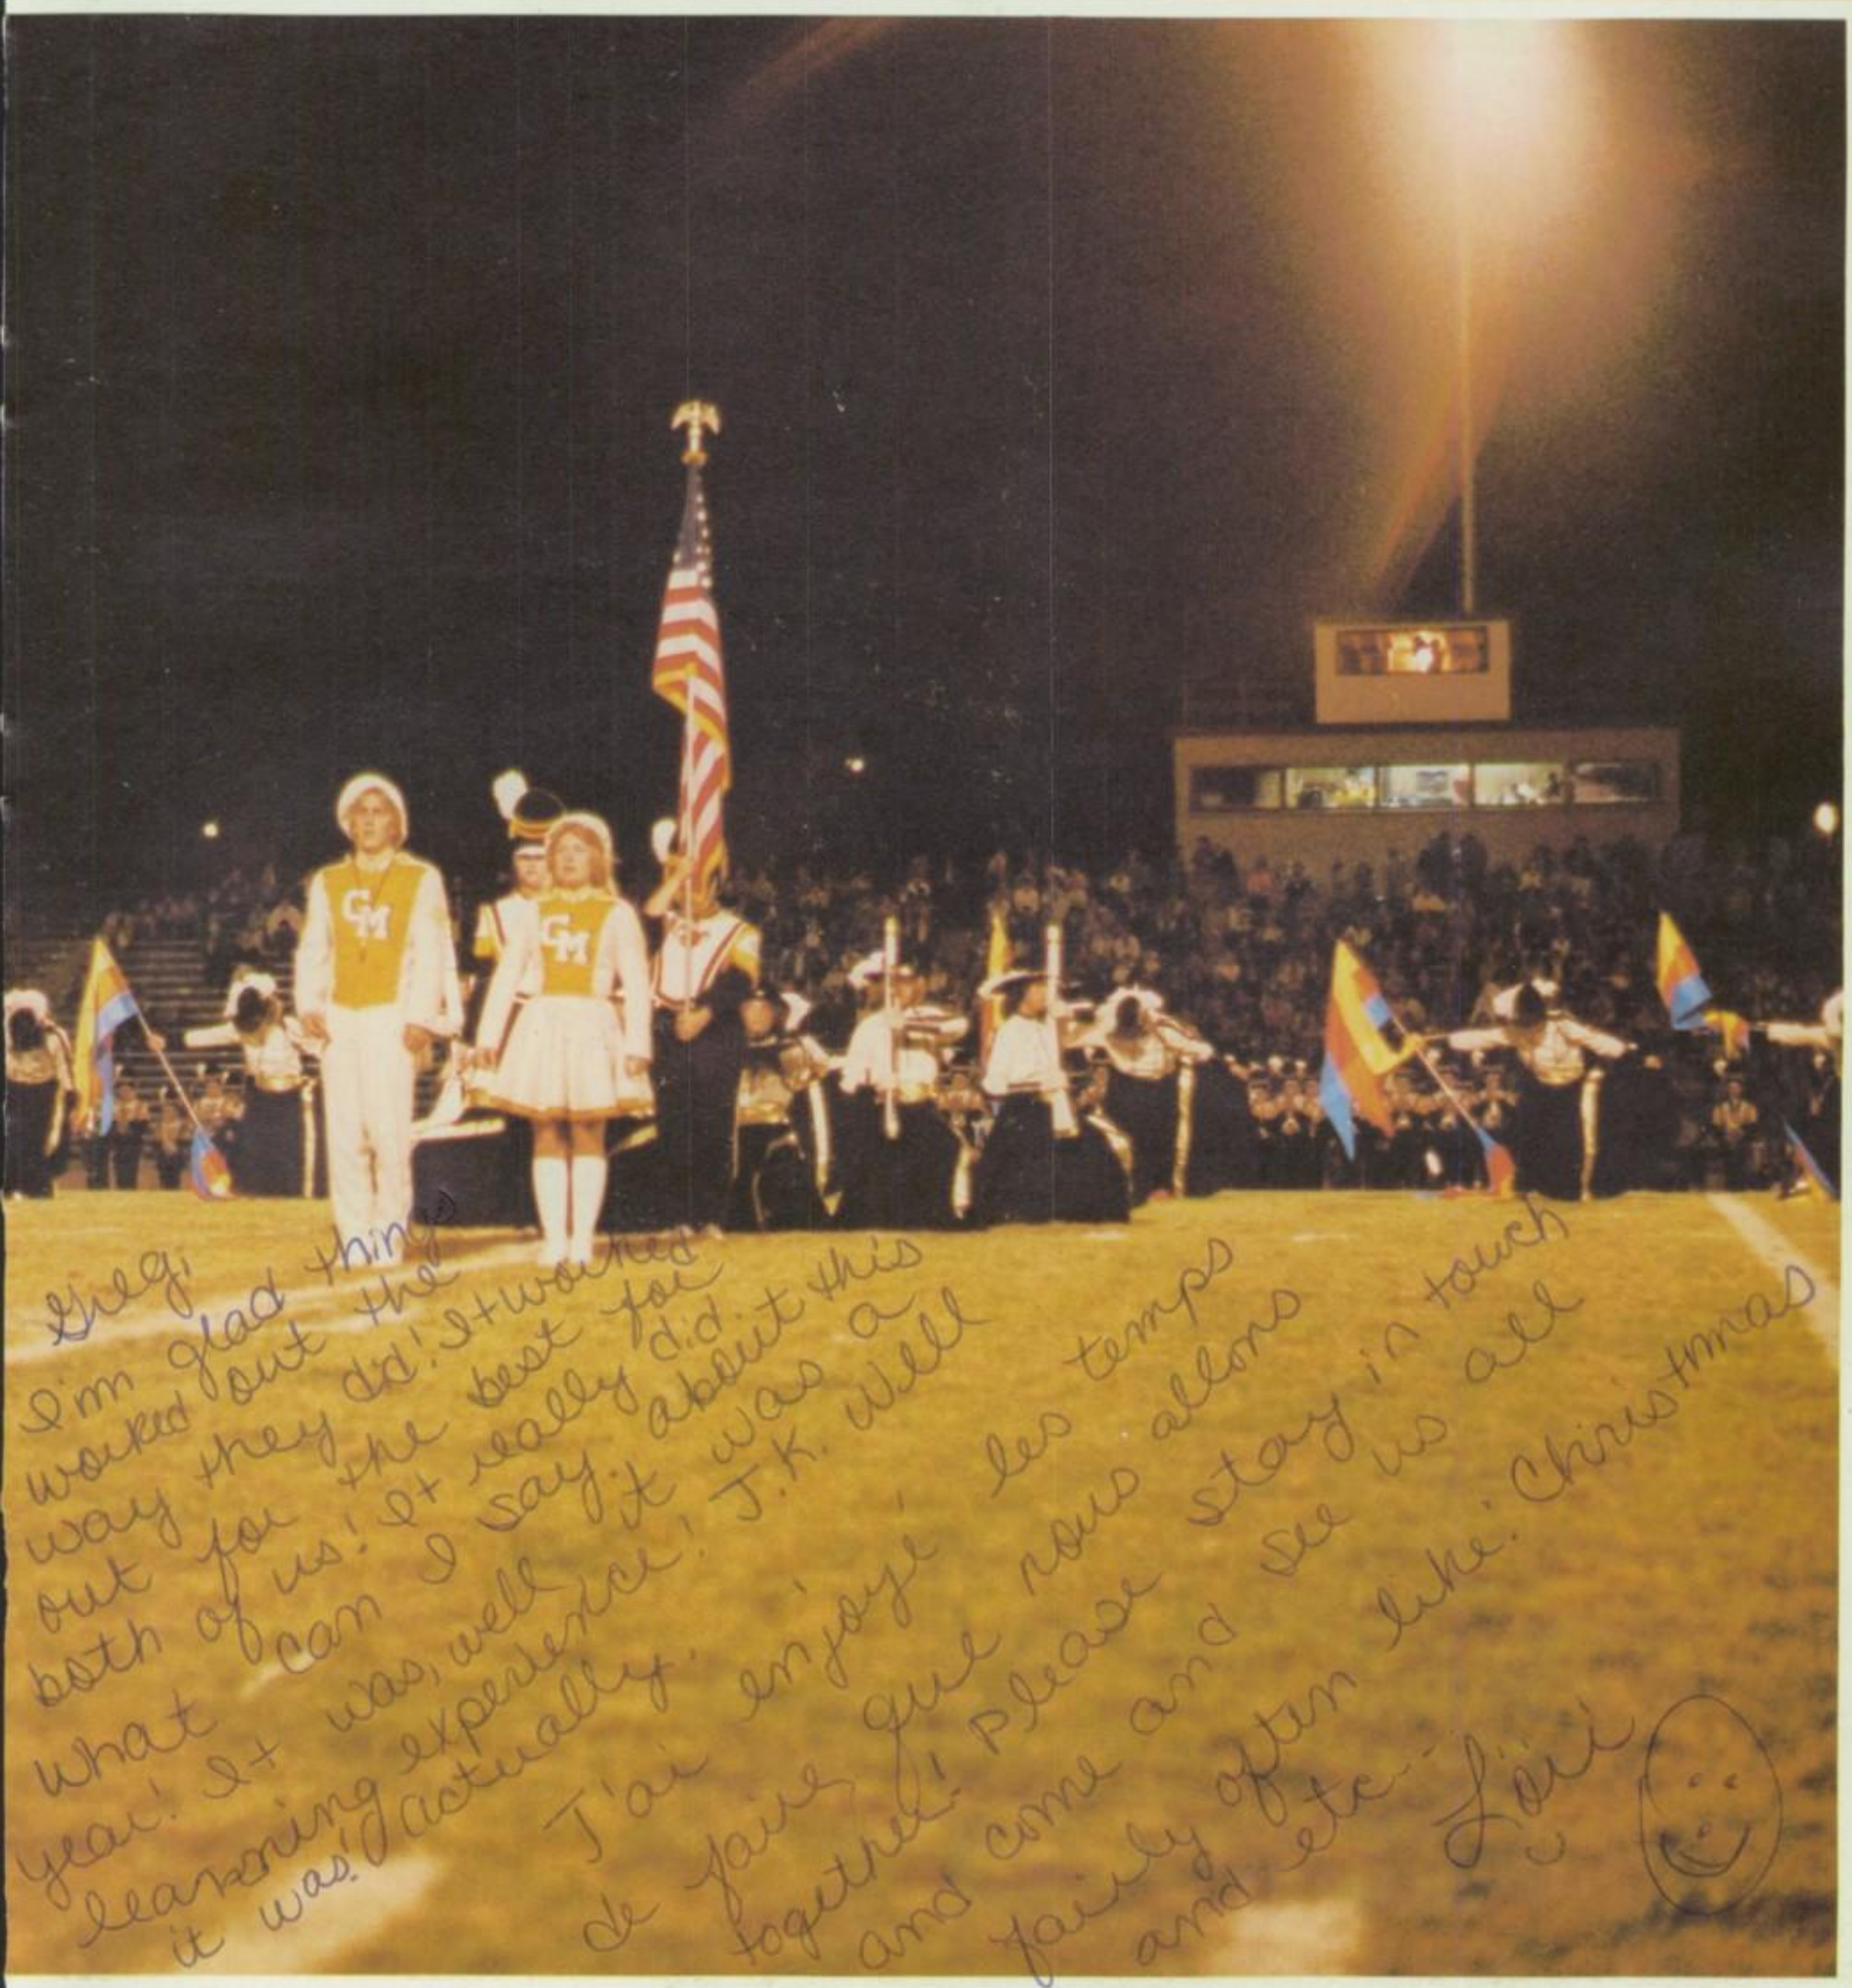
. . . WITH STYLE!



Greg,
I'm glad things worked out the way they did. It worked out for the best for both of us! It really did what I can I say. about this year! It was, well it was a learning experience! Actually, it was a J.K. Well
J'ai enjoyé les temps de faire que nous allons together! Please stay in touch and come and see us fairly often like: Christmas and etc.

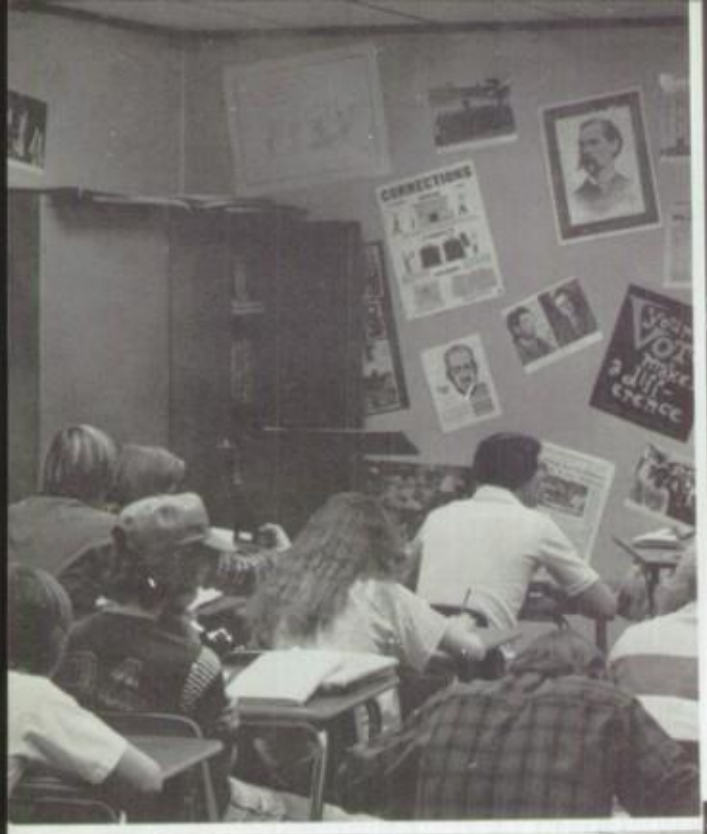
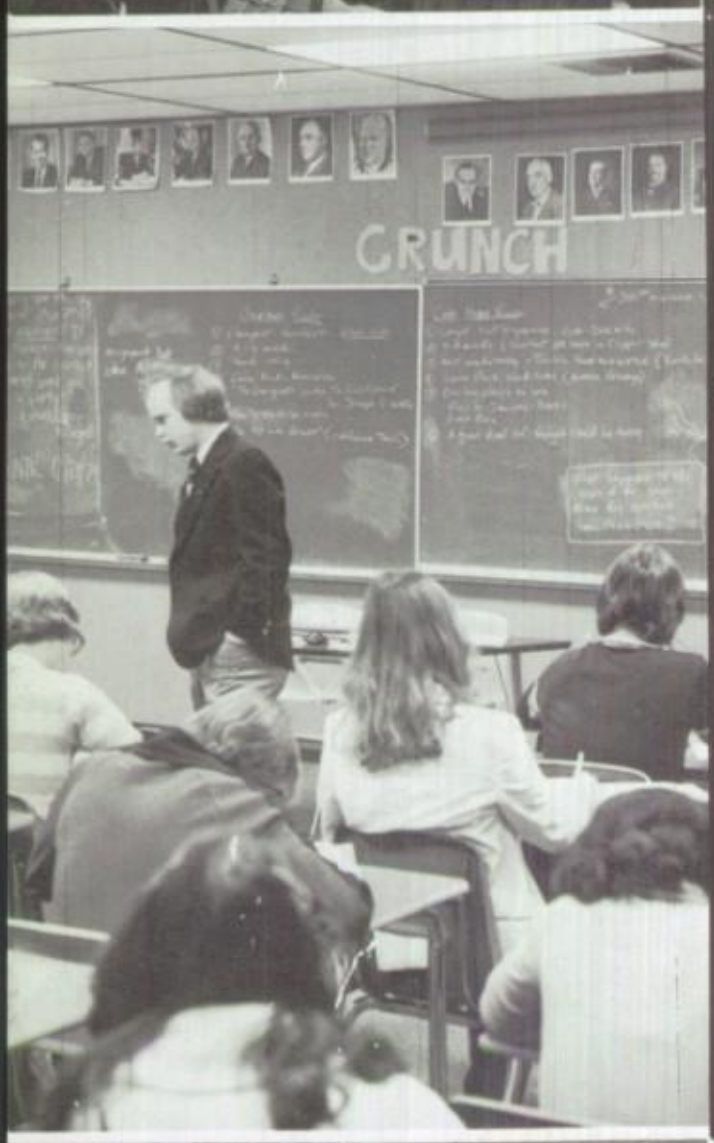
GREEN MOUNTAIN HIGH SCHOOL

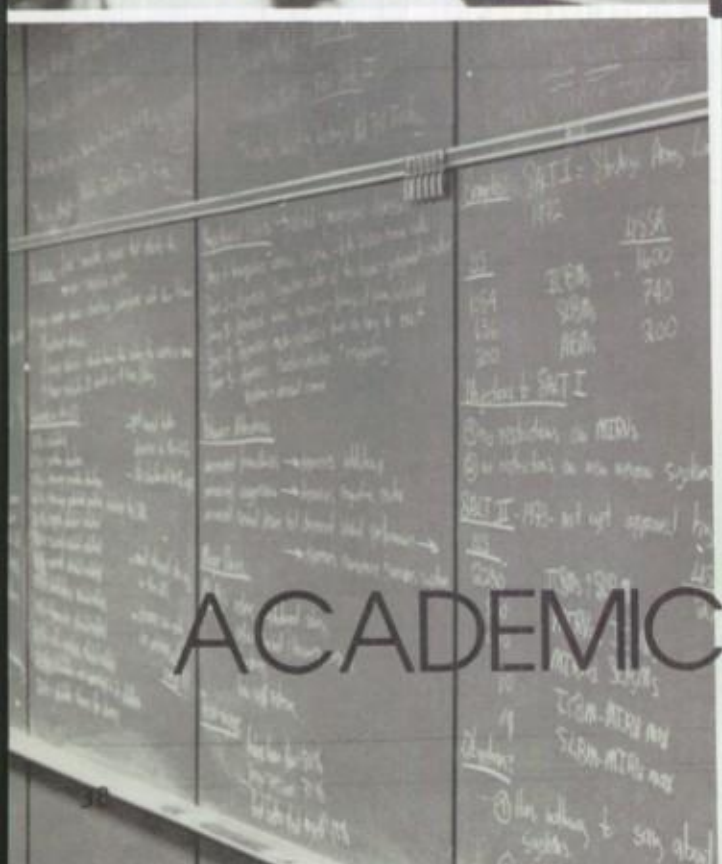
ACADEMICS

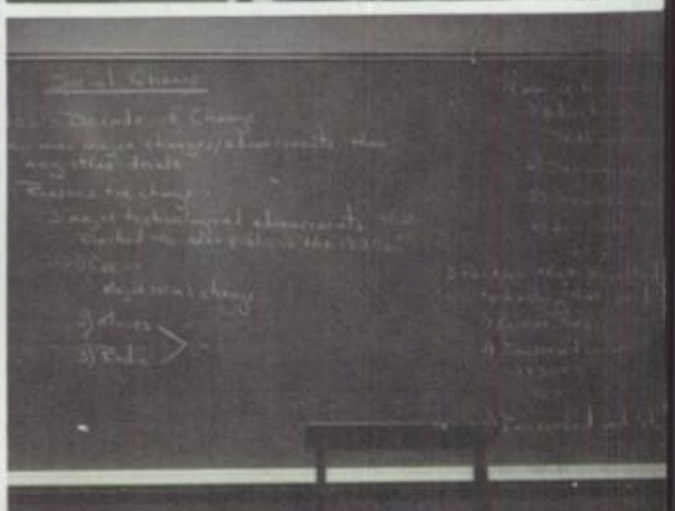




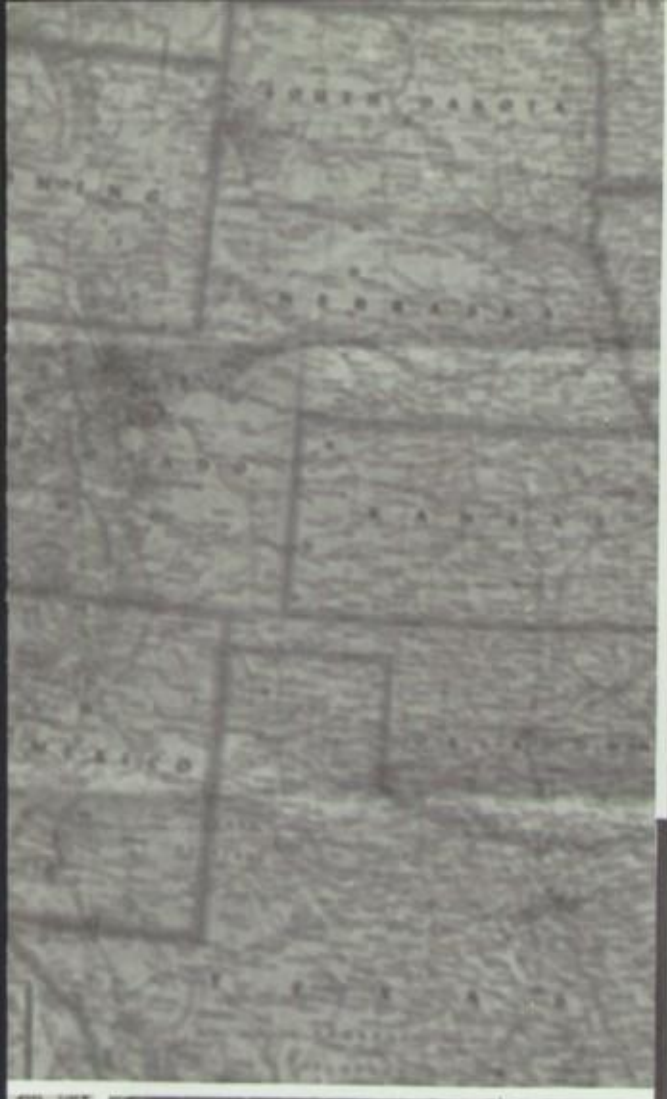
SOCIAL STUDIES

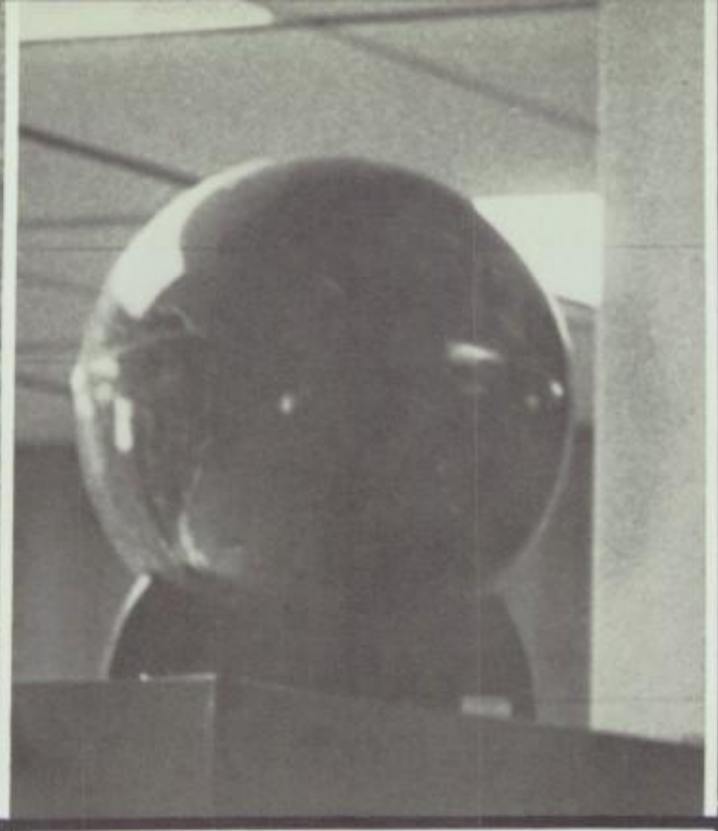
History is a subject vital to the lives of all Americans. The past historical events of the world we live in and the present problems we face today are an important factor of our existence. Through Social Studies classes, students can learn exactly how we came to be, what we are today, why we live where we do, and the complete history of the people who lived in the world long before our time. Green Mtn. has a superb Social Studies department with very capable teachers fully involved in their classes. All teachers lecturing on history know their specific subjects well. Social Studies teachers work hard and do their very best with students in order to make their classes interesting. They purposely attempt to involve the students with original projects so that the class won't become boring.

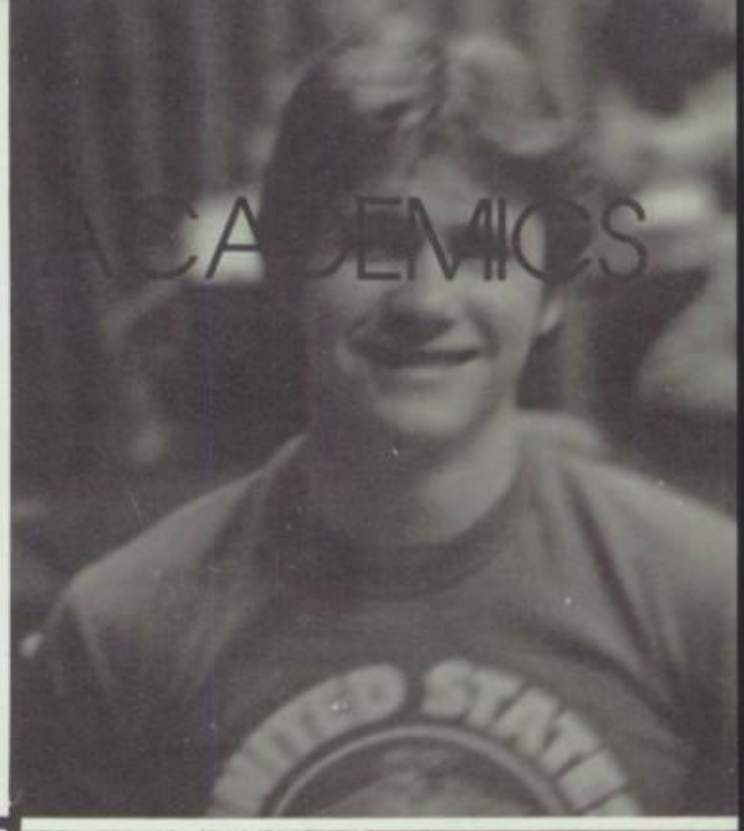




ACADEMICS

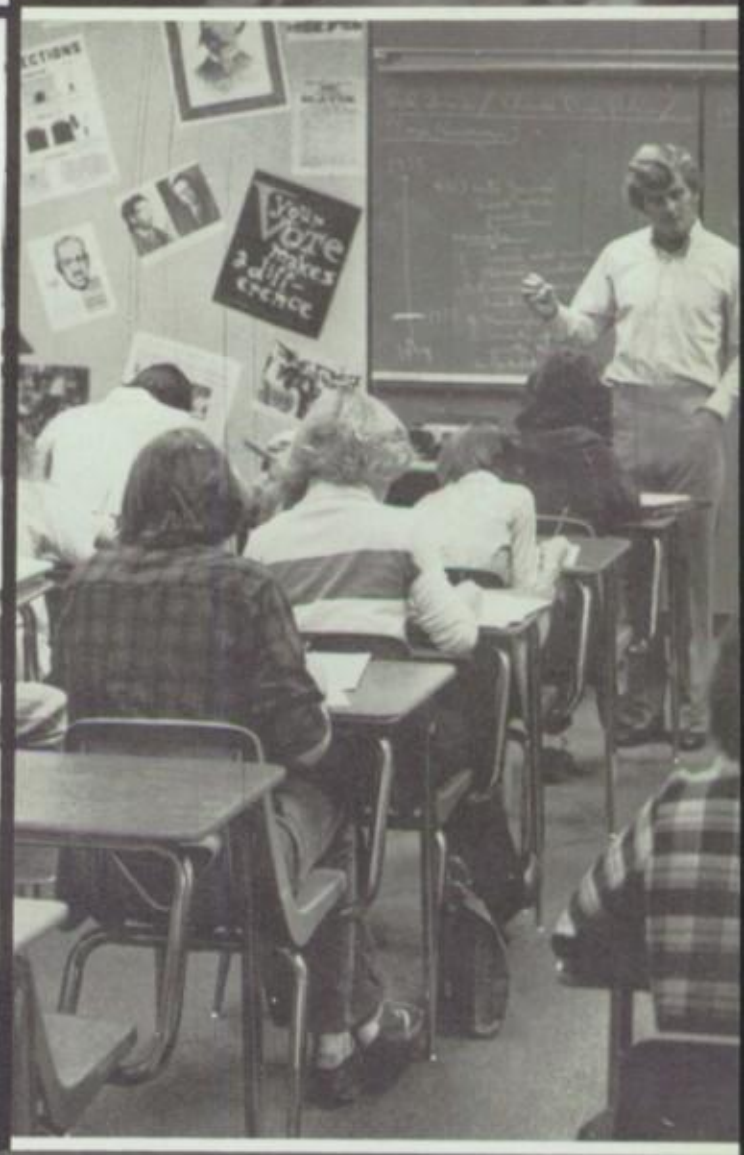


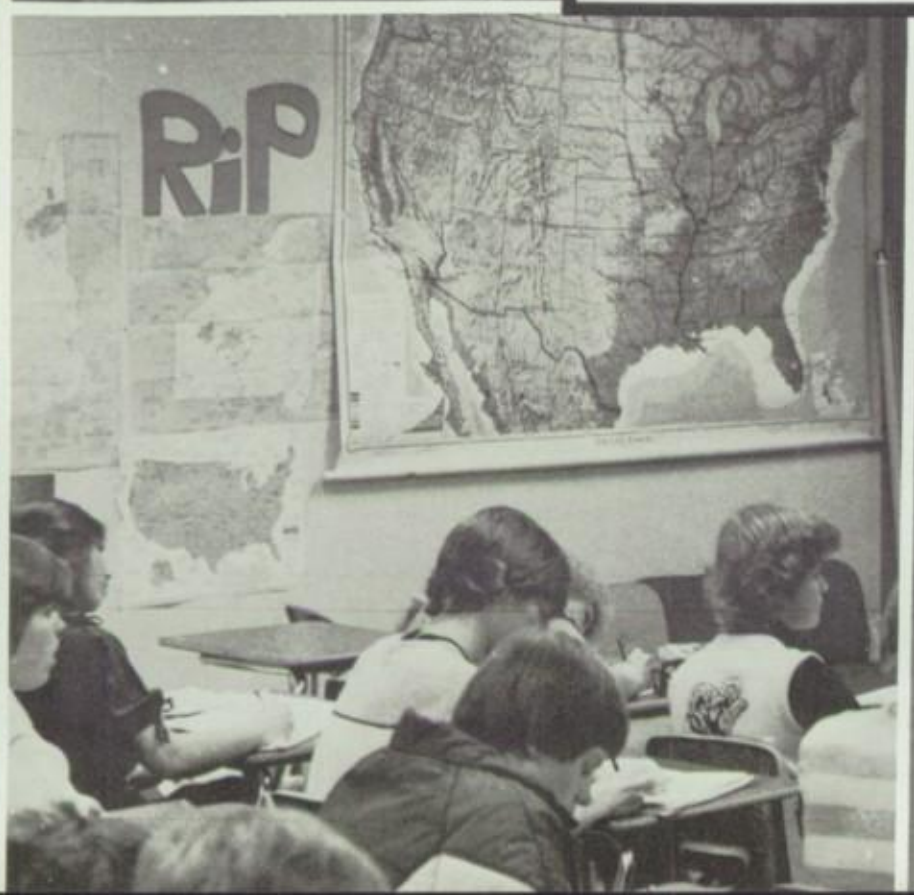


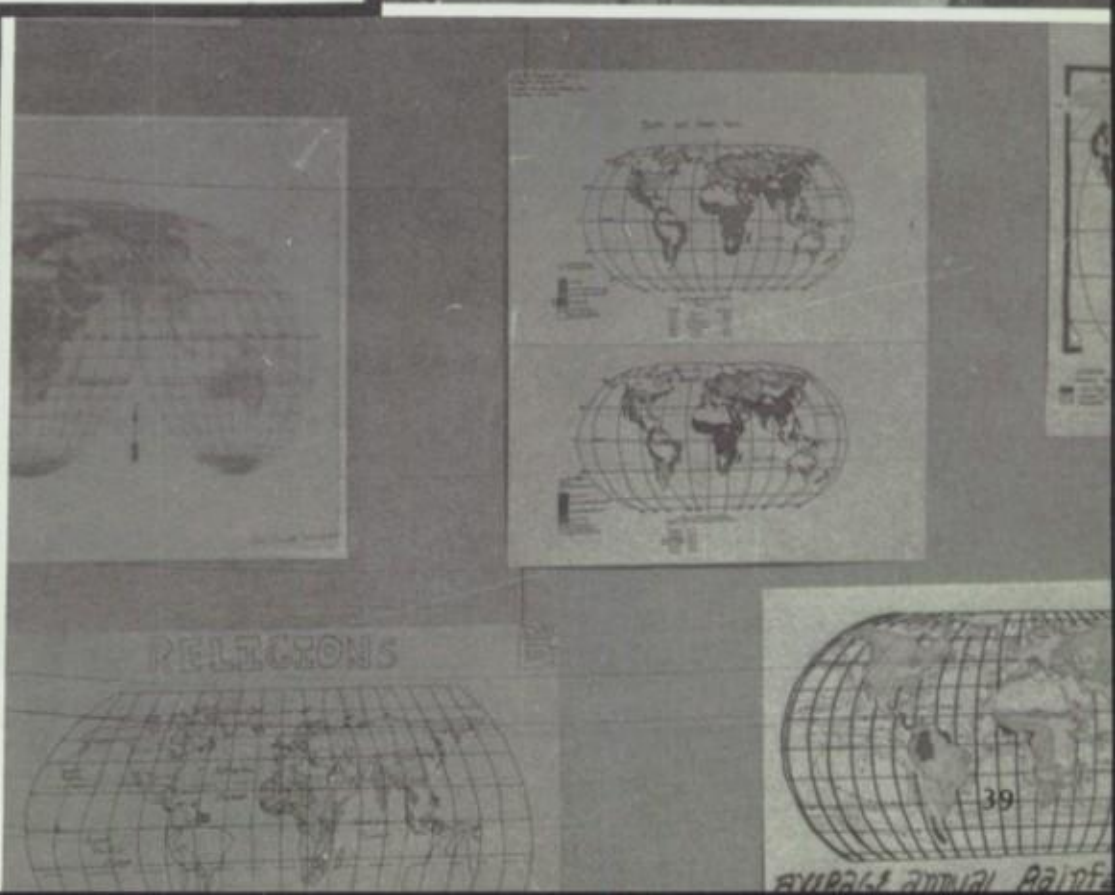


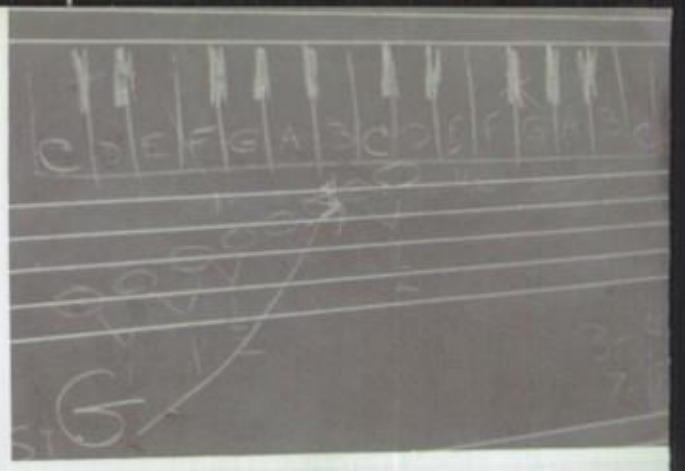
SOCIAL STUDIES

This helps the students to want to learn and acquire high grades. Among the Social Studies classes offered at Green Mountain are World History, Ancient Civilizations, Classical Civilizations, Renaissance and Reformation, Revolutions and Ideologies, Latin America, China, Twentieth Century Europe, Nation State, American Frontier, American Character, Sociology, American History, Anthropology, Industrial America, Civil War, Liberties under the constitution, Twentieth century U.S. and Foreign Relations, Minorities in American, Confederation, Colonial America, and the Revolution. History is a very important subject in the lives of all Americans, and the Green Mountain Social Studies Department offers excellent classes in which students can learn about the history of the world.





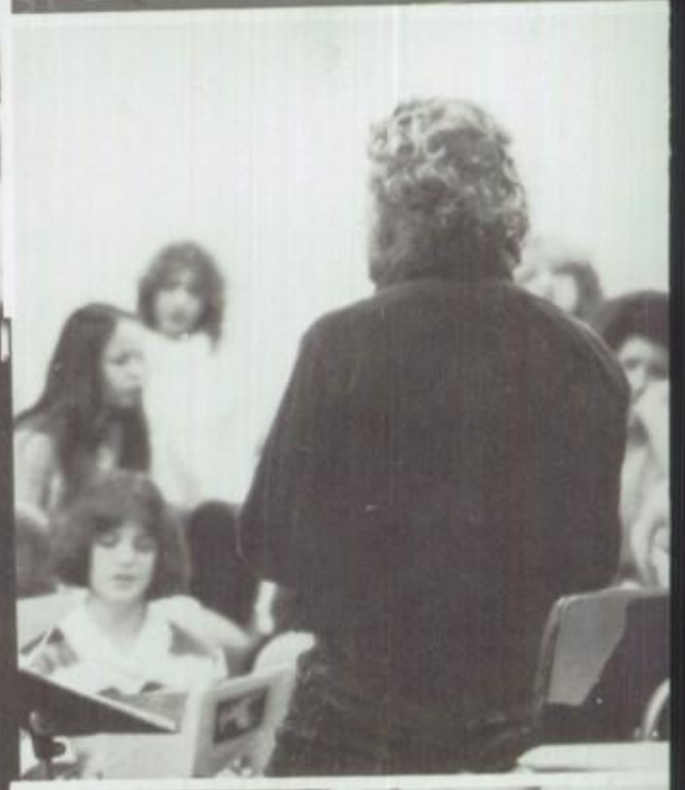


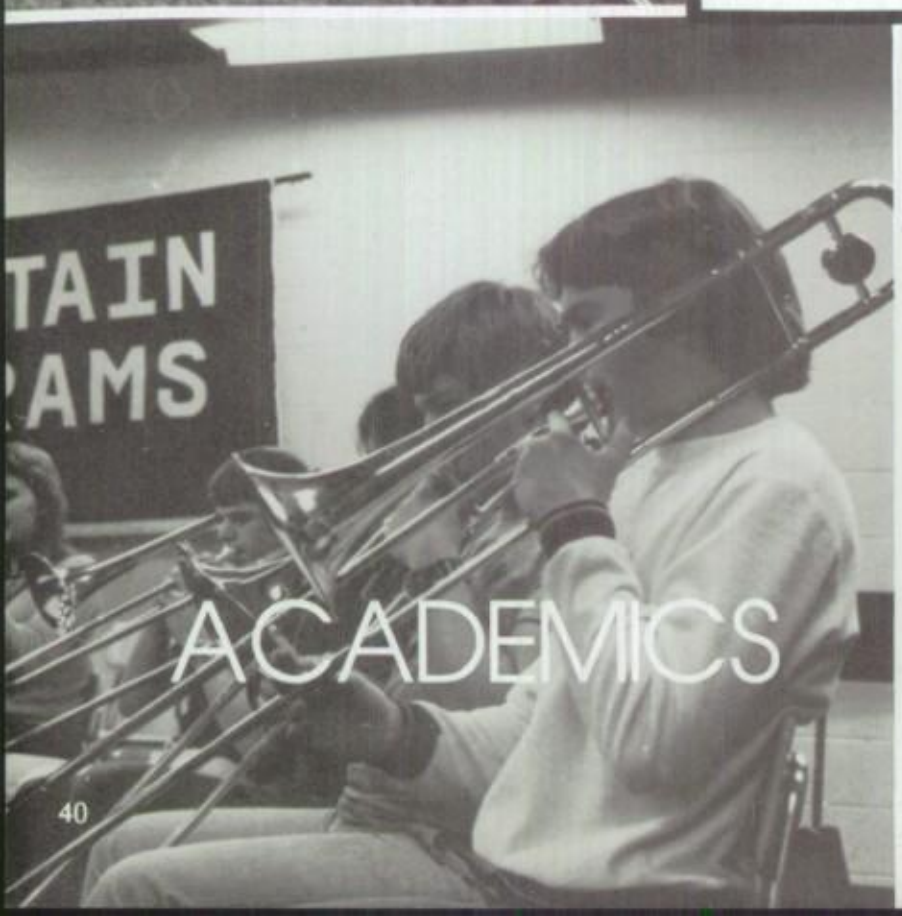


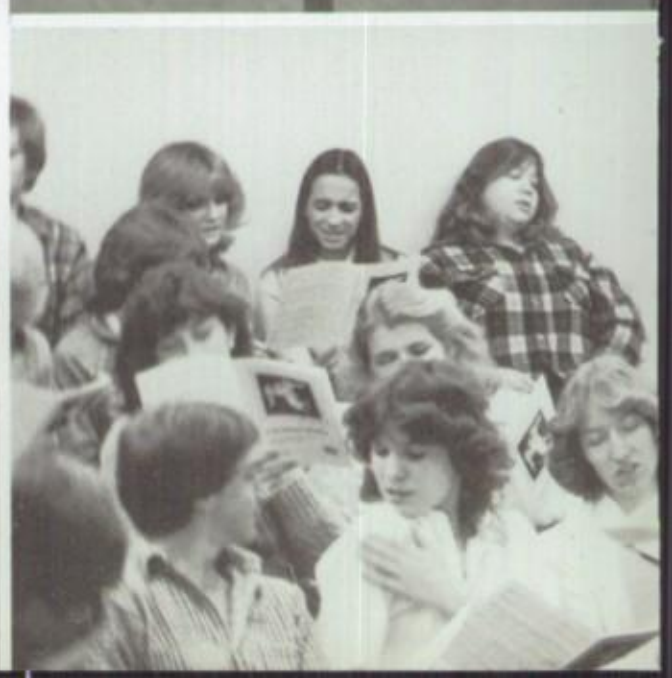
MUSIC

Music is an important part of every life, and here at Green Mountain, there are over sixteen different types of musical classes offered to students. For the many musically inclined people attending school, excellent opportunities can be taken advantage of every year. We are very fortunate to have many talented teachers that work well with the students, and can easily perfect the unlimited and immense talents that our muscial peers possess.

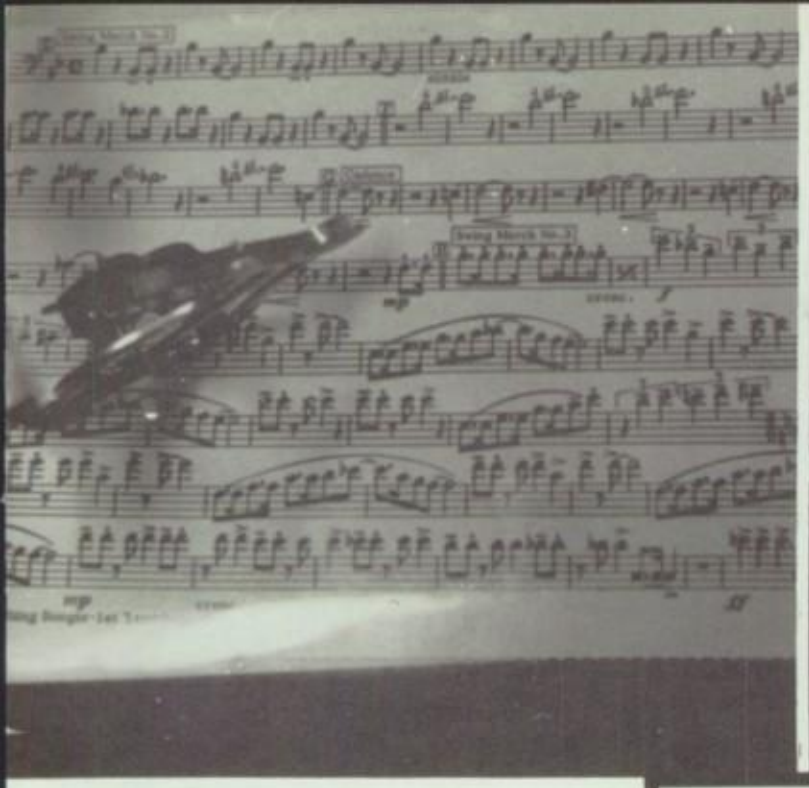
There are many members in the different types of bands that are offered by Green Mountain. These dedicated students posses fantastic skills in order to play in these bands. When concerts are given, the musicians involved come very close to perfection in their magnificent performances. The







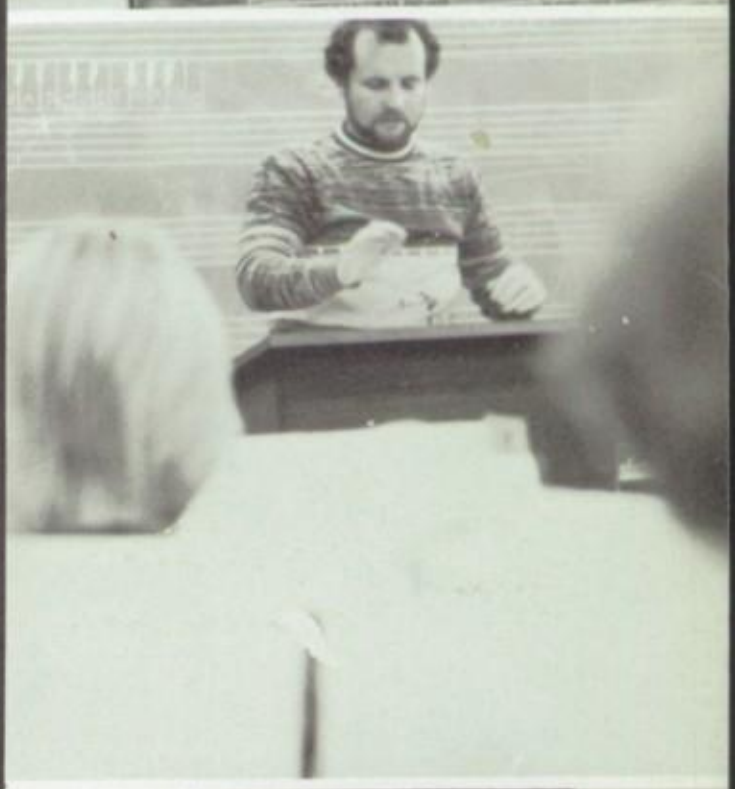
ACADEMICS

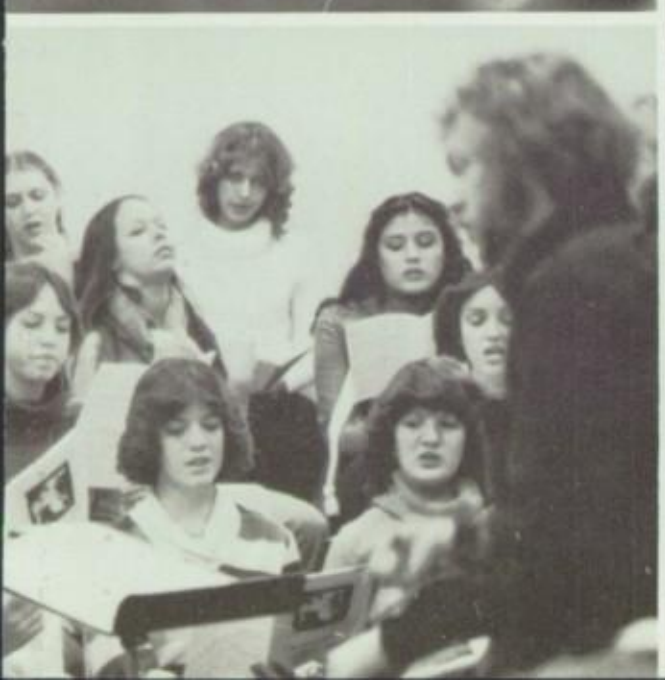


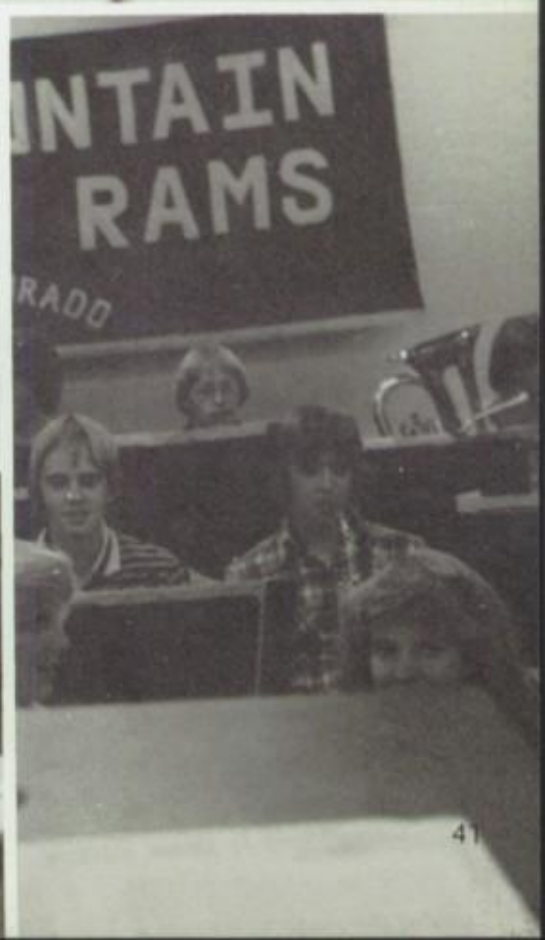
ACADEMICS

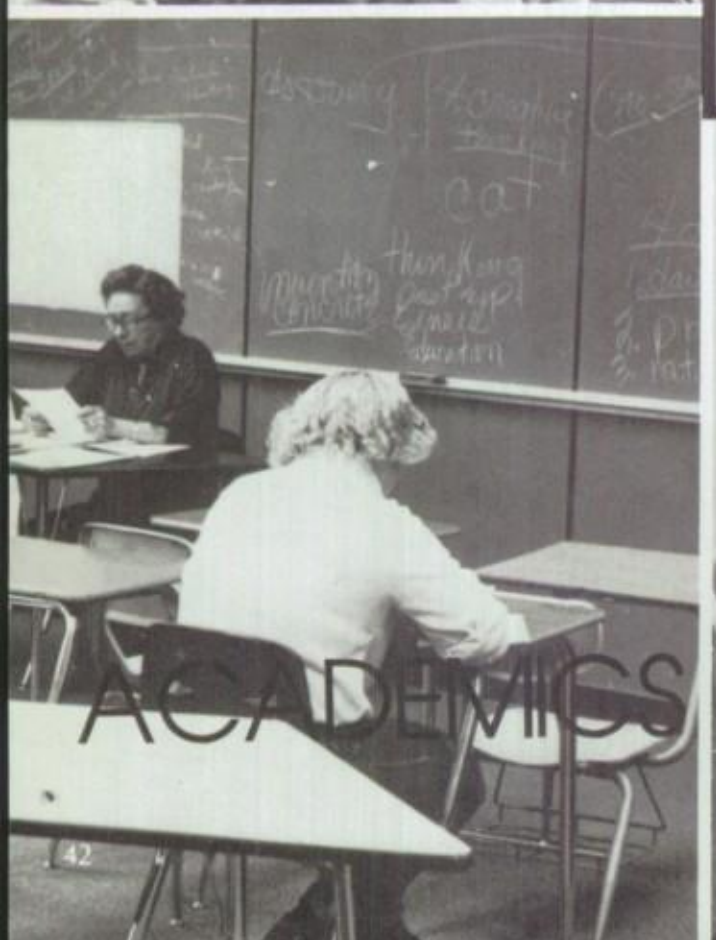
MUSIC

students put in many long and hard hours of frustrating practice before giving concerts. The strain of their striving for excellence clearly shows through when they are in the spotlight. Green Mountain High School should be proud of the bands, along with orchestras, and choirs. The orchestras and choirs of our school also posses excellent qualities, and are good performers. It is a true privledge to witness these amazing talents in action. Music is an extremely important part of everyones life, and their are many different types of music available to enjoy. The types offered at Green Mountain are Marching Rams, Shadows of the Mountain, Spectrum, Concert Choir, Concert band, Symphonic Orch., Symphonic Band, Wind ensemble, Mixed Choir, and Advanced Womens Chorus.









LANGUAGE ARTS

The Language Arts teachers of Green Mountain work with students for four years, helping them to write, enjoy reading, and take a greater interest in the American Language. All students must develop good writing skills in order to do well later on in their lives. Through reading, writing, and learning our language, people can immensely develop their creative skills. Creativity is a necessary factor of survival in our world today. Through creativity and imagination, we can learn to see the better and more beautiful things in life, and we can believe in our world more fully as a livible place. But without creativly developed minds, our worlds would fall apart and we would become the victims of a dull, insignificant life. Lang. Art teachers are experienced believers in living a life very interesting.

FOREIGN LANGUAGE

Although the American language is extremely important in our lives, it is an excellent idea to take a Foreign Language class during high school. The Languages offered at Green Mountain are French, German, Latin, and Spanish. These classes are very sign ificant because they could easily become useful to those students that decide to travel to a different country. Many colleges require two years of Foreign Language to the students credits, because it gives them a good background.

Languages other than our own can become difficult to master at times, but it is often very interesting to observe the many different cultures that exist in the world. Foreign Language is a class that can be fun and extremely valuable as new accents are acquired, and new words are learned.

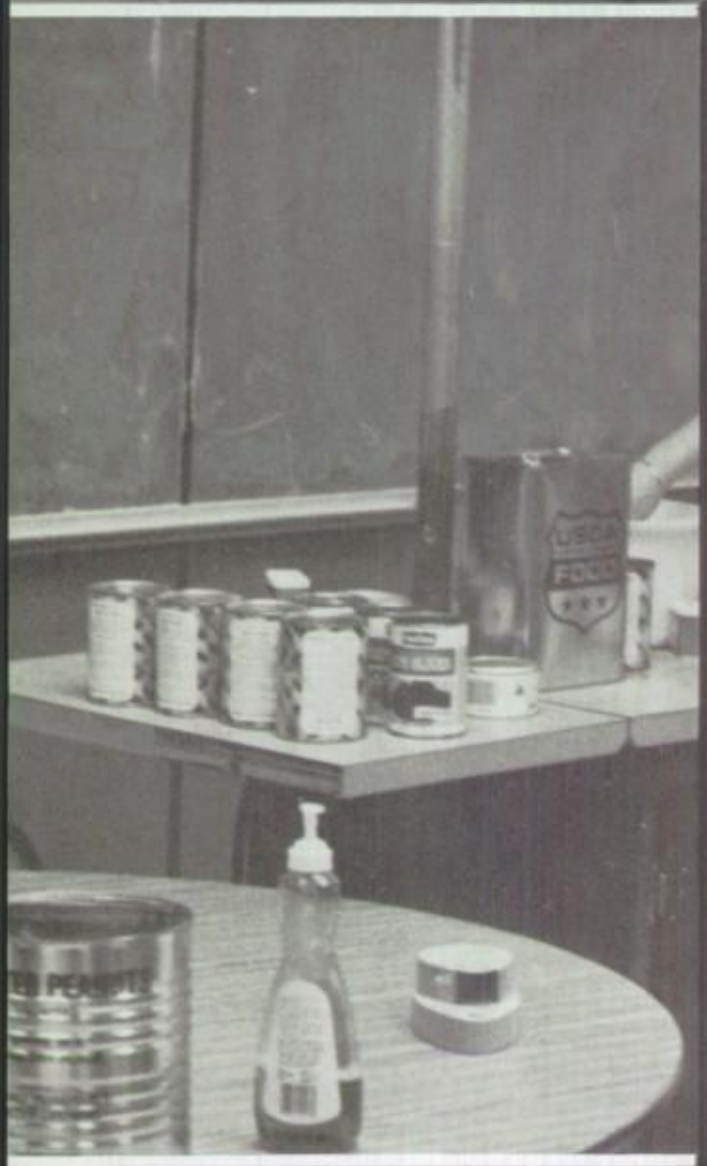
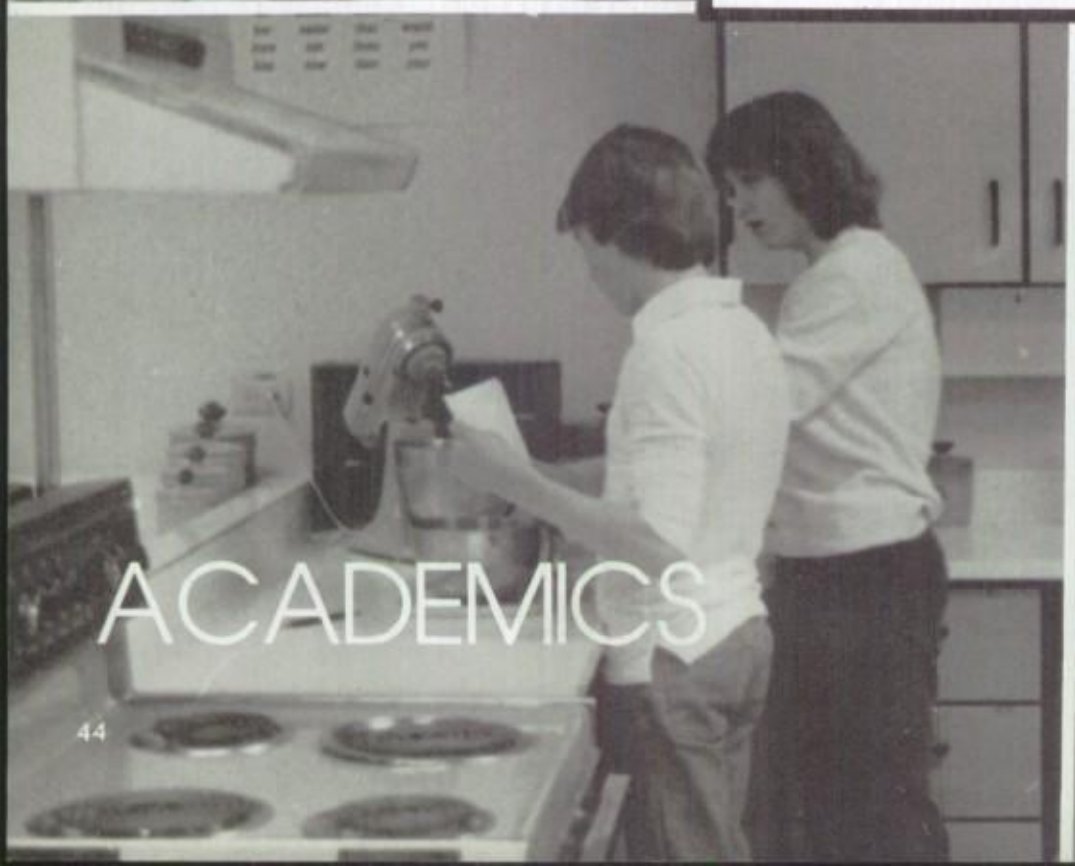
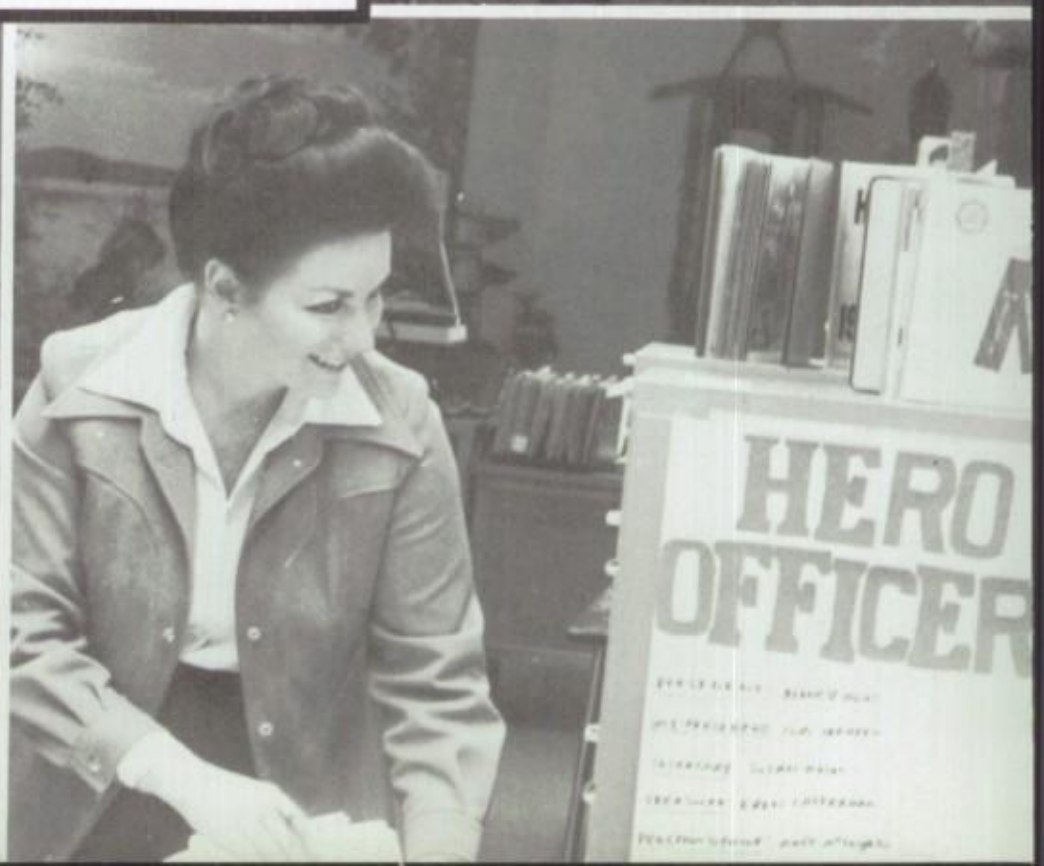
HOME ECONOMICS

One of the strongest and most useful departments in Green Mtn. is the fabulous Home Ecomonics Dept. Home Economics is not stricktly cooking and sewing, even though these two subjects are a major part of the entire unit. Home Economics also involves classes such as Child Development, Marraige and Family. All of these subjects deal with some of the pain involved with some of the pain involved with facing reality, and the classes teach the students how to cope with the problems that they may encounter during their lifetimes. The classes are very interesting, and all the students who wish to contribute their opinions to others are free to do so. Any class in Home Economics helps students to become more successful and organized people throughout a life, that they learn can be filled with good things.



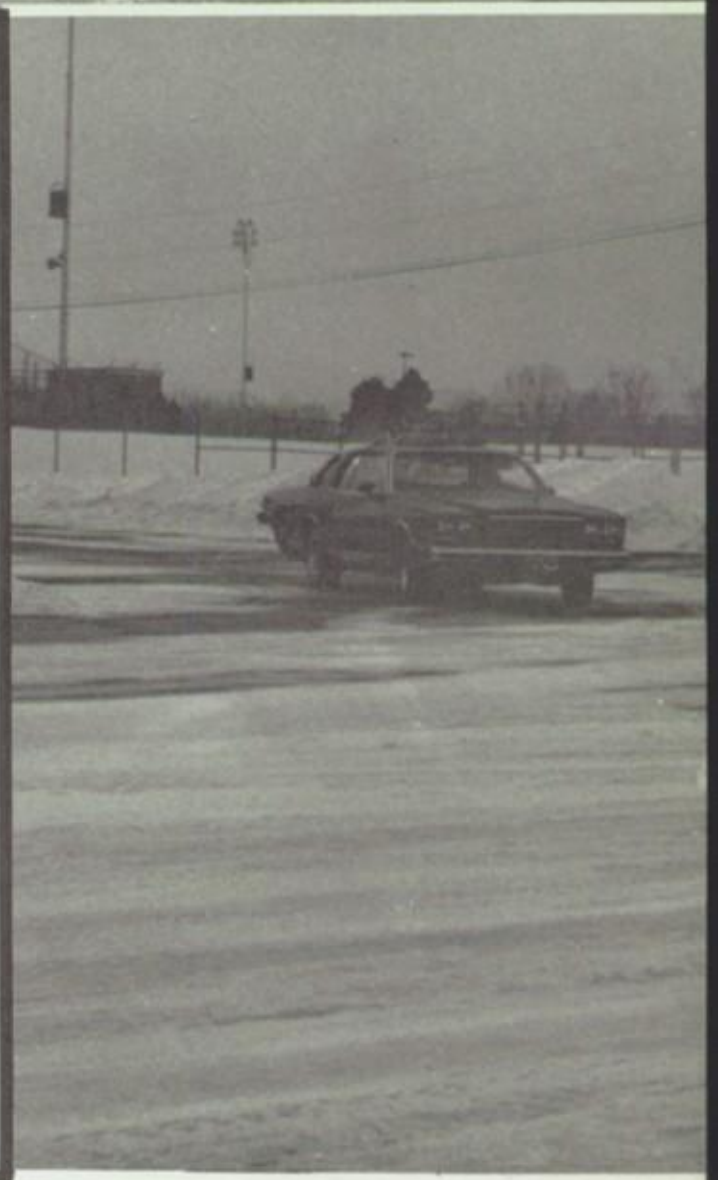




ACADEMICS

DRIVERS EDUCATION

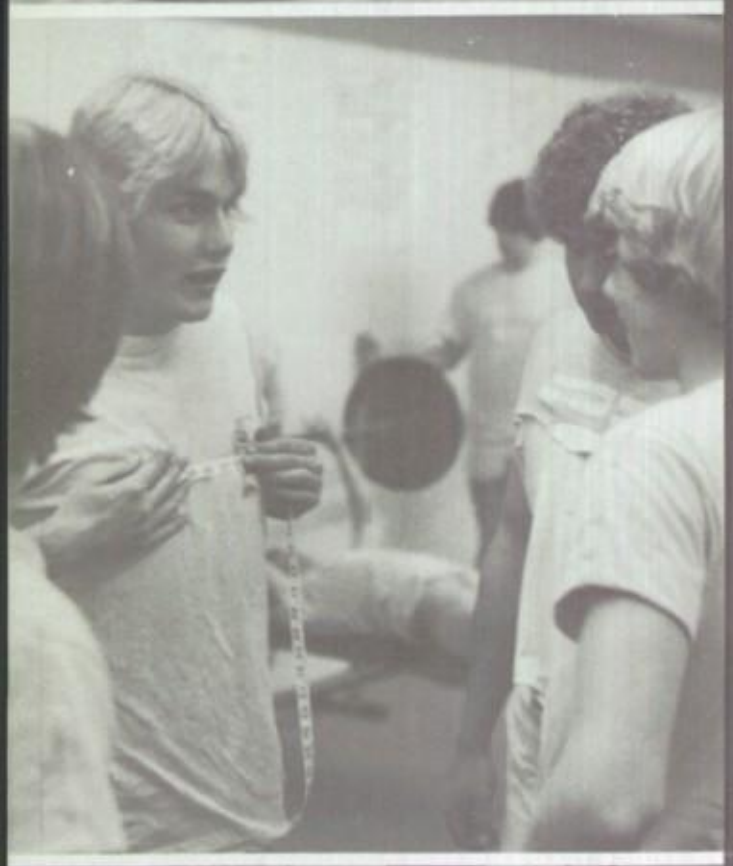
Drivers Education, unlike many other subjects taught in school, is a class where students can really get involved in what they are learning. Besides lectures and movies, simmulators are used to help teach the students how to drive. This, along with driving on the Driving Range, gives students actual experience in handling their cars. In this manner, they can increase their driving abilities and fewer car accidents result. Taking Drivers Education also lowers insurance rates, which makes parents happier and more confident in their youngsters as drivers. The class also causes students to be more aware of the many different driving conditions that they are sure to encounter at some point in their lives. It is interesting to note that drivers are less accident prone than they were five years ago.

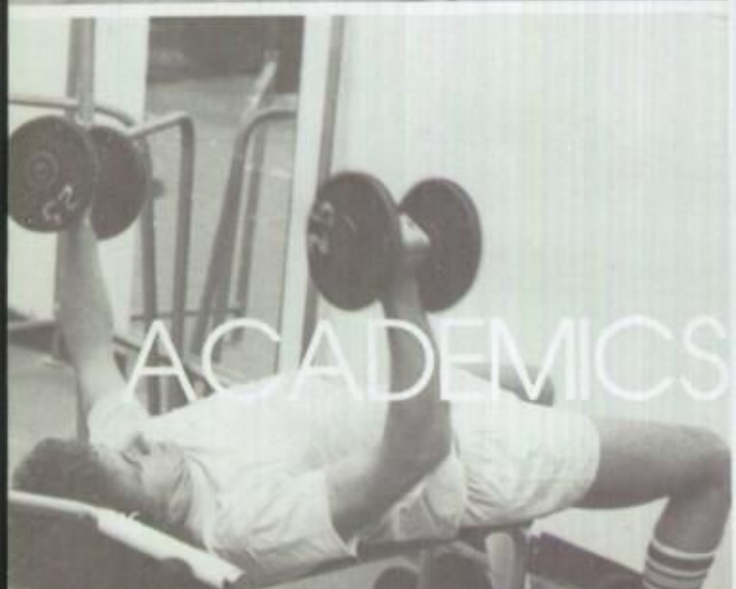


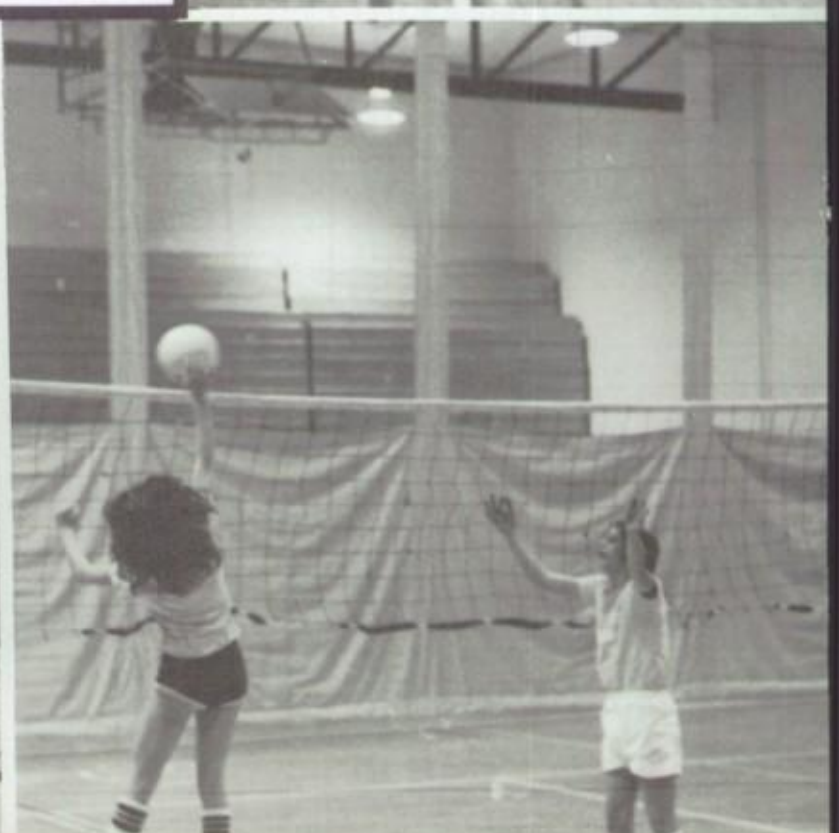
PHYSICAL EDUCATION

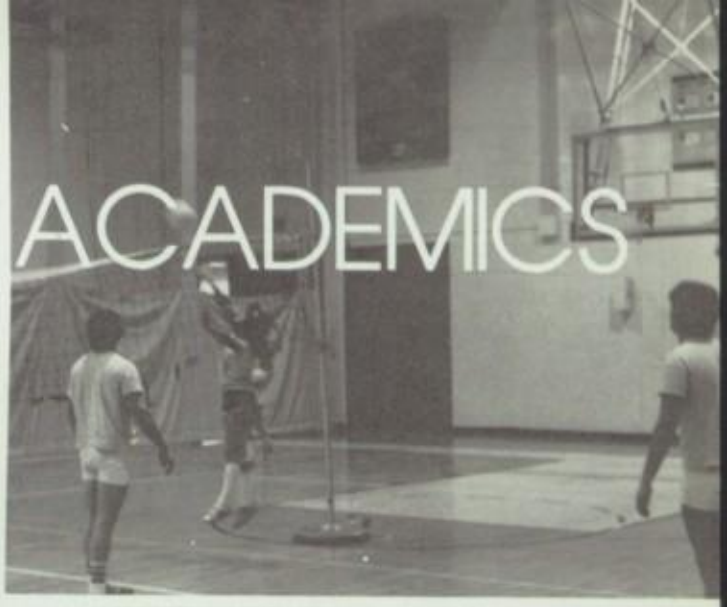
In our world today, the most physically fit individuals survive the hardships of life better than the unhealthy. Green Mountain High School feels that all students should have the opportunity to make the most of their young bodies. The developing of muscles, talents, and good clean living are emphasized. Through Physical Education classes, invididual students can be active and skillful while participating in many different sports. Through practice, students can acheive good techniques, and learn to play their best. They also learn the history of many sports, as well as the rules to each game.

To help the students of Green Mountain keep physically fit, we have a lot of good equipment Future years look even







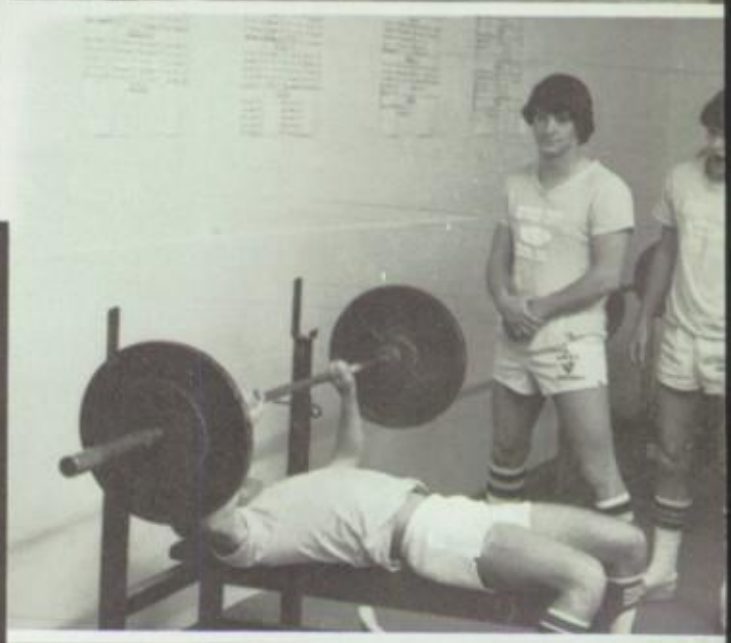


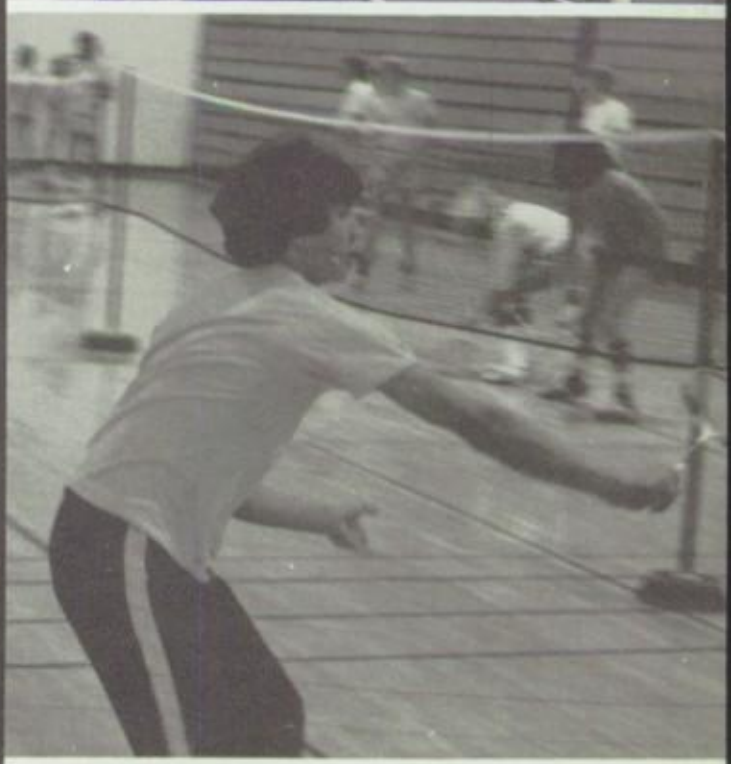
ACADEMICS

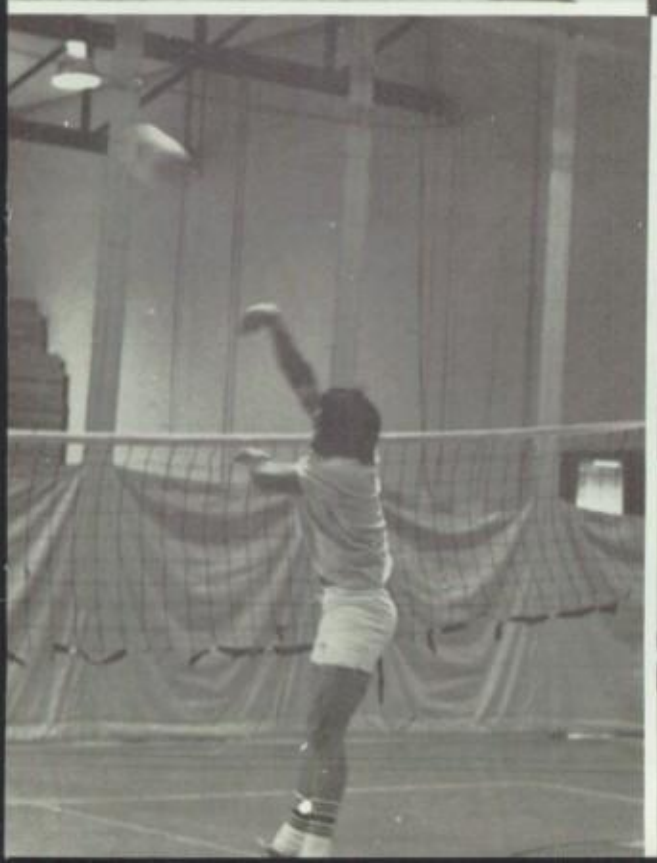
PHYSICAL EDUCATION

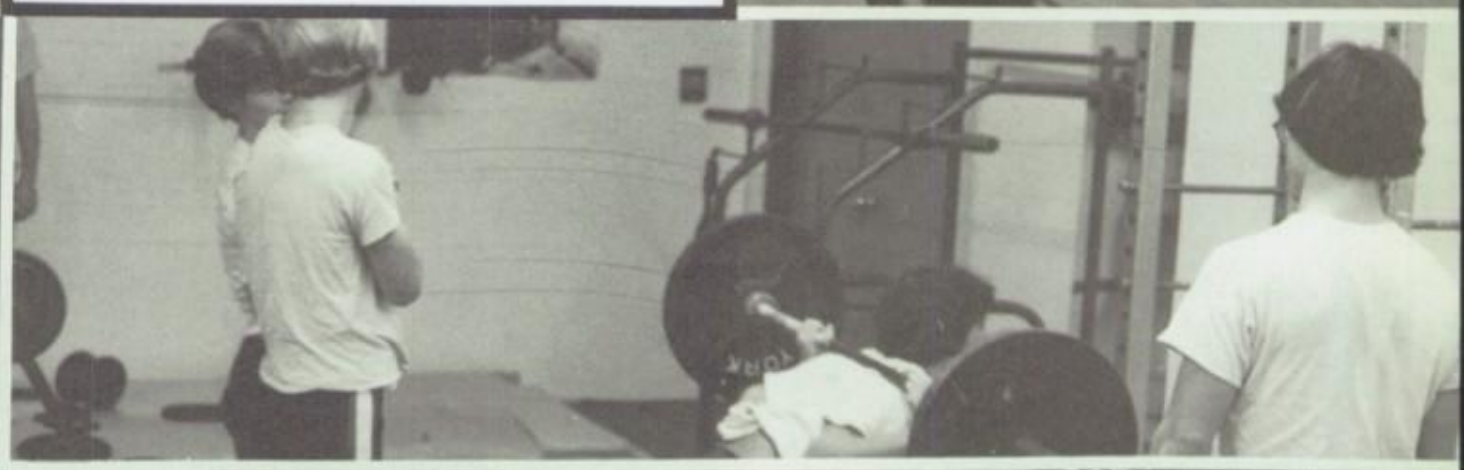
more promising as Green Mountain expects to get better equipment.

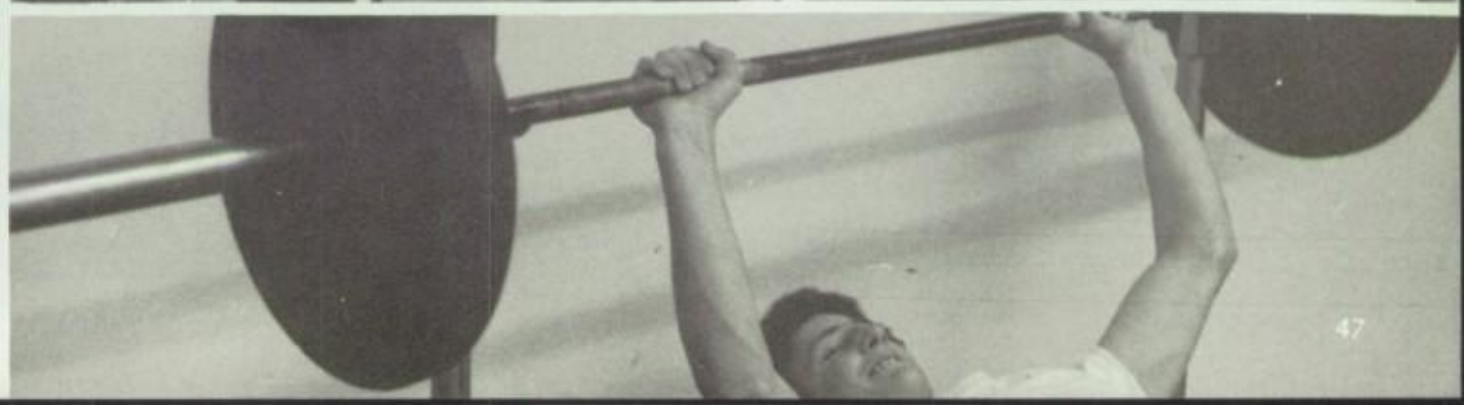
For those students who wish to improve their health in a fun sort of way, then Physical Education could be an excellent chance for them to become what they want to be. The P.E. department of Green Mountain is an excellent and knowledgable portion of our school. Through the years, the Physical Education teachers have awakened the spirits of those who know that being healthy and in good condition is an essential element which is necessary to the lives of those who are happy and satisfied with themselves.







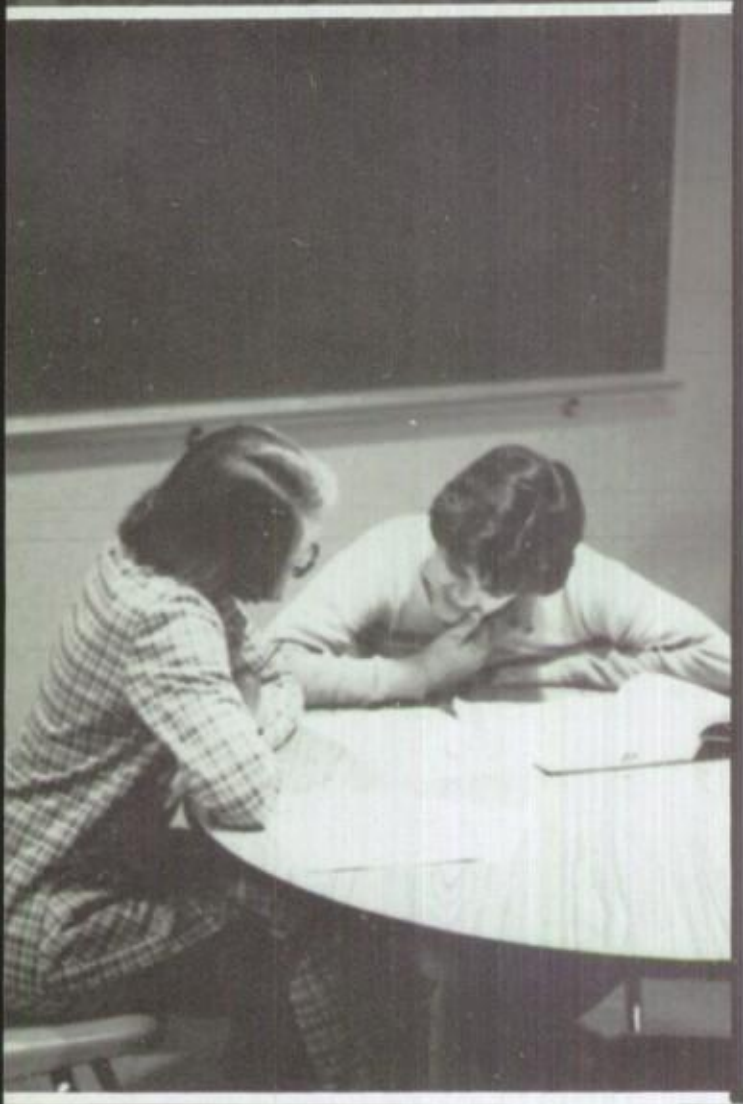


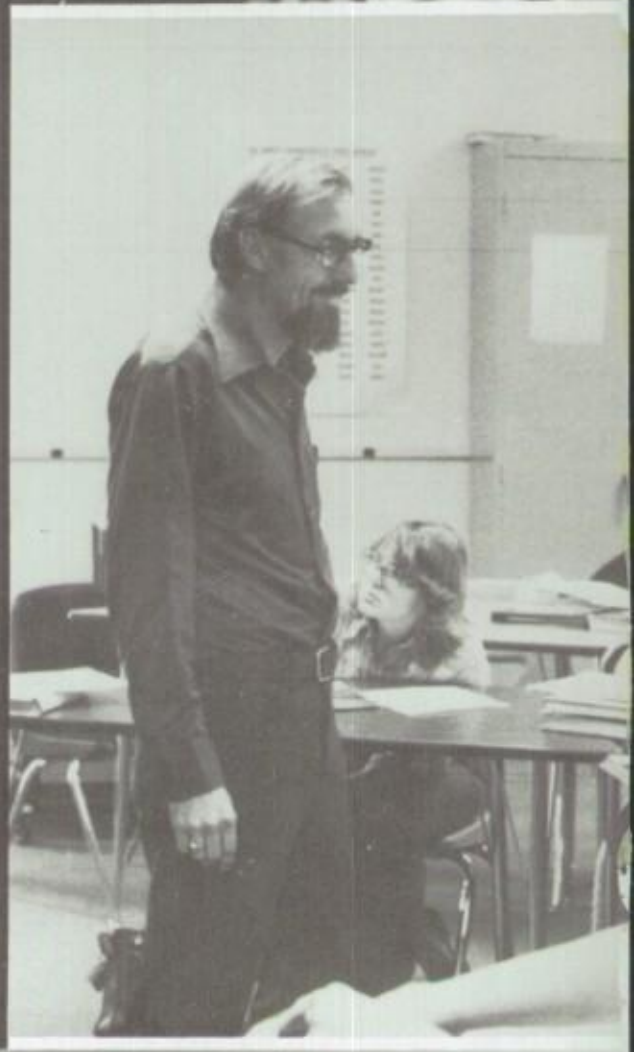


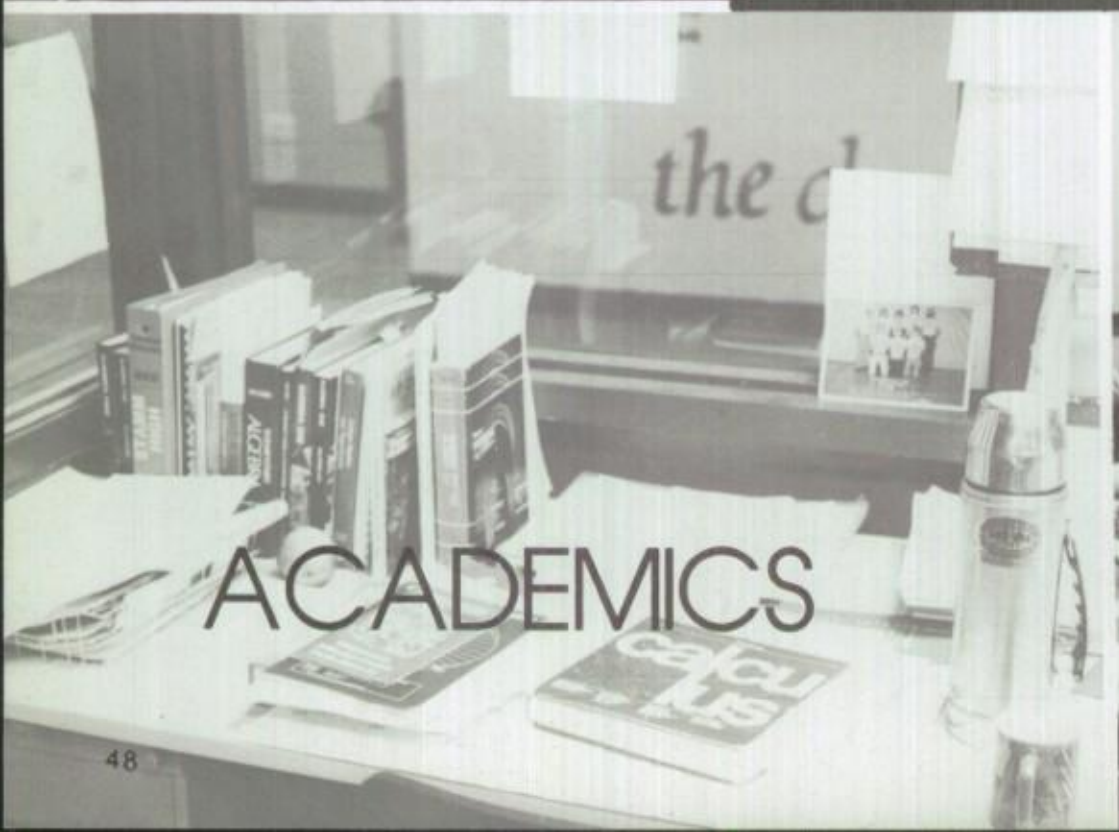
MATH

MATH

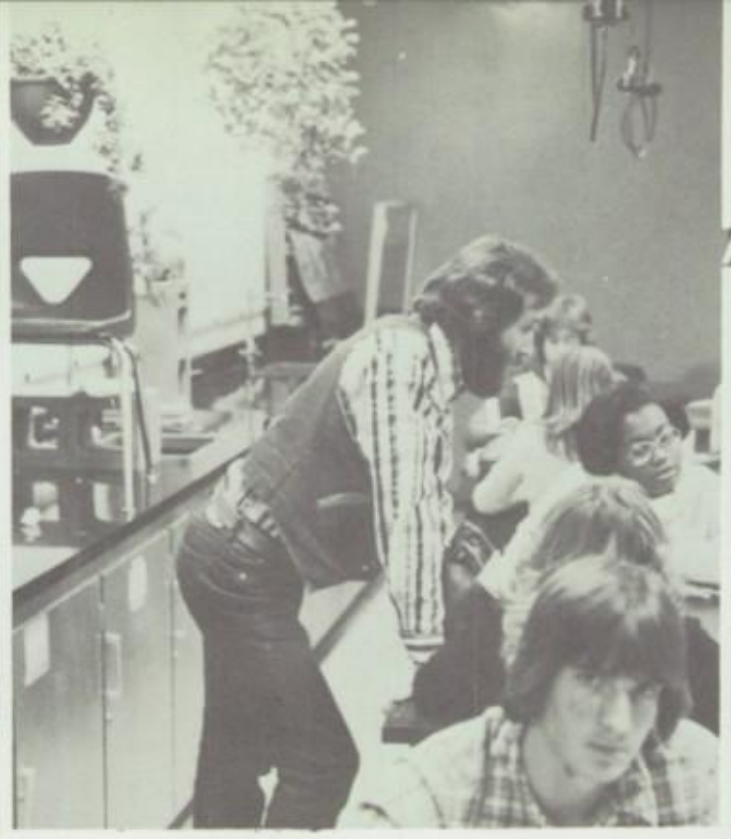
As many young people are discovering for themselves, mathematics are an extremely important part of everyday life. Only one year of Math is required here at Green Mountain High School. However, many students have realized that the more Math credits they can acquire, during high school, the easier their lives will be once out of school. Math is extremely essential in every person's life. Mathematics enrich people's lives immensely because they often deal with the subject of personal incomes and important business figures. Although all of the equations, calculations, and numbers involved in Math sometimes become very complicated, it is a very useful subject to know once it has been learned. Knowledge of figures and theorems can help students throughout their lives to think logically and clearly.

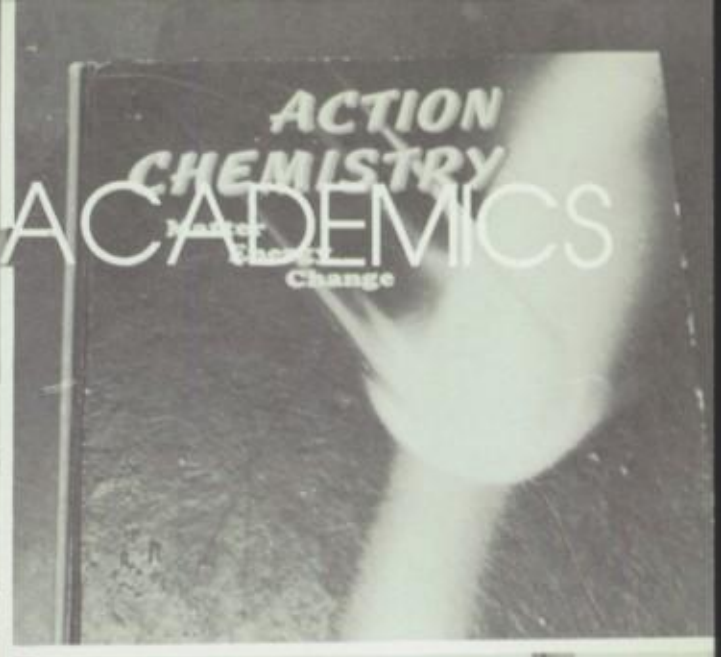






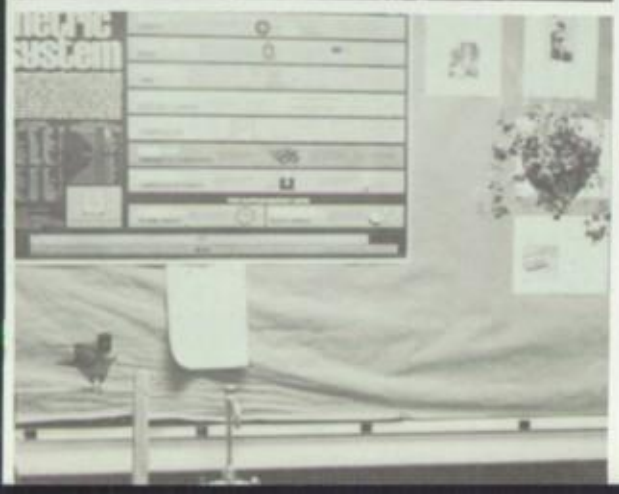
ACADEMICS

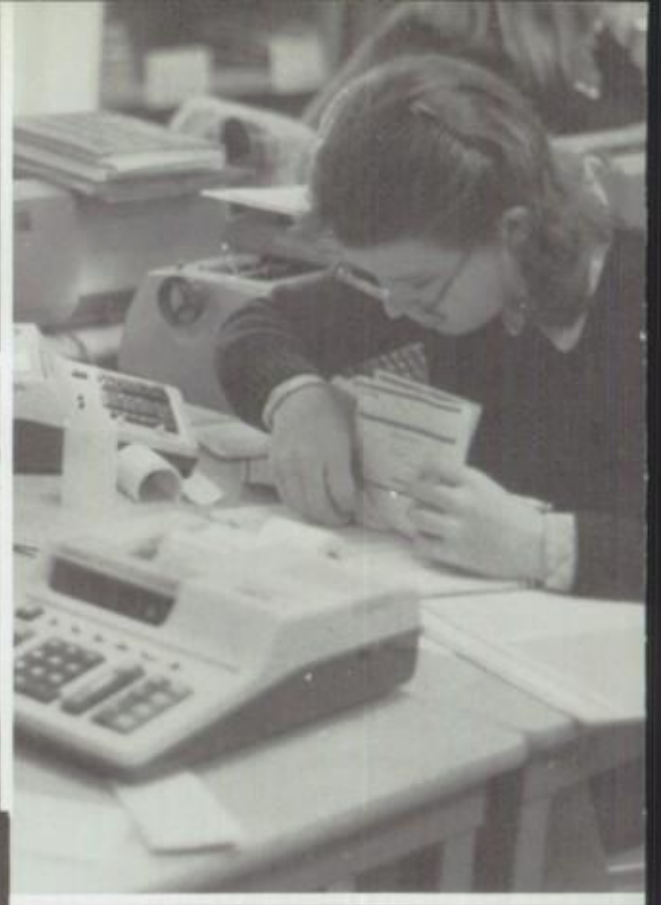




SCIENCE

Science is a very important subject to many people, mainly those that wish to learn about their surroundings, life in itself, and how many complicated things work. Green Mountain has an excellent Science Department, and much can be learned in any of the various classes offered. Each subject is taught in different levels of comprehension in Physics, Biology, Chemistry, Unified Science, Physical Science, and Earth Science. All are valuable in their contents, if science is a subject that you like. Even if you don't like science, several classes, such as Earth Science or Biology, are two very interesting classes and are not as difficult as Chemistry or Physics. The Science Department is a thoroughly educated group of people, and in any class taken, the subject will be well taught to you.



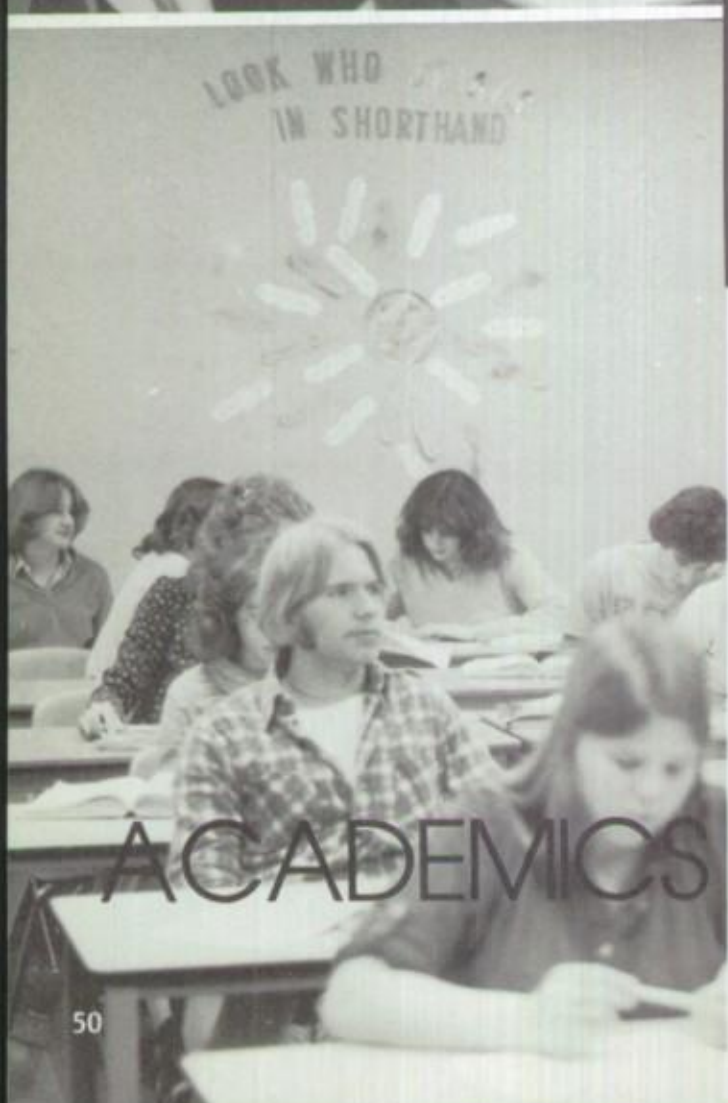


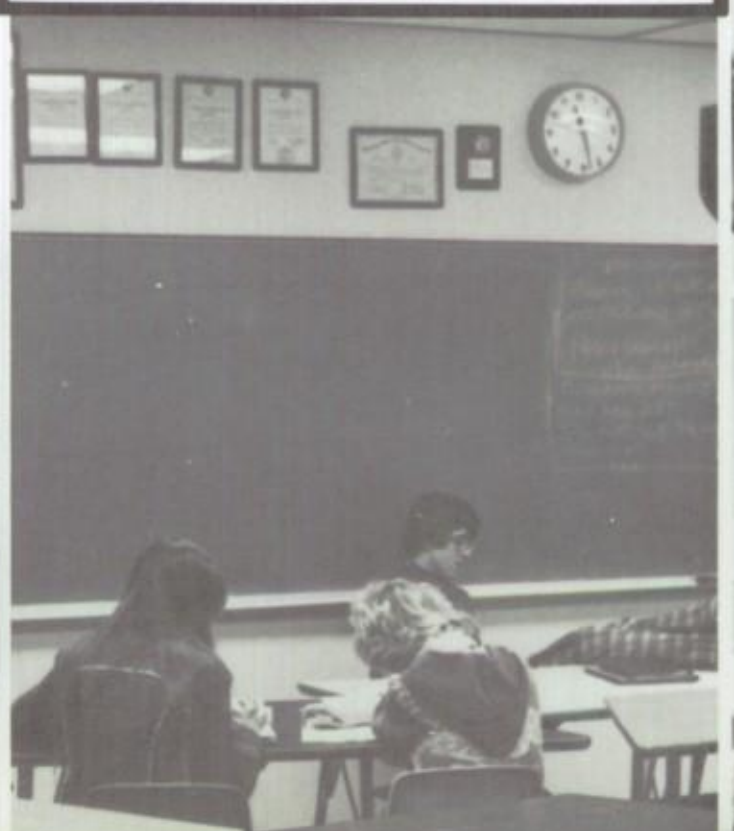
BUSINESS

The Business Department of Green Mountain is an extremely valable section of our school. Through Business classes, students can develop good typing, shorthand, and accounting techniques, which will aid them in the future as employees. The skills of typing can also be an immense help in doing homework and reports quickly and neatly.

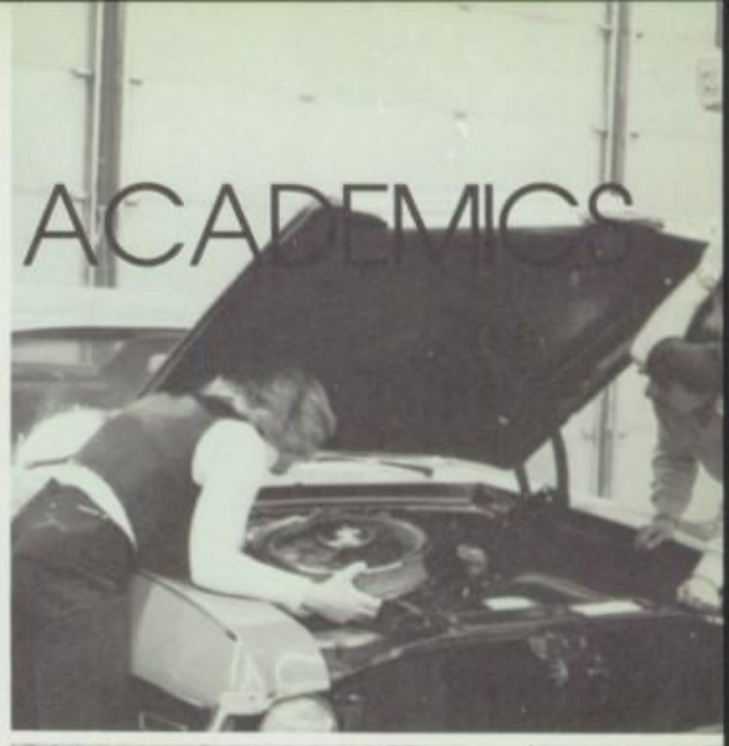
Through the years, D.E.C.A. and F.B.L.A., two business clubs, have become very important organizations to Green Mtn. High. Thanks to the Business Department, we can purchase food, drinks, and school supplies from the school store, which is run by D.E.C.A. members.

The Business Department of Green Mountain should no be underestimated in its value, and without this important part of our school, many students would have a lot of truble in future.





ACADEMICS



ACADEMICS

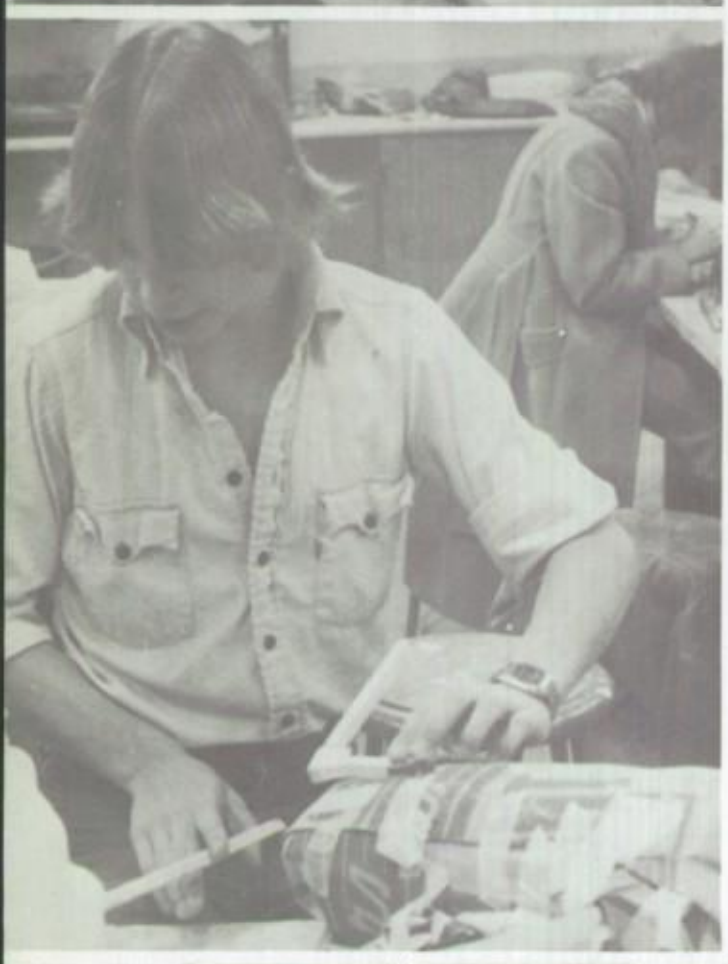
TECHNICAL ARTS

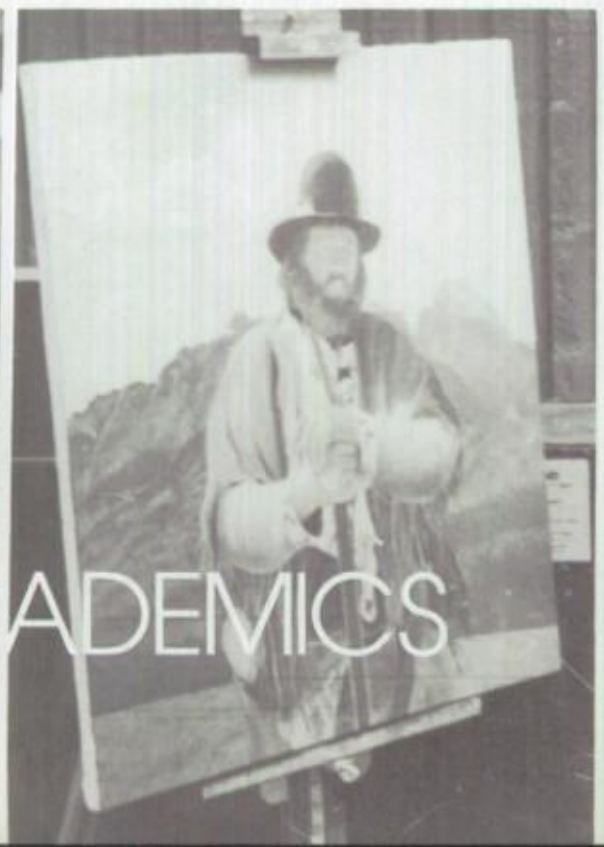
Technical Arts unit of Green Mountain is a very precious class to many students. The students are people who highly value the making of professional metal, wood, and drafting work. The Technical Arts department is extremely productive section of our school, and materialized progress are exhibited throughout the school. The auto branch of the department teaches students the main skills that every person driving a car should know. Green Mtn. provides the career-pursuing students of our school with much of the knowledge that would help them in the future. The Technical Arts Department of Green Mountain is extremely well organized and successful in the educating of students.

ART

Green Mountain High School offers many diverse Art Classes that should definitely be taken advantage of. Classes in sculpturing Jewelry, ceramics, and painting are just a few of the subjects offered by the Art Department. If you think these classes sound dull and worthless, take a look around you. The Art Department has contributed many spectacular works of art to our school. The art students of Green Mountain have painted our unique walls using their imaginations to their fullest extent. Think of how uninteresting and ordinary our school walls would be without them.

Art is a class taken by creative students who want to further develop their artistic abilities. These talented students have learned the expert techniques of painting and jewelry making; two very difficult areas to conquer. Many students





ACADEMICS

ART

love to draw, and those students who have taken an art class in drawing can produce a work of art far more unique than most of those who have no instruction. The ability to make something beautiful, colorful, or creative is not always a trait of every art student. However, each persons talent, although it may be extremely small and hidden, can be found and sculptured into something very valuable. Art students have an immense advantage over those people who have not had any artistic background. These people have good ideas on many subjects, simply because they have acquired a very creative outlook on life through art. So the next time you have to decide between taking Art or having an extra class, take Art. In the future, you will ifnd that it makes your life far more interesting, and changes your outlook on the world.

This year's Varsity soccer team had an excellent season, placing second only to Wheat Ridge in state. Coach of the Year, Peter Mehlbach, along with Coach Steve Hoemann, had an outstanding team this year which consisted of 20 extremely talented students. Of those 20, 7 made All Conference this year. Mark Reynolds was most valuable midfielder, Dan Lombard, most valuable striker, and both Brad Warner and Bill Rooney, most valuable defensive players were on the First Team All Conference. Scot Walker, halfback, and Nik Buchholz, keeper, made Second Team

CROSS COUNTRY

GIRLS

L. to R. standing; Heather Smith, Anne Couture, Mary Stone, Mary Butler, Karen Hall, Amy Botkin, Julie McDonald, Coach Shepherd, Kneeling; Laura Anderberg, Sandy Long, Kerry McClaugherty, Chris Amato.

The Cross Country team this year consisted of a large group of sensational athletes. This year was the first year ever in which girls participated in cross country running. They did extremely well averaging second throughout the seasonal meets. The girls were unable to make it to the state meet however, due to the large number of teams involved in the regional meet. Laura Anderberg was voted most valuable to the girls' team. Since all the girls will be returning, we expect a great season next year.

SPO

MEETS

State Meet

The boys varsity team had an excellent season, easily making it to state. The state meet took place in Pueblo on November 3. The boys placed second in state, losing their championship title to Wheatridge. Junior Mike Kubitschek made All-Conference and All-State and was voted most valuable. He placed 5th in the state meet with an incredible time of 15;09.

Congratulations are in order every member of the extremely successful cross country team. The best of wishes to a winning season next year.

TENNIS

The 1979 boys tennis team did an excellent job in representing our school this year. With an overall record of 6-5, these spirited athletes have great expectations. With sophomores participating varsity, there is confidence that the upcoming teams will be winning ones. Tod Reed and Ron Norman contributed a great deal to the team, having won second and third in singles. We wish the 1980 team the best of luck!

VARSITY FOOTBALL

The Varsity Football Team of Green Mountain High School finished a fine season this year placing third in the Jeffco South Division. Under the expert coaching of Don Patterson, our Rams narrowly missed a playoff berth. This year's Varsity Football Team had eleven players who achieved All-Conference privileges. Bill Caldwell, quarterback, received Ram of the Year honors. All of these excellently conditioned athletes were very dedicated individuals, contributing to a truly fine varsity football team.

SOPHOMORE FOOTBALL

This year's Sophomore Football team met and exceeded all the expectations of their head coach, Don McGatlin. This well-rounded, young Ram football team overwhelmed all competitors by compiling an 8-1, win-loss record. The pride and determination of these young men is a supreme example of the Green Mountain sports program.

GIRLS BASKETBALL

FRESHMAN

This year the varsity girls basketball squad had another fantastic season. The team was composed of 12 girls total. Seniors on the team included Lori Chavez, Anna Mantai, Patty Wewel, Gayle Groninger, Debbie Nalty, Leann Dalby, Susan Matteucci and Anne Vigil. These girls were all on Green Mountain's state championship team last year and proved their abilities once more this season. There were three juniors on the squad, Kelly Reilly, Kim Moran, and Laura Anderberg and one sophomore, Laura Mozingo. The two high scorers throughout the season were Debbie Nalty and Kelly Reilly. Debbie was also acting captain. Coaching this year was by Mr. Dennis Sheperd. Mr. Sheperd led his team to State Championship playoffs. However, their successful season ended in a game with Alameda on the first night of the playoffs. This team proved to be exciting to watch on the court and earned the enthusiastic support of their fellow students, the pep band and the cheerleaders. Congratulations girls!

BASKETBALL CONTINUED

JUNIOR VARSITY

SPO

The junior varsity squad had a very spectacular year despite a few upsets which have to be expected. The five juniors on the squad were Kelly Cronin, Anna Meanor, Lisa Yeager, Sue Fedro, and Cindy Chaffet, these girls proved themselves to be fine athletes. There were six sophomores on the squad who were a very big boost to the team. These girls were Luann Smidt, Megan Nalty, Becky Johnson, Teri Mohr, Shelby Hueneke, and Ellyn Martinez. The head coach Rick Barh lead these girls to their successful season. He was very proud of his team and pleased with their united effort on the court. The girls worked well together and show great amount of enthusiasm on the court. The group effort was tremendous and well appreciated by the student body. Our thanks and congratulations to Mr. Bath and his girls on such a fine season.

The Freshman Girls Basketball team ended their season with a balanced record of four wins and four losses. They learned the importance of teamwork and having faith in what each

RTS

other could do, as their part of the team effort. The girls operated under the leadership of Coach Rick Bath. The girls worked great together on the court and made an outstanding effort!

The team was made up of: Kim Harsch, Jeanne Daugherty, Michelle Vasey, Julie Campbell, Patty Arnone, Michael Dunn, Marlene Short, Darcy Eb, Suzanne Hermannusen, Cindy Miller, Sabrina Forest, Missy Johnson, Cindy Bloom, and Sheila Madden. The managers were Katy Mikus, Annette Vitry, and Pam Patrick, who offered great assistance to the team and coach.

WRESTLING

In a season noted more for its individual accomplishments than its team successes, the Green Mountain wrestlers gave us another interesting and exciting season. Although each individual strived for perfection, many of their matches resulted in failure because of one or two points lost in the final seconds.

The varsity team finished the season with a 3-5-1 record. The varsity squad competed in three tournaments. In the first tournament, the Douglas County Invitational, one wrestler placed second, four placed third, and one ended in fourth. In the Bear Creek Invitational, Green Mountain brought home one second place, four third places, and one fourth. At Green Mountain's own invitational, two of our wrestlers took first, one

Greg,
I am really glad that you and me got to be good friends this year. You really helped me out in Adv. Reading when I needed help. And I needed a lot of help. Thanks for every thing you ever had to help me a lot. If some one ever needs help in Gym Since Sorry 988-5055
Your friend
Brent

took second, one took third, and three wrestlers took fourth.

Junior varsity finished the season with a 5-2 record. The junior varsity squad competed in three tournaments, including league. At the first tournament, the Englewood Invitational, Green Mountain wrestled ten men and took ten places. Four of these places were first, two were second, three were third, and one was fourth. At their second tournament, the Jefferson JV Invitational, they took 7th place with 6 place winners. Junior varsity had a very successful season this year.

WRESTLING

Steve Gomez, a graduating senior, had a triumphant wrestling season. He was undefeated in dual meets and had an overall season record of 16 wins and 3 losses. Of his 16 wins, 7 were pins. In a match against Golden, Steve pinned his man in 42 seconds.

Steve competed in all three varsity tournaments. In the Douglas County Invitational, he took third place. At the Bear Creek Invitational, Steve placed second. At his last tournament during the regular season, Steve finished in second place.

Steve participated in three more tournaments. The first one, districts, he places second. Being one of the top four finishers in his weight division, he went on to regionals. After regionals, Steve went to the state competitions. He was the only member of the 1979-1980 Green Mountain's wrestling team to compete in state.

Dave Miller also had an exceptional season. He finished with a 13-6 record. He competed in all three tournaments. In the Douglas County Invitational, he took third place. At the second tournament, the Bear Creek Invitational, Dave placed third again. He took second place at the Green Mountain Invitational.

Dave participated in districts and finished in fourth place. This enabled him to go on to regionals. He did well in this tournament, but he did not

qualify for the state competition.

Scott Gregory, another graduating senior, showed incredable improvement over his previous seasons. He finished the 1979-1980 wrestling season with an amazing 16-2 record. Scott was also undefeated in dual meets. His fastest pin, 47 seconds, was against Bear Creek.

Scott placed in all three varsity tournaments. At the Douglas County Invitational, he took third place. He received another third place at the Bear Creek Invitational. By the time the Green Mountain Invitational was over, Scott walked away with the championship ribbon in his hand.

Scott competed in districts, but unfortunately did not go on to qualify for regionals.

GIRLS SWIMMING

Green Mountain swimmers are to have the kind of season teams work for. For the first time, we could see the kind of depth developing which wins swim meets. so many girls have shown improvement that the team can now, enter most meets knowing they can be competitive in all events. In the well run world of swimming meets, the events follow one immediately upon the other like clock-work and a team must have enough rested swimmers to compete effectively in each meet.

It should not be forgotten that many people made significant contributions this year. The girls swimming coach Cheryl Cartin insists that it is the loyalty of this years seniors including captains Linda Mathis and Linda Hodgins which helped this years team begin to be a real "team". Coach Cartin has, said that while the Green Mountain Girls Swim team has had some outstanding individual performers in the past, it is only this year that the girls have had the depth and experience to develop a total team concept. The improvement of the individuals along with the emerging team balance cause future prospects

to appear bright.

Besides the leadership of this years captains, Mathis and Hodgins, many other individuals make notable contributions. Tammy Watts qualified for the State Championship diving finals in what is only her Sophomore year. The team even had help from Sweden in the form of exchange student Mariann Hansson. the most improved swimmer award went to Jean Johnson who simply led a general team improvement. This list of individuals who made major contributions to the team continues with Most Valuable Swimmers, Senior — Charlene Elmore, Junior— Sue Barker, and Sophomore— Tammy Watts.

The Team can look back to some exciting and triumphant competitive moments. The victories over Jefferson, Arvada West, and Bear Creek were especially rewarding. Besides the four league meets in the 1979 season, the team also competed against several teams from other parts of the state. Along with the victoryh at Bailey, were meets at Northglenn, Loveland, and Heritage Schools. Next year is coming and leading Green Mountains resurgence as a swim power will be Tammy Watts and Sue Barker.

STATE BASKETBALL CHAM

All Right, Rams!!! The 1980 Green Mountain High School Boy's Varsity Basketball Team stomped out every opponent's team on their way to the State AAA Championship. The guys finished their best season ever with a 23-2 record to win first place in the state of Colorado.

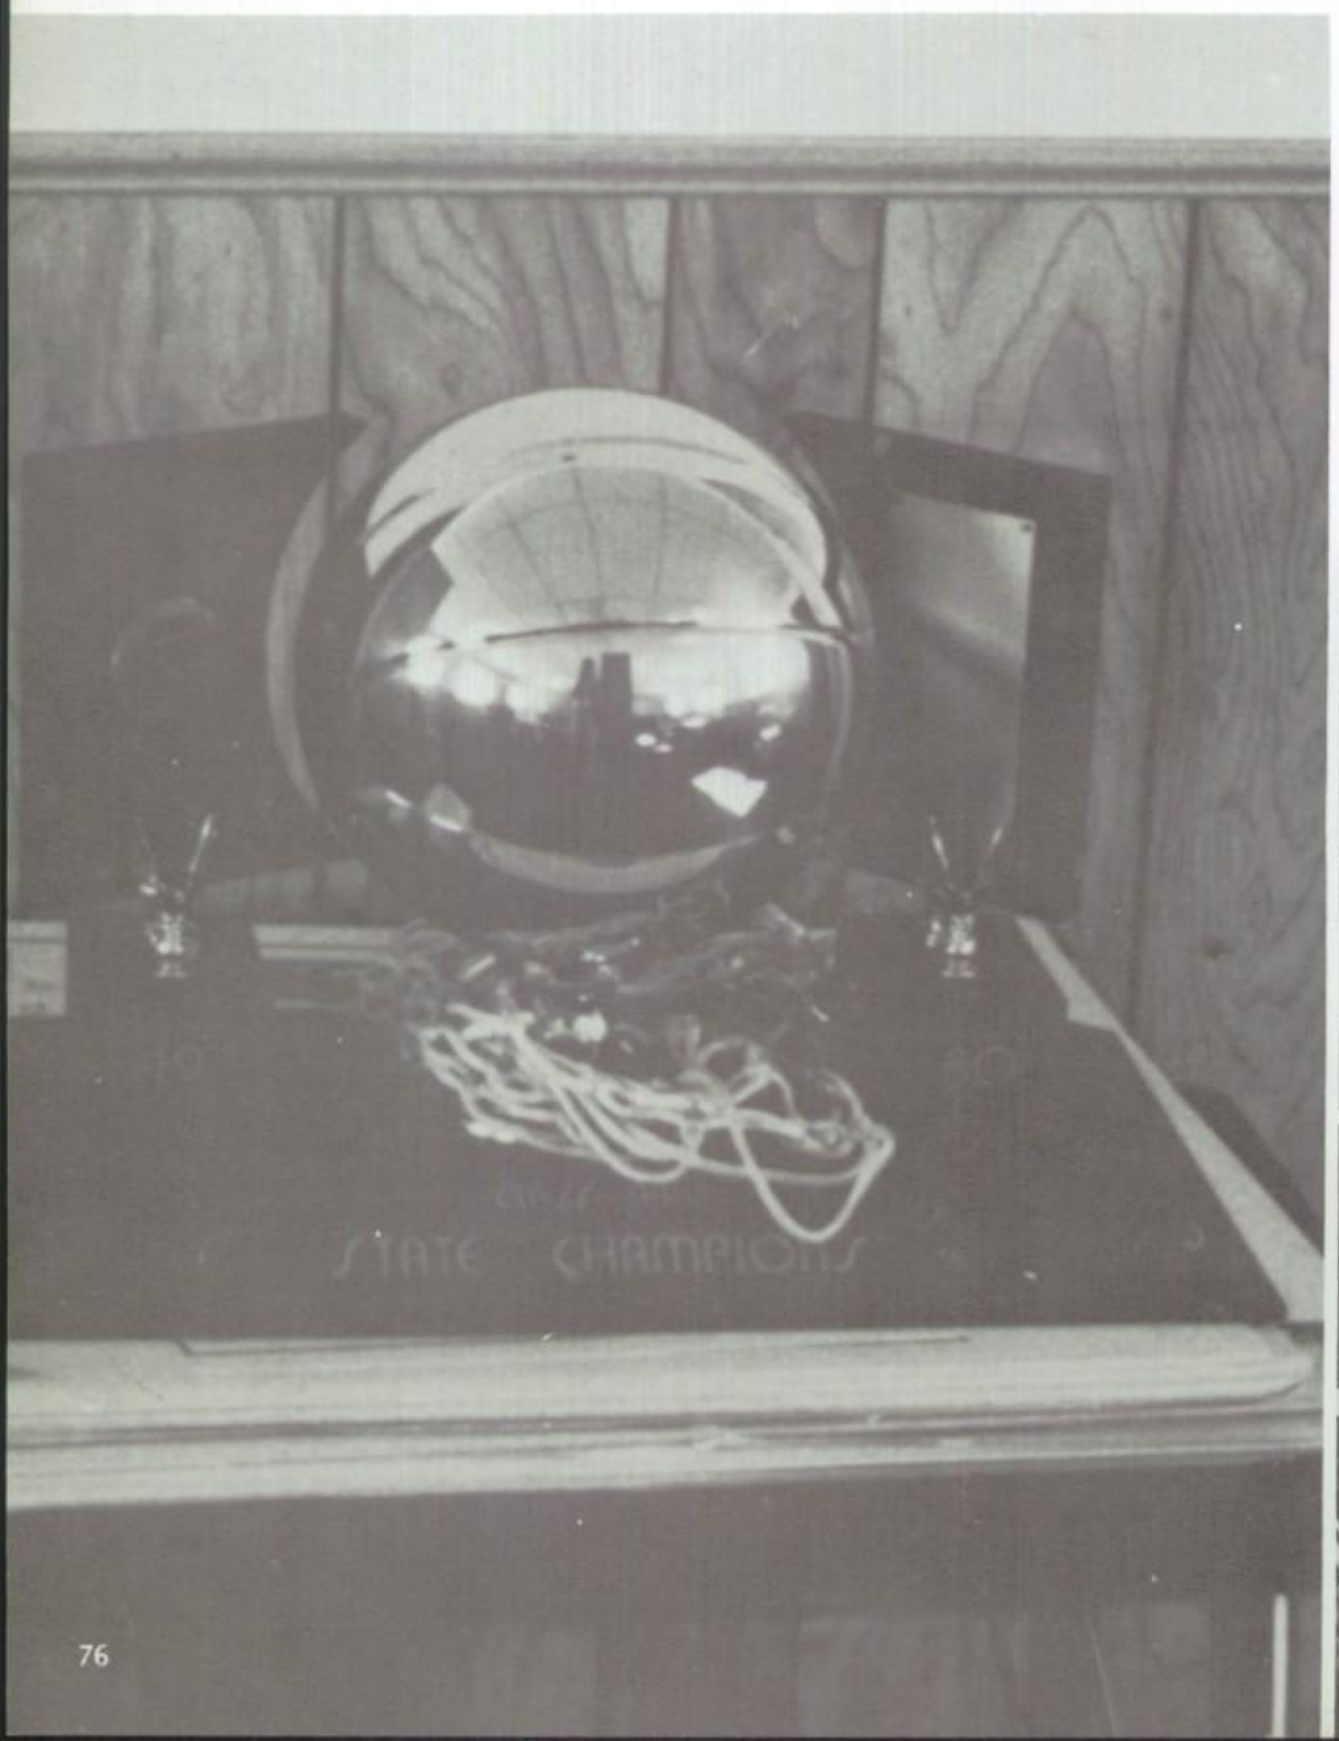
During pre-season, the Rams were rated first, but the ranking was soon destroyed when Wheat Ridge came to our school and beat us by four points. The loss didn't destroy the team's hopes for the rest of the season, so they went out and walked on Pomona, Jefferson, Evergreen, Golden, and Bear Creek. The streak lasted up until we played Alameda at home. The Pirates couldn't, and didn't miss that night, and they downed the Rams by twenty-one points. The next four games against Columbine (a make-up game because of snow), Lakewood, Arvada, and Arvada West assured us a place in the Sub-District Tournament.

The Rams had to beat three teams to win the Jefferson County Championship, and they did. Their first game was against Evergreen, and you'd have thought that the Cougars had stayed home that night, like they probably wished they had done, after our team won by forty-six points. A little bit tougher team to beat was the sure-shooting Alameda guys, but the Rams pulled it off by beating them by four points in over-time.

The next game was for the Jefferson County League Championship and we went to Wheat Ridges gym and teamed up against the Farmers, who had never been beaten by a Green Mountain team.

Both teams played very intensely and the game ended in a tie, and over-time resulted. The television news cameras had been covering segments of the game and catching crowd shots, but none of the film was as exciting or important as the part of our Ram team coming out on top to win the Jefferson County Championship and, after the game, taking down Wheat Ridge's nets. This win gave Green Mountain top seeding going into the state tournament.

The first opponent was from Pueblo Central High School, and the Wildcat team proved to be worthy of a state seed; although the Wildcats hopes for first were wiped out after a Ram victo-



PIONS

ry of 61-49. The Rams advanced to the quarter-finals and were met by the guys from Regis High School. The Raiders almost had our hopes for first destroyed, but again, Green Mountain came out the victors, 50-47.

Things started to get real tough going into the semi-finals, and the team to beat was the Maroons from Alamosa. The Rams got hassled during the first half, and were having problems handling the situation, but after halftime and a "pep-talk" from Coach Davis, the mighty Rams walked on the court and stomped out the Alamosa team, 65-41.

Ah ... Finally! The State AA Championship game, and against whom else but the defending state champs from Boulder, Colorado, the Boulder High School Panthers. The game was so exciting it was indescribable! Everyone was yelling "Boulder ... Panthers ... Boulder Panthers gonna get stomped!" Our team was losing the first half, and a few(!) Green Mountain fans were pretty worried, but things shaped up at the end of third quarter when Boulder had two technical fouls called on them. The Rams got a break, and the rest is history! Boulder took a beating with a score of 74-55 and the Rams walked away with the state title, and a couple more basketball nets! After this the chant changed and everyone on our side screamed, "Boulder ... Panthers ... Boulder Panthers just got stomped!"

The stars that made up the #1 team were Paul Witherspoon, Glen Merica, Bill Rooney, Chuck Felton, Tim Lovejoy, Sean Vasey, Mark Langkamp, and Tim Deignan. Sean Vasey was recognized in the Denver Post as a member of the second team, All-Conference, and on the All-Tournament team. Tim Lovejoy's name appeared in the Boulder Camera, and he made first team, All-Conference, and the All-Tournament team also. Tim Deignan mentioned in the Rocky Mountain News because he was on second team, All-Conference along with Vasey. Chuck Felton received honorable mention for the All-Conference team. Mark Langkamp cleaned up everything when he was picked for All-Tournament by the Denver Post, the Rocky Mtn. News, and the Boulder Camera, and was picked All-Tournament most valuable player. He was chosen for first team All-Conference, and the biggest honor was being selected to participate on the McDonald's All-American team in games against teams from other states the weekend of March 28-30, in Salt Lake City, Utah.

CONGRATULATIONS!!!

RAMS!!!

BOYS BASKETBALL
VARSITY

The 1979-1980 Varsity Basketball team was the best Green Mountain has ever had. The team consisted of eight senior players ranging in height from 6' to 6'9" and four junior "State Baits". The combination of scores from the pre-season, and Sub-District Tournament games gave the Rams an outstanding 19-2 record, with losses from Wheatridge and Alameda. Tim Lovejoy and Mark Langkamp led the team in rebounds and Langkamp in scoring, averaging over 20 points per game. Although all of the teams did well, the varsity produced outstanding results. They have been called the "Too Tall Team" by their shorter opponents. The Pep Band, the cheerleaders, Ram Rowdies, and of course the coaches and the players made this basketball season not only the most exciting, but definitely the best.

Team Members: Tim Lovejoy, Sean Vasey, Bill Rooney, Glen Merica, Tim Deignan, Paul Witherspoon, Chuck Felton, Mark Langkamp

The Junior Varsity Boys Basketball team put forth a tremendous effort this season; but not everthing went their way, and the season ended with an 8-10 win-loss record. Coached by Mr. Larry cole, the team learned how important playing as a unit was, and how each member effected the teams overall performance.

Team captains were Jon Shearer and Ron Roehm. Jon and Ron along with Eric Featherston and Jon Beck were labeled as "State Bait" when they were able to play in the games at the state tournament. Good Luck next year!!

GYMNASTICS

This year the freshman gymnastics team came into the season with a winning outlook. They showed great skill and talent at all of their meets. During the entire season they only lost 2 meets. Their overall record was a fantastic 4-2. With many seniors graduating from the varsity team we are happy to have these young athletes filling in the gaps. Outstanding members include Angela Mantei, Janine Hesterwerth, Suzanne Hermanussen. They all placed first a great deal of time in their events. With practice starting the last 2 months of summer vacation and many other gymnasts taking outside lessons we are sure to have a super gymnastics team next year. Members L to R:

VOLLEYBALL

Volleyball is fast becoming a very popular sport at Green Mountain. Our girls who participated this year were very enthusiastic about the season which included twenty-two games. Over-all, they had a good season with about an equal number of wins to losses.

Our fine team was coached by Mr. Mick Denzin who did a fantastic job with the girls. The team of thirteen was headed up by five Seniors who showed and taught great leadership and sportsmanship. The results from the next two years should show the traits this year's Seniors passed on to the mostly Sophomore team. The five Senior girls who helped to produce the winning efforts were Debbie Nalty, Anna Mantei, Patty Wewel, Lori Chavez, and Gayle Groninger.

Only six of the twenty-two games were held at home and Green Mountain won five of those six. The home atmosphere really helped the girls as it does anyone who participates in any kind of competition. Having a home crowd to cheer them on brought on the urge to give their supporters the victory they wanted. Everyone and anyone needs to attend the volleyball games whenever it is possible, especially if the game is away. The

PLAYERS

Back row, left to right: Coach Mick Denzin, Soph.-Shelby Hueneke, Senior-Debbie Nalty, Soph.-Megan Nalty, Soph.-Lori Sanger, and Junior-Kelly Cronin.

Front row, left to right: Senior-Gayle Groninger, Soph.-Ellyn Martinez, Senior-Patty Wewel, Soph.- Terri Mohr, Soph.-Kim Moran, and Junior-Nancy Thompson. Not pictured are Anna Mantei and Lori Chavez, both are seniors.

BOYS SWIMMING

The Green Mountain High School Boys Swimming Team completed their most successful year, under the superb coaching of Mr. Dale Leonhart. This outstanding group of young men were outstanding in league competition by winning 22 out of 27 county dual and triangular meets. The strong Green Mountain team overwhelmed the entire county by winning the League Relays and placing a close second at the Columbine Invitational. The team had a streak of bad luck at both the Colorado Invitational and the Gateway Relays.

The Green Mountain Swim Team spent their early morning hours swimming countless laps in the quest of their goals. They also spent each afternoon swimming even more laps at the Foothills Swimming Pool.

At the state meet the Green Mountain Swim Team completed their best season ever by finishing 17th overall and placing well ahead of Jefferson County schools. Several Ram swimmers went to the state meet and they all swam extremely well these were Doug Anderson, Dick O'Connell, Brian Todd, and Joe Haberer. Brian Todd, a sophomore, capped an exciting season by placing third in the 500 yd. freestyle and fifth in the 200 yd. freestyle.

The Green Mountain Diving Team also completed one of their most successful seasons ever. The most valuable Ram diver was Toby Eppard.

AND DIVING

This year's Boys Swimming Team was one of largest in the county. The team has a good backbone of young swimmers who will continue the winning tradition in the years to come. The swim team was composed of sophomores, juniors, and seniors and they were: Toby Eppard, Keith Haebe, Ron Luttrull, L.J. Miller, Dick O'Connell, Chris Surmacz, Dave Walker, Dean Mortensen, Pete O'Donnell, Steve Cappellucci, Joe Haberer, Barry Kisselman, Jeff Kroll, Dan Patrick, Bob Todd, Brett Jones, Tom Omholt, R.J. Varner, Frank Prince, Steve Butler, Dan Bell, Andy Hedin, Kyle Mowder, Rick Rush, Tom Schmitz, Tim Taylor, Brian Todd, Doug Henderson, Mike Heckle, Andy Neafsey, Scott Thomas, Kevin O'Connell, Mike Brodsky, Brain Petch, and Jay Eberickowski.

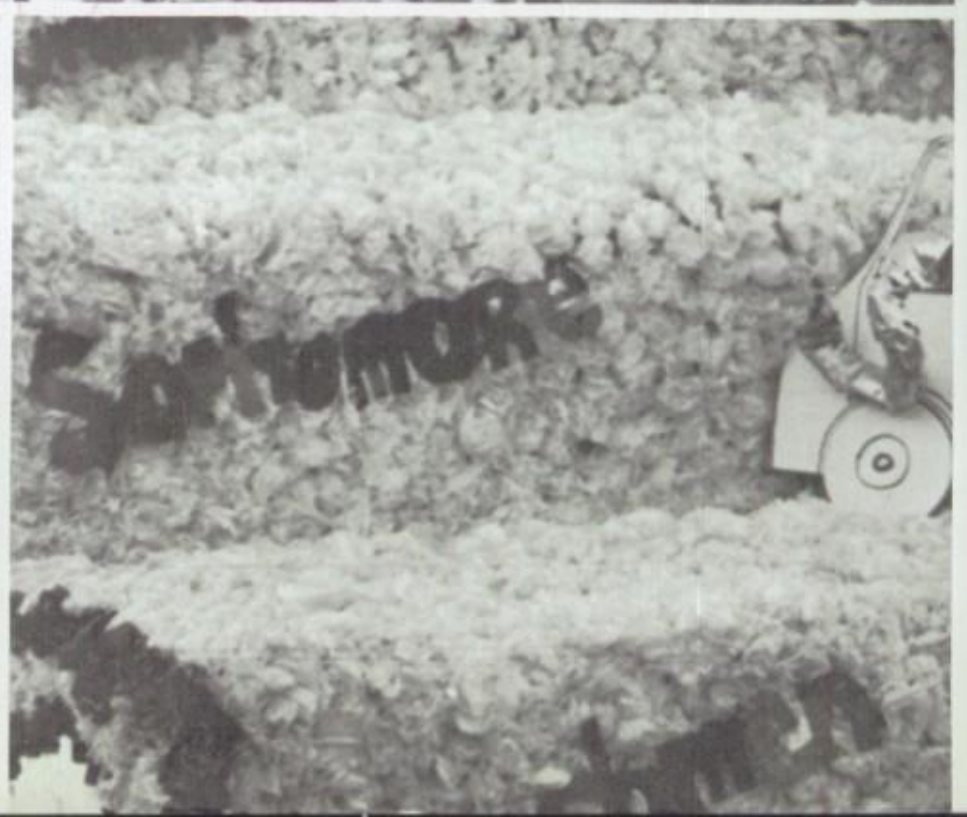
GREEN MOUNTAIN HIGH SCHOOL

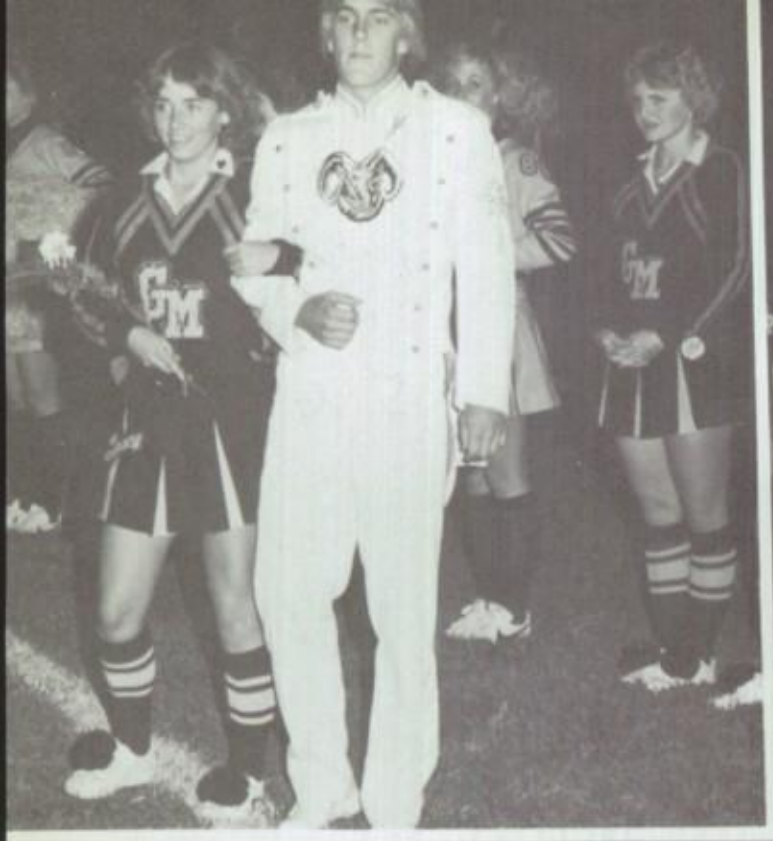
SOCIAL

HOMECOMING

Every year, Green Mountain High School has a very important tradition that has always been a lot of fun. It's Homecoming Week! Homecoming this year began with spirit week, followed by the school parade, the homecoming game, and the homecoming dance. Spirit week is a purposeful event intended to make the students and teachers here at Green Mountain High excited about beginning a new school year and meeting new people, but mostly it is an event to arise some enthusiasm from the crowd for the Homecoming Game. Involvement in fun things is an excellent way to display school spirit. The events which occurred during Homecoming Week were Hat and T-shirt Day, Gang Day, I Hate Boys Day, I Hate Girls Day, Orange Crush Day, and Black and Gold Day. On T-shirt and Hat Day, students wore their favorite or most unusual hat, and the T-shirt that was most loved by each person. Gang Day was one of the most creative days of the entire week.



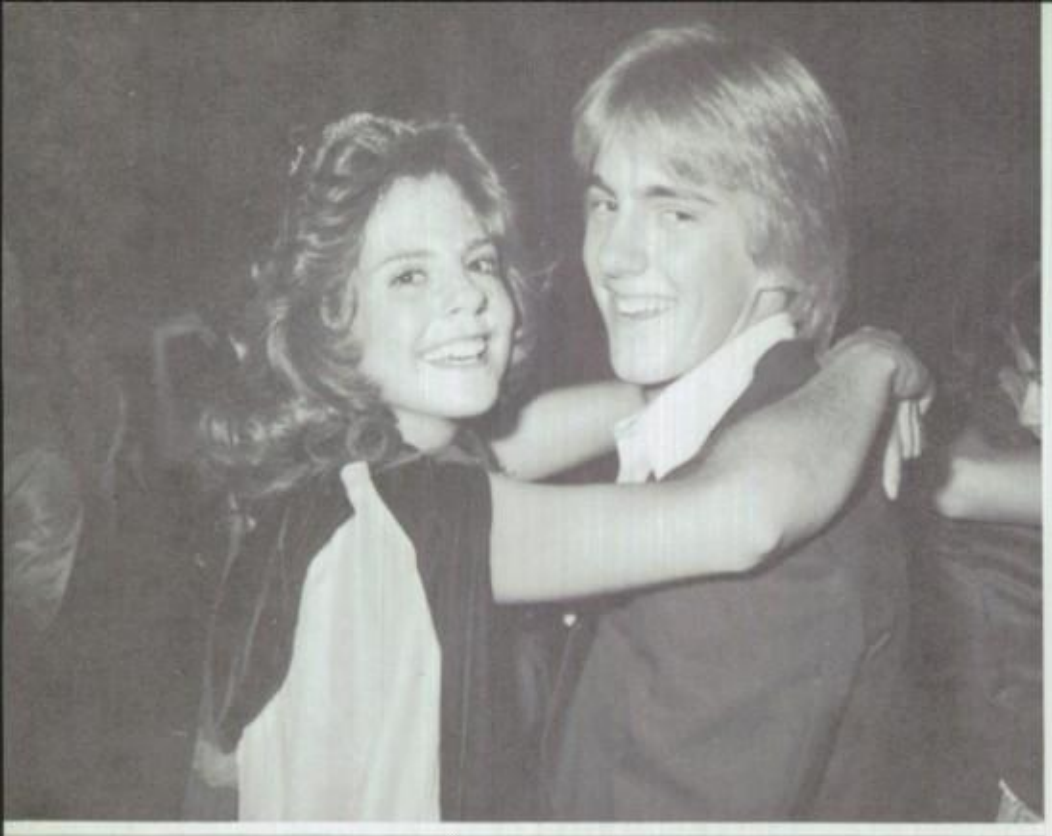
This year was the best turnout for new and different ideas. Many people dressed alike, and some very interesting costumes were worn. On "I Hate Boys" Day, every girl in the school was given a piece of construction paper with I Hate Boys written on it. Throughout the day, the girls could not talk to the boys, or they would lose their button to the boy that had made them talk. The next day was I Hate Girls Day, and the boys could not talk to the girls. Both days were extremely amusing! On Orange Crush Day, everyone dressed in orange and blue, supporting our citie's football team. Black and Gold Day was a day for representing our fabulous school by displaying the unique color combination of our school, black and gold. Toga Day, as usual, was hilarious as people dressed in sheets of all colors; white, blue, pink, green, and even purple! The traditional powder puff football game between the senior girls and the junior girls took place on our football field. The senior girls were victorious, and it was a funny event-especially with the male cheerleaders entertaining the audience. Green Mountains school parade was next.



The School Parade was a colorful, exciting event this year. All of the floats, the band, the cheerleaders, the athletes, our school's Royalty, and some representatives of the city of Lakewood began their riding or walking up to Green Mountain from the Dunstan back parking lot. Every class had a float entered in the parade, as did many clubs and activities. As these people and floats traveled up Wright Street, students from Dunstan, Devinny, and Green Mountain High marveled at the cheery sights. Finally, the date of the Homecoming Game arrived. The school fully supported the Varsity Football Team in every possible way. The night of the game was cold, the sky was black, and the snow was beginning to fly, but the Homecoming Game was fantastic.

We defeated our opponent, Golden, with an excellent score of seventeen to zero. At halftime, the band put on a wonderful show, and then the Royalty was Crowned. Then four members of the Cross Country Team, Allen Filson, Anne Couture, Steve Mills, and Laura Anderberg ran two-hundred and twenty yards around the track, carrying inflamed torches in the silent, black night. The effect this had on the people was stupendous. Pride overtook all that looked on. After the game, many people went out to eat at a favorite place, and visited with returned past graduates of Green Mountain.

The Homecoming Dance was held in the school cafeteria from 7:30 to 11:30. It was a very formal affair and everyone had on suits



and dresses. Corsages and Bootineers were given and received, and the excitement of those who were to participate in the elegant affair mounted. Many of the couples went out to eat at nice restaurants before coming to the dance. Good manners, lots of smiles, and happy people could be seen everywhere. The music at the dance was good and almost everyone wanted to dance. Everyone had a great time.

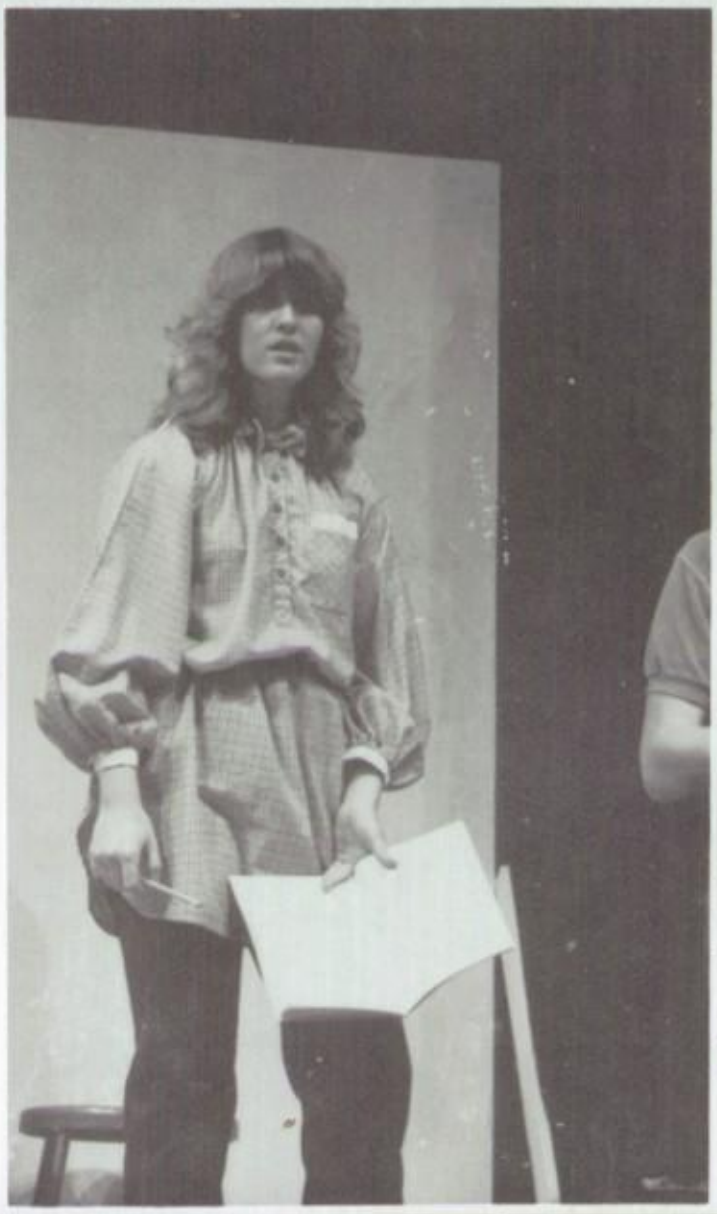
The Homecoming King this year was Doug Dalton, with Joslin Marsaglia the Homecoming Queen. The Senior attendants this year were as follows: Paul Witherspoon and Debbie Nalty, Brian Carr and Lori Chavez, Steve Lohrentz and Tracy King, Pat Williamson and Val Ropes, Steve Oleson and Melaine Long. The people representing the Ju-

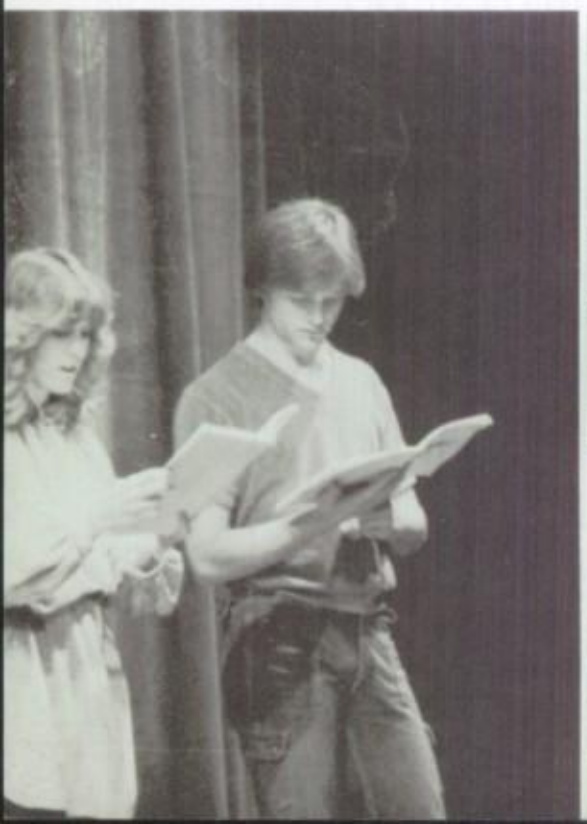
niors were Dan Patreck, and Anna McCourt. Sophomore Attendants were Mike Vigil and Melinda Yarborough. The Freshman Class was represented by Sherri Johnson and Steve Rons.

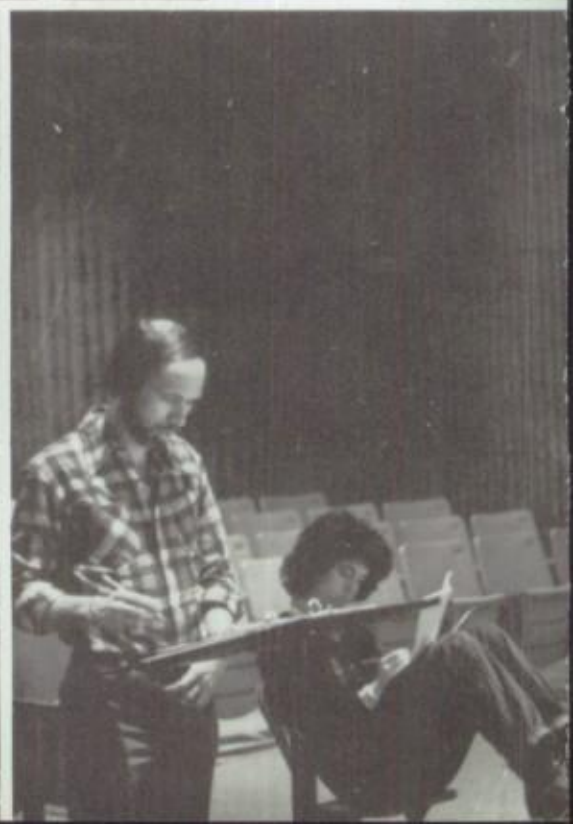
As it has been proven in the past, it has been proven this year that Green Mountain High School has a lot of excellent school spirit. Everyone that participated in any of the events that were involved during Homecoming Week is a welcome supporter of our school. In the future, we hope to make Homecoming Week an even more popular event. Homecoming, in every aspect, was a truly spectacular event this year, and because of all of the extraordinary students here at Green Mountain High, nothing less could have been expected.

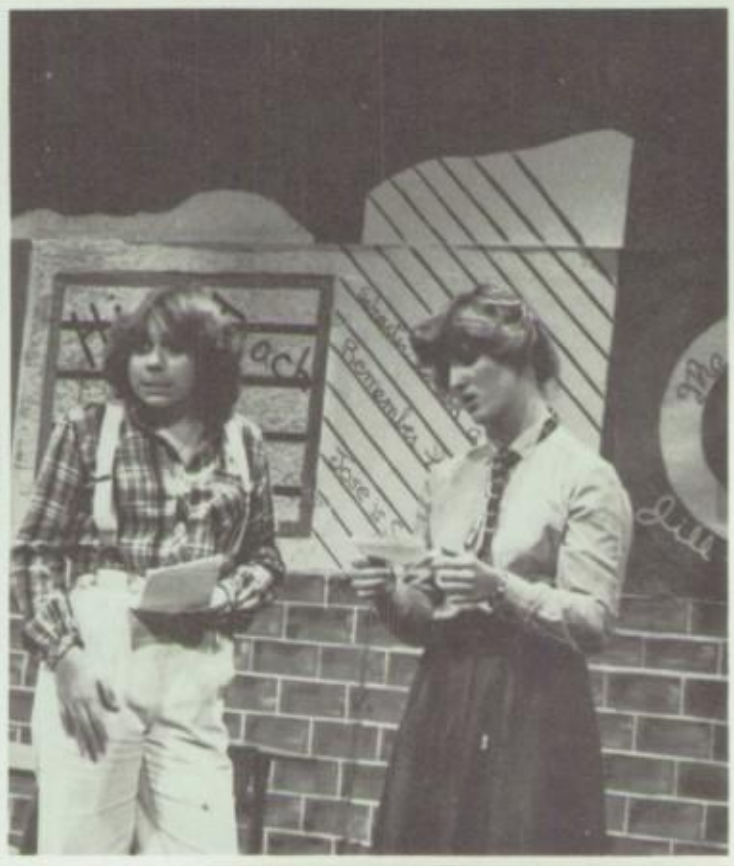
FALL PLAY

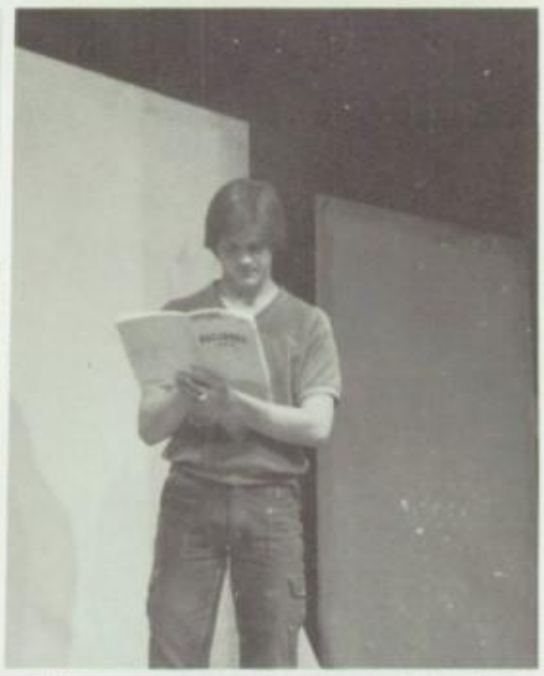
This fall's play was Up the Down Staircase. The story was about the first day of school for Sylvia Barrett, played by Deirdre Halacy. She soon gets caught up in the many problems of the students of Calvin Coolidge High School. The principal was Mike Bonger, and the faculty was played by Deirdre Halacy, Kerri Anderson and Kevin Cogswell. The school staff was Jim Thermos, Beth West, Stacey Sutton, Elise Dugwyler, Scott Miller and Mary Ryan. The students in room 304 were played by Steve Lohrentz, Dan Bell, Serene Hedin, Sharon Weist, Dee Lynn Garnett, Dave Walder, Kathy Rydburg, Barry McLane, Rita Amstutz, Jeff Sundby, Marcie Martin, Valery Hoffer, Cory Seymour, Barry Kisselman and Frank Prince. They all did an outstanding job portraying the mixed-up bunch of students in room 304.





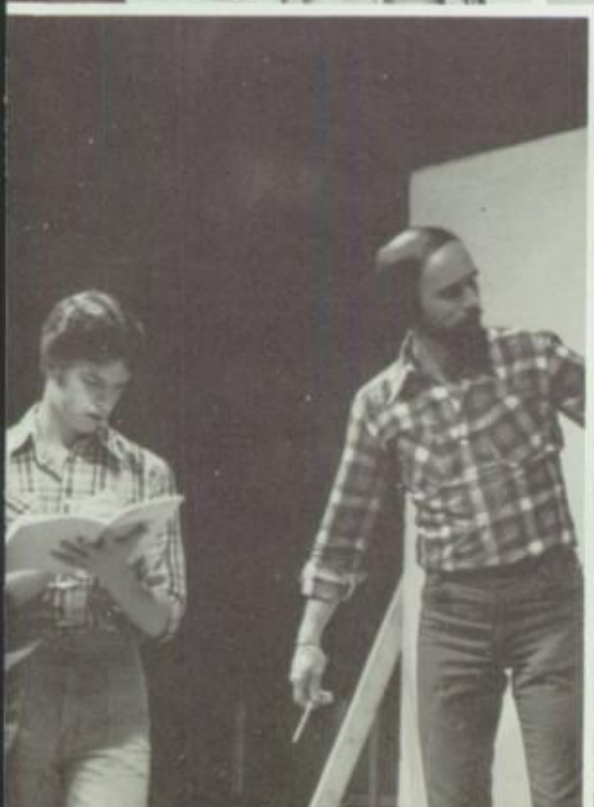


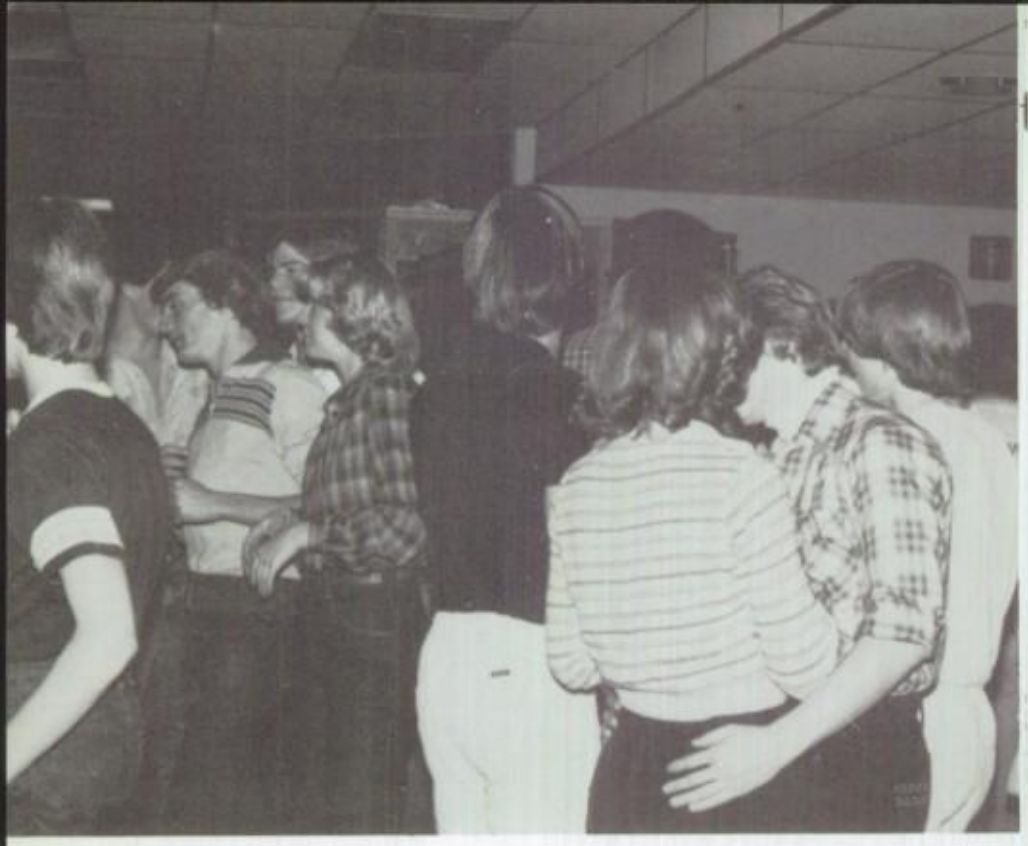


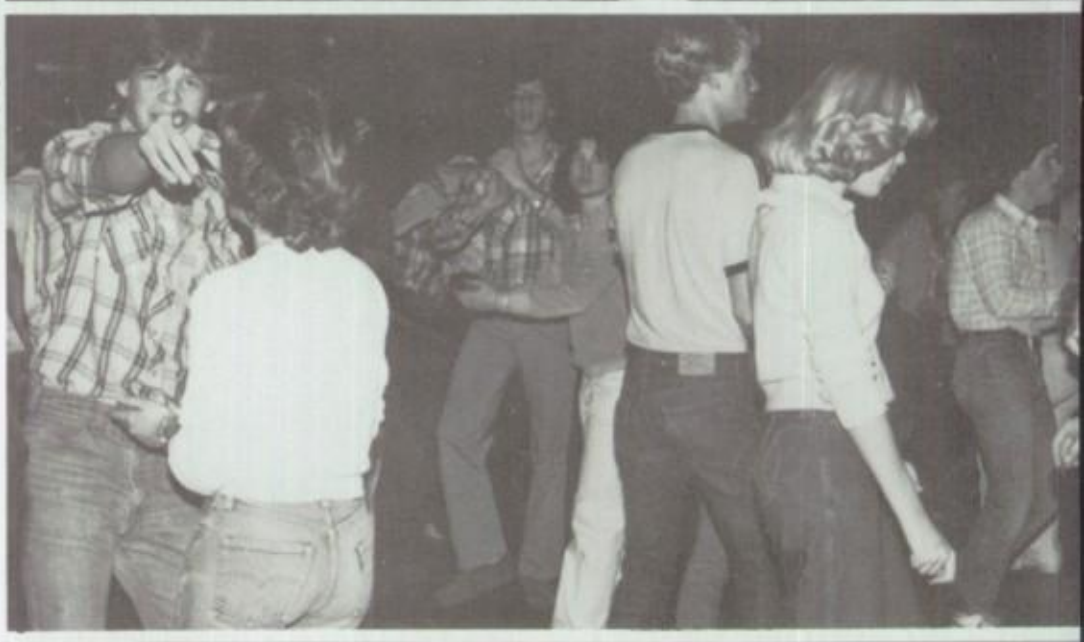


The other students in the play were acted out by Lea Angela Lobmeyer, Deb Sronce, Ann Lehman, Lynda Hess and Kristen LaVoie. The production was directed by Bud Simmons and the rest of the production staff consisted of Lea Angela Lobmeyer, Bob Jones, Stacey Andrus, Julie Morlan, Joyce Zingleman and Dave Wood.

"Up the Down Staircase", written by Bel Kaufman, ran from November eighth through the tenth. Mr. Simmon's Acting I classes and the Speech and Theatre ninth grade classes did a super job in producing some unique entertainment for Green Mountain High School. Students from our school and neighboring schools and families from the Green Mountain area always delight in seeing the fall play and supporting the drama department at our school.







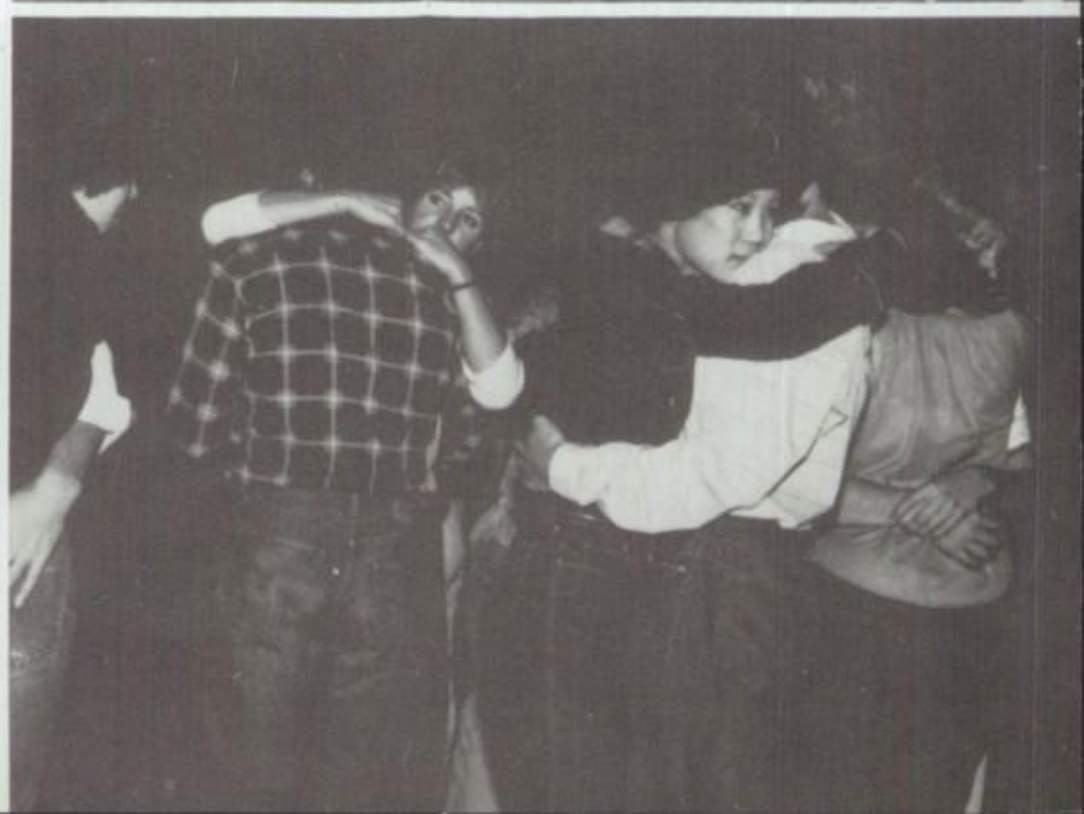
DANCES

From the time we first entered this school as freshmen, we started wondering about "the best years of our lives". "Will I get a boyfriend?" "I hope we win the Homecoming game!" "I think this computer hates me." "Oh God, please let me go to Prom!"

Dances are a very important part of our high school years. Senate organizes the dances as money raisers, but more importantly, they put them on as a chance for everyone to get together and have a lot of fun. Music is provided by discos for all of the dances except three, Homecoming, Winterfest, and Prom. Live bands are provided for only these three events because of the cost.

What happens at dances? A lot! First of all, there is a whole lot of dancing. The dances usually started at 7:30 and lasted till 10:00 or 10:30. During this time, there was usually a dance contest or you could join a train and show your stuff.

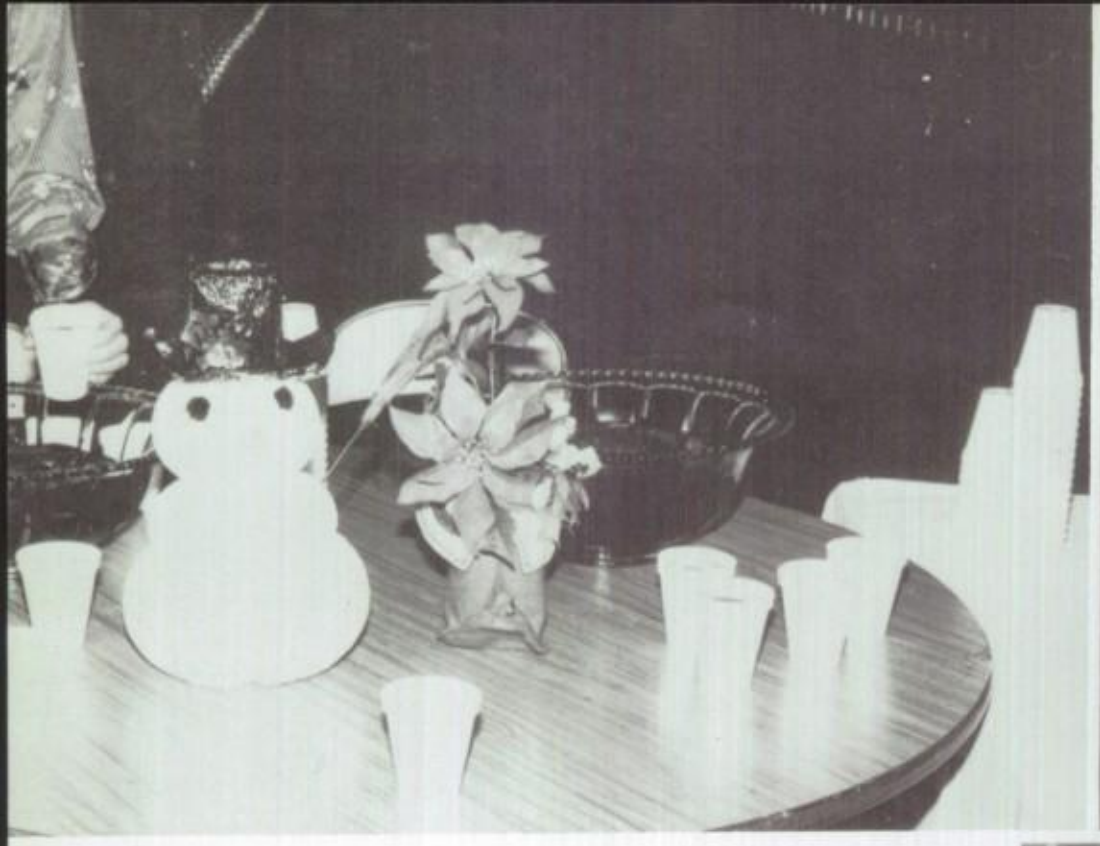
This year Senate planned one dance a month which could always be counted on as a prosperous night. In September, Senate was right on top of things and Green Mountain hosted a dance



the very first week of school. There was a great turnout, because everyone was anxious to get together with friends and get the music beat back into their bones after summer vacation.

The next dance in line, was one of the big affairs of the year, it being of course, the Homecoming dance. Held Saturday, September 29, 1979, the dance was one of the best ever. Music was provided by "Round Tree" and the dance was held from 7:30 to 11:30. Leading up to the dance was a week of fun activities like "I Hate Boys Day", "Black and Gold Day", chariot races and, of course, the Powder Puff football game. The Homecoming dance will be long remembered.

In October, there was a Halloween dance sponsored by Concert Choir that came off pretty well. Everyone was supposed to dress up and if you didn't, the entry price was higher. That night there was a "best costume" contest, in which there were first, second, and third place prizes. In November the "Turkey Dance" was scheduled, but because of approximately twenty-five inches of snow, the dance and school was cancelled. December brought about the Christmas



DANCES CONT.

Dance which turned out very well. Friends gathered to have a last night of fun before they all left each other for Christmas vacation.

When 1980 came rolling in students wheeled around and danced to the rock-n-roll beat of a few decades ago, the 50's! These are always fun dances as the music of Elvis and all of the other great artists seep into our bones, and we let loose with "The Twist" and other greats. Everyone had to dress in the attire of that time, so we donned our parent's sweaters, greased or tied back our hair, rolled up sleeves and pant legs, and hopped and bopped all night!

February, the month of hearts and love, brought about the second big dance of the year, that being Winterfest. This event brought in sweethearts and some couples hoping to become sweethearts. Music was provided by "Horsetooth Canyon" and again, it was another big success. A week of activities led up to the dance which included dress up days, flower and locker note sales for Valentines Day and the sale of "Class of 1980" t-shirts.

Orginally, there wasn't a dance planned for

March, but when the Turkey Dance was snowed out, Senate rescheduled, and we had Thanksgiving in March! Turkeys and kites! What a combination. It, of course, turned out great like all the others. Moving on to April, the girls got a chance to make sure they went to at least one dance, and that was Sadie Hawkins. This dance was designed for the girls to ask the guys, and a "once in a blue moon" chance for the guys to save money and let the girls pay for everything. Everyone put on their jeans and plaid shirts and had a "foot-stompin'" great time in April.

There is one dance left by May and it is the biggest of the year. This being the Junior-Senior Prom. The night in every girl's dream, and the girl in every guy's dream. The Junior Class saves money all year to find the best ballroom, and to hire the best band, so that the seniors can graduate from Green Mountain having one of the best times of their lives, Saturday night, May 17, 1980.

That's what dances are all about in high school, in any high school, anywhere. But Green Mountain has some of the greatest dances to remember in "the best years of our lives".

WINTERFEST

This year at Green Mountain the Senior class put on another wonderful Winterfest dance. The week was full of spirit with blue Monday, Tuesday Texas cowboy day, Wednesday was warm Wednesday, Thursday red and white Valentines day, Friday was wear your favorite clothes. It all ended with the dance on Saturday with Winterfest.

The theme for this year's dance was Stairway to Heaven.

The dress was formal. The band was Horsethief Canyon.

Royalty was announced at the Winterfest dance
Queen Debra Nalty

WINTERFEST

King Bill Rooney
Senior Attendants
Bryan Carr, Lori Chavez
Steve Lohrentz, Melanine Long
Brian Miller, Val Ropes

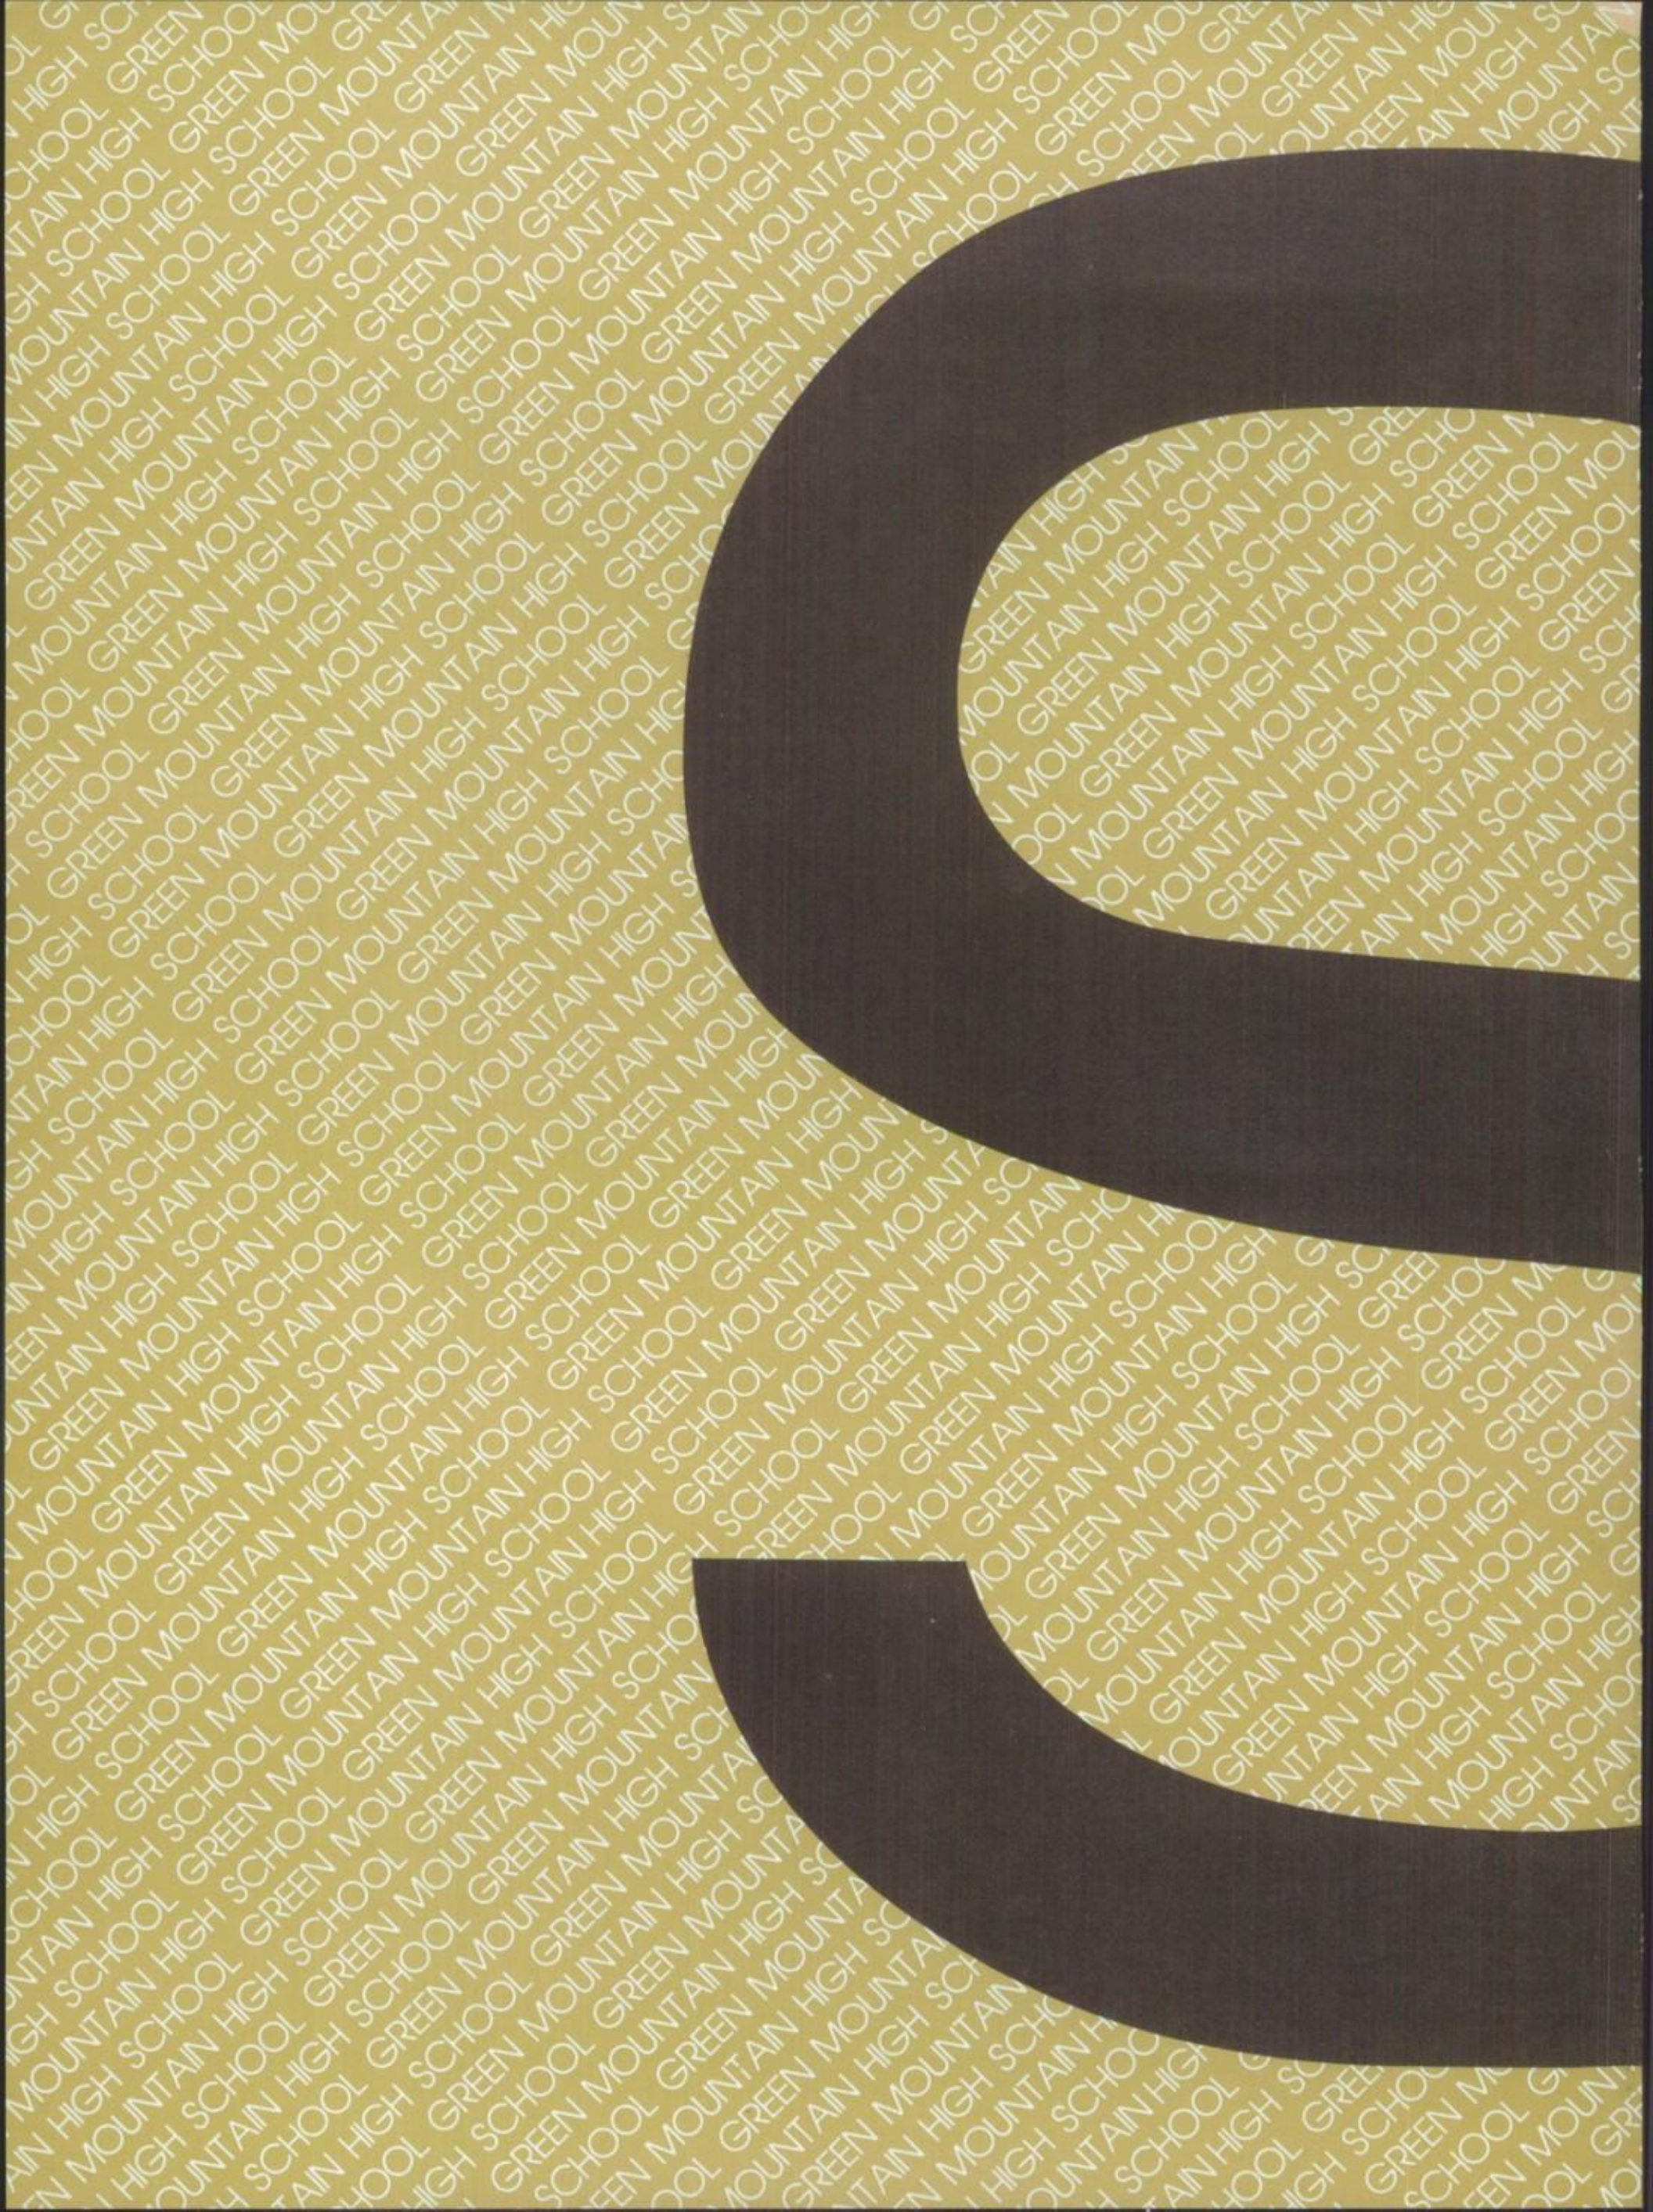
Winterfest ended at 11:30, but the thought of it will always be around.



GREEN MOUNTAIN HIGH SCHOOL

ACTIVITIES
CLUBS

STUDENT BODY OFFICERS

"The activities of the 1979-80 Student Senate probably did not have an effect on the world situation, but this group of people made a difference to Green Mountain High School. The Purpose of Senate is to serve the Student Body, and if one student became more involved and interested, Senate achieved an important goal. Through activities such as Homecoming, Canned Food Drives, Health Awareness Week, and Prom, we can be sure of student involvement. However, the seemingly less important activities of Senate were the most significant. "New Student" parties and giving out "warm fuzzies" were just a few ways that we tried to congratulate people for just being alive. Inwardly, I realize the 79-80 Senate has been a huge success, because everyone really cared. To care about something, to have a "cause", makes a person complete. This school year has been one of ups and downs, successes and failures, but it is something to be proud of. I'd like to wish every person at Green Mountain High School the best of luck. You can make your life everything you want it to be."

Debbie Nalty
Student Body President

"After eleven years of lectures, and homework, my senior year has finally arrived. All of the anticipation I felt had finally paid off. I owe a lot of my success in my final year at Green Mountain to this year's Student Senate. Not only did the 48 senators join the student body in all possible ways, but together they became better leaders, as well as individuals. Student Senate is by far one of my most rewarding experiences. I highly recommend every student in the coming years to get involved with the organization. I wish you all success in the coming years. Hope to see you again soon."

Sharon VanDyke
Student Body Secretary

"High school could not have possibly meant as much without Senate. It is one of the many fantastic learning experiences available at Green Mountain High School. In the four years I have been fortunate enough to serve the Student Body through Senate I have experienced many different aspects relating to real life. One is that of change-things constantly changing for the better and for the worse. Another invaluable lesson I have learned through Senate is to get involved and to MAKE A DIFFERENCE in the lives of other people. I thank you for this opportunity and may God bless you all!"

Jim Thermos
Student Body Vice-President

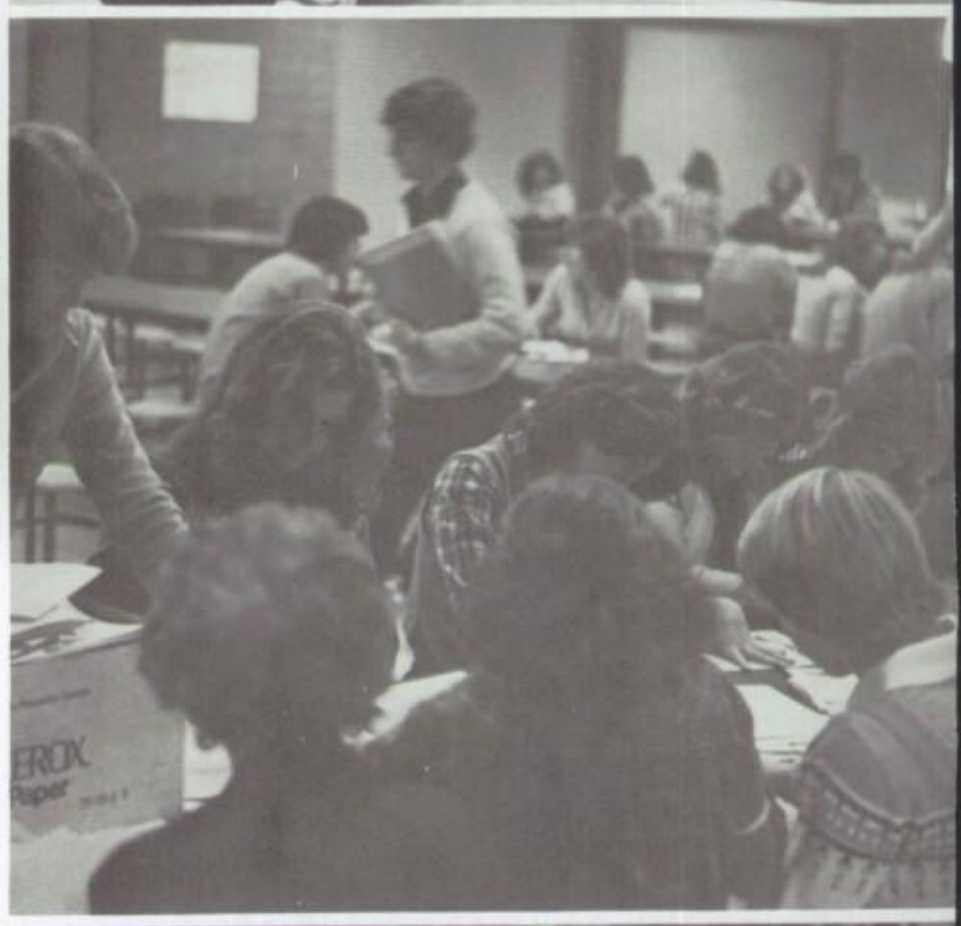
"It's not a class of taking notes or writing a research paper, or even taking a single test . . . no, not Senate.

Senate is a class of 50 teachers and 50 students. Every individual must contribute a piece of his own self in order to learn in the class.

What a student learns is not numbers or theories or facts, but responsibility, patience, and above all, confidence in standing up for one's self even if 49 other people should be against him.

Senate is a unique class where every student is a piece of paper to be written on and a pencil which writes upon others."

Anna Marie Mantei
Student Body Treasurer



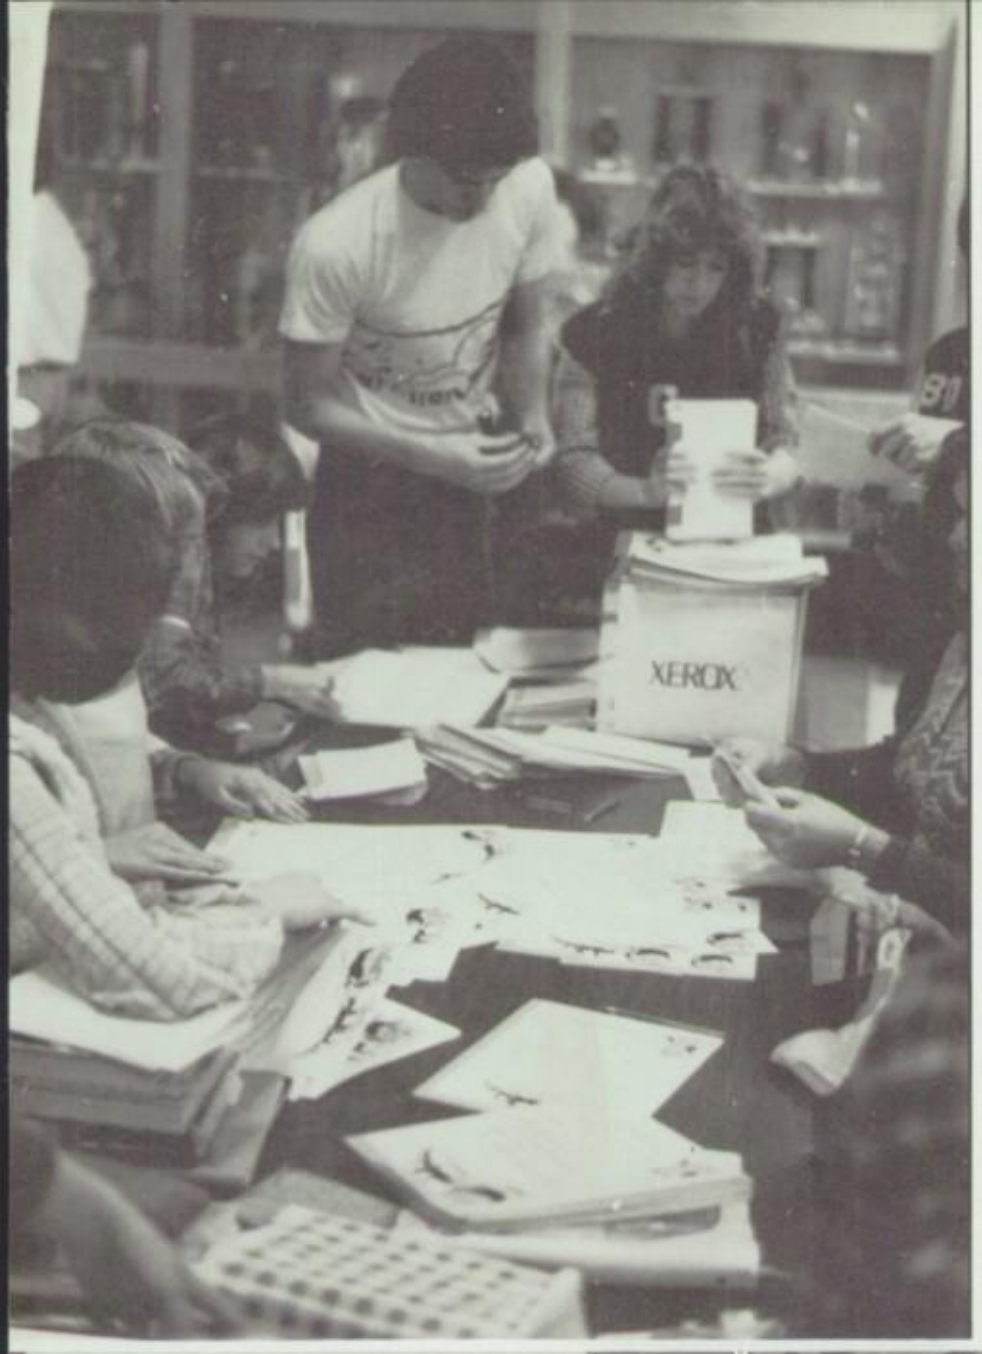
SENATE

SENIORS

President-Brian Miller, Vice President-Bill Rooney, Secretary/Treasurer-Ann Vigil. Senators-George Barker, Lori Chavez, Doug Dalton, Cheryl Hesterwerth, Peter O'Donnel, Scott Walker, Paul Witherspoon, Leon Short. The Seniors involved in Senate this year were responsible for the Thanksgiving Dance, Winterfest, the Senior Retreat, and Graduation. The Senators said they feel good about leaving Senate in the hands of such compotent people.

JUNIORS

President-Steve Cappellucci, Vice President-Laura Ludwig, Secretary/Treasurer-Cheryl Chavez. Senators-Stacey Barr, Kelly Cronin, Debbie Hill, Jill Kawano, Corrine Vitry, Debbie Taylor, Michelle Sosa, Bernadette Parisi. The Juniors are working hard to give the graduating Seniors a prom not to be soon forgotten. They made over three thousand dollars selling candles and are doing to sell t-shirts in January and February.



SOPHOMORES

President-Meagan Nalty, Vice President-Marilyn Tanigawa, Secretary/Treasurer-Val Bascom. Senators-Diane Thermos, Gina Wilson, Patti Mancinelli, Shelby Hueneke, Evette England, Thea Hew Len, Val Hepp, Laura Luttrell. The Sophomores planned the Spirit Week preceeding the annual Sakie Hawkins dance. They had an assembly which included a "greased pig" contest and a "find the needle in the haystack" contest between classes.

FRESHMAN

President-Rafael Suarez, Vice President-Sara Cappellucci, Secretary/Treasurer-Michael Dunn. Senators-Annette Vitry, Julie Campbell, Pam Patrick, Cindy Boom, Vicki Hepp, Ann Morrisette, Kim Harsch, Chuck Reid. The Senators organized an assembly to welcome the youngest class to our school and to promote Freshman involvement in school activities.

Mrs. Dawn Troup-sponsor

VARSITY CHEERLEADERS

The cheerleaders for varsity football were very successful this year. The squad consisted of eight girls; three seniors and five juniors. These members were Val Ropes, Tracy King, Joslin Marsaglia, Sandy Dillon, Corrine Vitry, Apryl Bennett, Lisa Carlson, and Beth Ahrenkiel.

The squad attended an ICF cheerleading camp this summer in Boulder. There are five other girls who joined the squad; they were Terri Spykstra, Laura Ludwig, Beth Fitch, Tracy Tucker, and Melanie Long. These girls were on the varsity basketball and wrestling squads. These thirteen girls came out very successful in bringing home a first place finish out of twenty-five other squads and a very long week of hard work.

VARSITY CHEERLEADERS

The varsity wrestling squad consisted of the talents of Sandy Dillon, Colleen Monahan, Beth Fitch, Michelle Miller, and Tracy Tucker. This squad had all new girls except for Beth Fitch and they had proven themselves to be able to work very well together.

The other varsity squad is the basketball squad, the members were Val Ropes, Terri Spykstra, Joslin Marsaglia, Tracy King, Kathy Kussmaul, Lisa Carlson, Laura Ludwig, and Melanie Long. The squad was very strong in pyramids and worked very well together.

The Green Mountain Cheerleaders won a trophy for excellence in state competition this year at Doherty High School in Colorado Springs.

JUNIOR VARSITY CHEERLEADERS

The junior varsity football squad for the year was Laura Lutrull, Gina Guinn, Tamie Coleman, Kelly Wiley, Sheri Vaniger, Kim Kawano, Marilyn Tanigawa, and Gina Wilson. These girls showed fine entertainment and we hope to see them back next year.

Another of the junior varsity squads is wrestling; these girls are Marilyn Tanigawa, Gina Guinn, Kelly Wiley, Heidi Silver, and Susan Ciroki. This squad worked very well together and showed a great deal of enthusiasm.

The last of the junior varsity squads is basketball. The girls on this squad are Corrine Vitry, Melinda Yarborough, Valorie Bascom, Kim Kawano, Laura Lutrull, Gina Wilson, Beth Ahrenkill, and Jean Jirikowic. This was very good for this Squad and they proved themselves to work very well together.

FRESHMAN CHEERLEADERS

This school year's 1979-1980 freshmen cheerleaders consisted of five enthusiastic young girls. The captain was Sheri Johnson, heading the group consisting of Amy Morsett, Wendy Miller, Colleen Martinez, and Amy Ahrenkiel. They did a fine job and the school can look forward to future performances of the same quality.

POM PONS AND MASCOTS

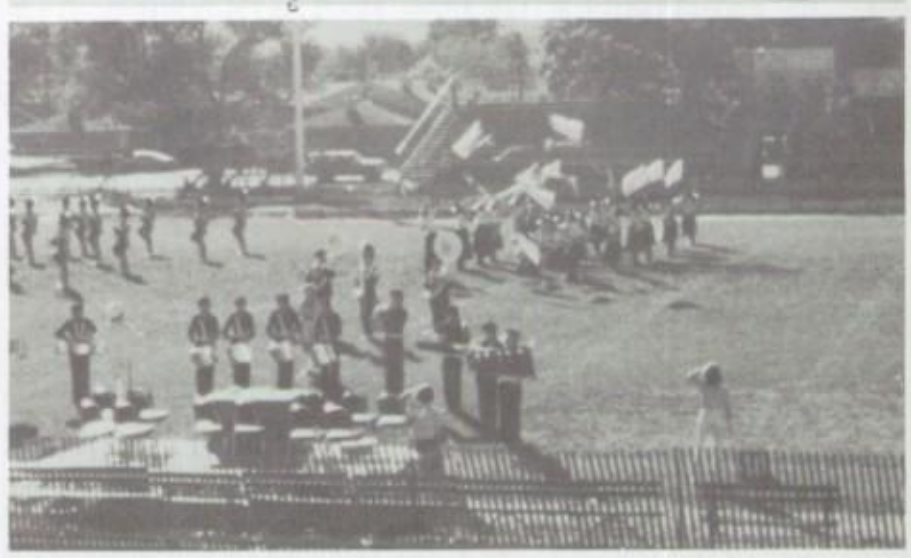
The 1979-1980 Green Mountain High School Pom Pons were the most energetic and dedicated group of spirit leaders this year. They performed during the halftimes of our football and basketball games. They created an aura of enthusiasm throughout the crowd with their impressive routines. These dedicated young women spent long and hard hours rehearsing and perfecting their routines for each and every game. The Pom Pons of Green Mountain were Jan Damon, Kerry Carson, Dianne Metcalf, Stacey Barr, Donna Marshall, Sandy York, Lori Pierpoint, Carolyn Johnson, Kelly Harrington, Cindy Wilson, and Linda Mathis.

The Ram's mascots this year were super pep leaders in their ram costumes. The Ram mascots were Cindy Morse, Kay Marks, and Thea Hew Len.

PEP BAND AND COLOR GUARD

Pep Band is a band made up of musicians who want to go to the basketball games and support our great athletes with fun music and rowdie cheers. Most of the people in pep band are in marching band but they can come from any of our other fine bands. The band is sponsored by Mr. Fulte and Mr. Waltman of our music department. We owe special thanks to the pep band for giving the games and pep assemblies an extra lift.

Led by Captains Kim Ryan and Carmie Sherlock, the Green Mtn. High School Color Guard added brilliant color and precisely executed drills to the Marching Rams show. The guard also competed during the winter in color guard competitions. Their sponsors are Mr. and Mrs. Earl Carlheim. Members are: Connie Cofrank, Kelly Fritzler, Cheryl Froseth, Theresa Haberer, Pam Hughes, Jayleen Lee, Laura Lucero, Patty Mancinelli, Marilyn Mitchell, Kathy Murphy, Karen Naper, Bridgette Romero, Jamie Ryan, Kathleen Scroggins, Abha Singh, Suzy Smith, Tammy Vega, Pam Wagner, Lori Wilkinson, Kathy Woodring.



MARCHING BAND

The Green Mountain Marching Rams have completed their best season ever. The band is under the leadership of Mr. Fulte, Mr. Waltmann, drum major Doug Dalton, and drum majorette Michelle Law.

The band consisted of one hundred and four instrumentalists and twenty-three guard members. These hard working individuals rehearsed during seventh hour and gave up four hours of their Saturday mornings to make the greatest marching band Green Mountain has ever had.

They placed first at the Jefferson County Band Invitational, second at the Colorado West Invitational at Grand Junction, fifth at the Colorado Band Masters association in Boulder and seventh at Englewood Band Day. They have also participated in Lakewood on Parade and were the leading unit in the Homecoming Day Parade.

Green Mountain Marching Rams

Baritone- Rob Forbs

Bells- Kevin Cogswell, Sue Fedro, Colleen Radecki

Clarinets- Darrel Andrus, Lori Bender, Jan Castleman, Lisa Chambers, Susie Groves, Debbie Hall, David Hightower, Janet Hillier, Doreen Klein, Melinda Korb, Lori Law, Connie McLaughlin, Lisa Nicholson, Joan Peschong, Mark Richmond, Laura Ryan

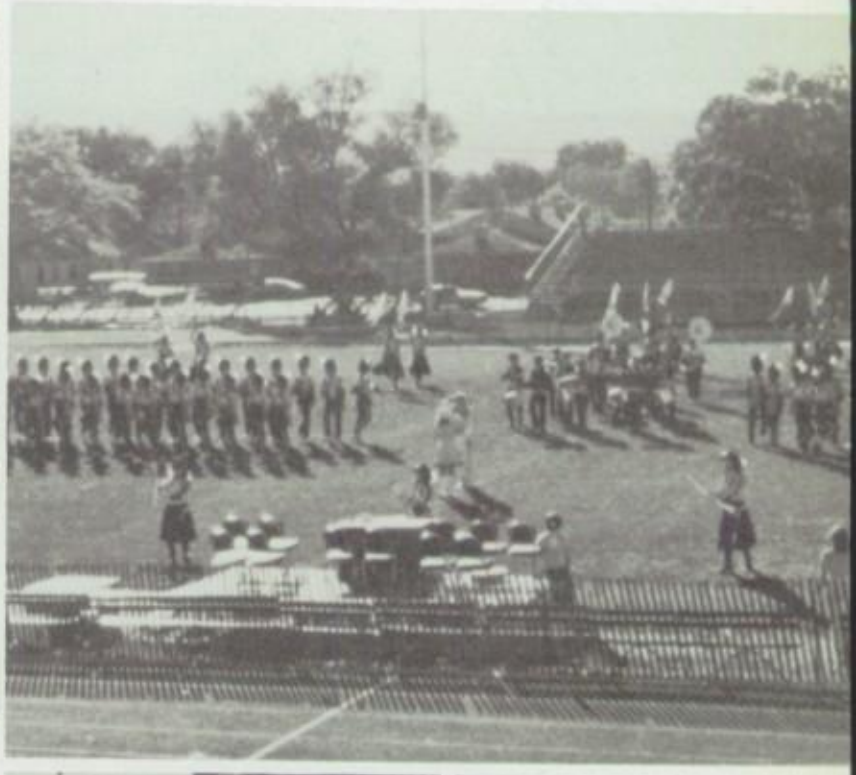
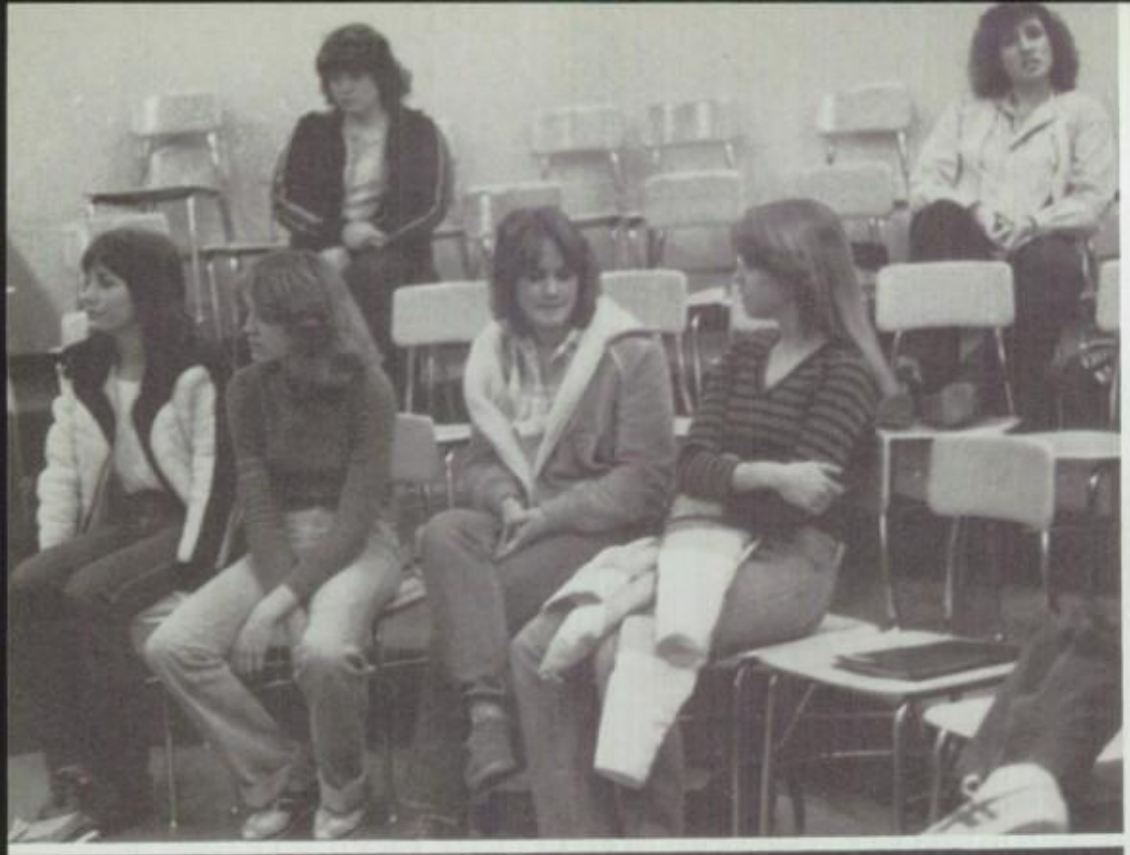
Tubas- Mike Ryan, Eric Weichert

Drum Majors- Doug Dalton, Michelle Law

Band Manager- Ann Lehman





MIXED CHORUS

Mixed Chorus is a nonselected group of both men and women who enjoy performing as a group. These people range in age from grades nine through twelve. They're doing a wonderful job with their singing.

ADVANCED WOMEN'S CHORUS

Advanced women's chorus consists of excellent female singers. The class is important because it prepares them for their concerts. These students perform many times during the school year. They are a marvelous group of people.

ALL STATE CHOIR

All State Choir is an extremely honorable group of talented singers. Students must be selected from thousands of other singers to become a member. Members concentrate mainly on proving that Green Mountain is the best. All State members were Christina Blunt, LeAngela Lobmeyer, Elise Dugwyler

GIRL'S CHOIR

Girl's Choir is made up of sophomores and freshmen who love to sing. These Green Mountain High School students work very well together and thoroughly enjoy their many performances throughout the school year.

Greg,
It was fun in Deutsch
Take care, Good Luck
Paul Stoutt

Shadows of the Mountain is the select performing group made up of twenty-two of the best singers in the school. Under the direction of Mr. Steve Meininger, and with the aid of a pianist and drummer, Shadows provide lively entertainment for people of all ages. Shadows perform at school with Spectrum and Concert Choir, and they enrich the lives of people in the community by singing at places like nursing homes and for community meetings.

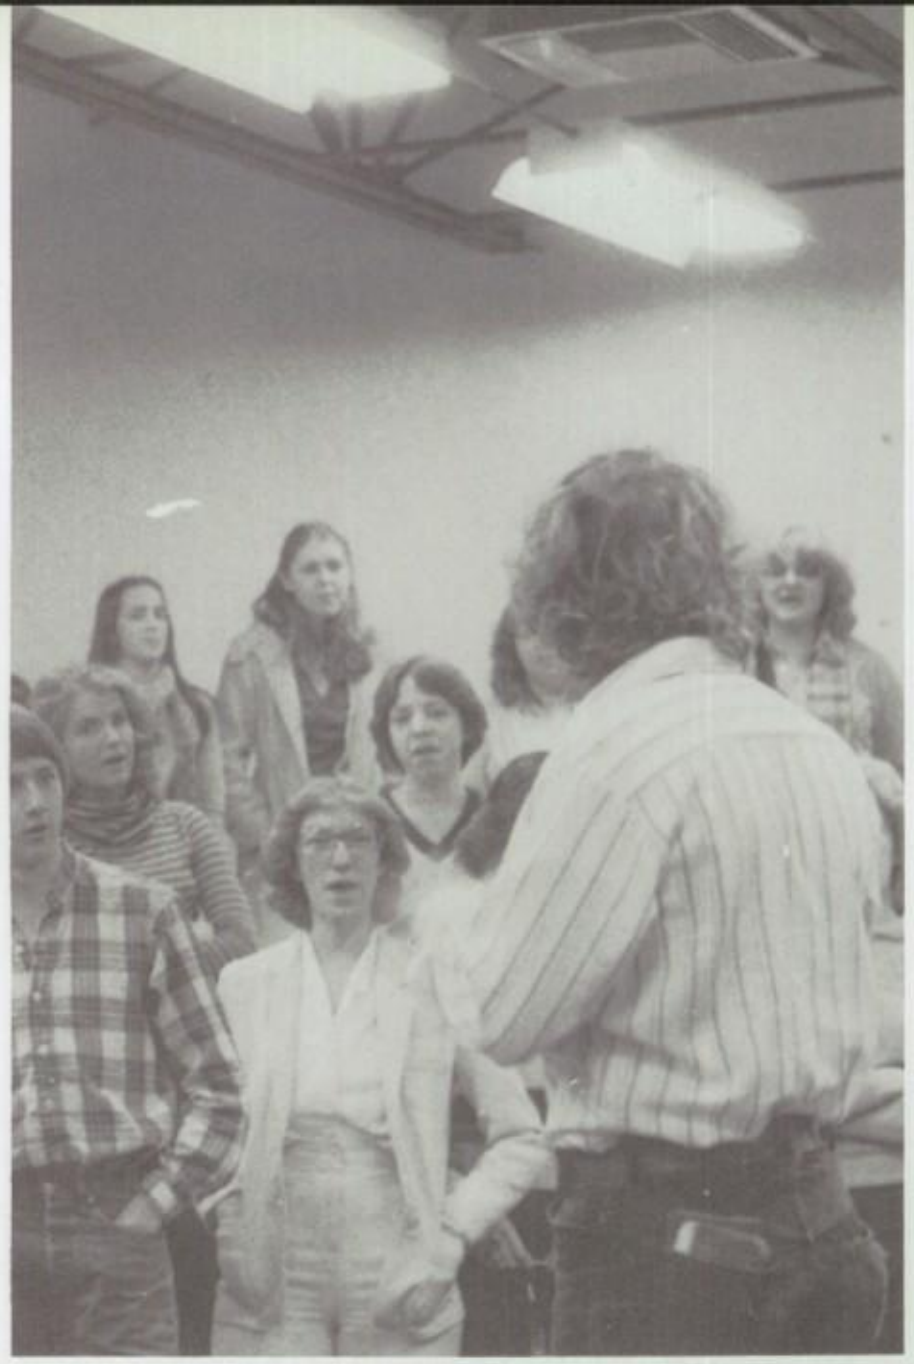
When you go to a Shadows concert you can be sure you'll see a good show. They not only sing but they do dances to the music. Shadows do their own choreography, which consists of more than circles and lines. Shadows practice during seventh hour daily, sometimes using the hall in front of the Tech. Arts rooms to perfect their dances.

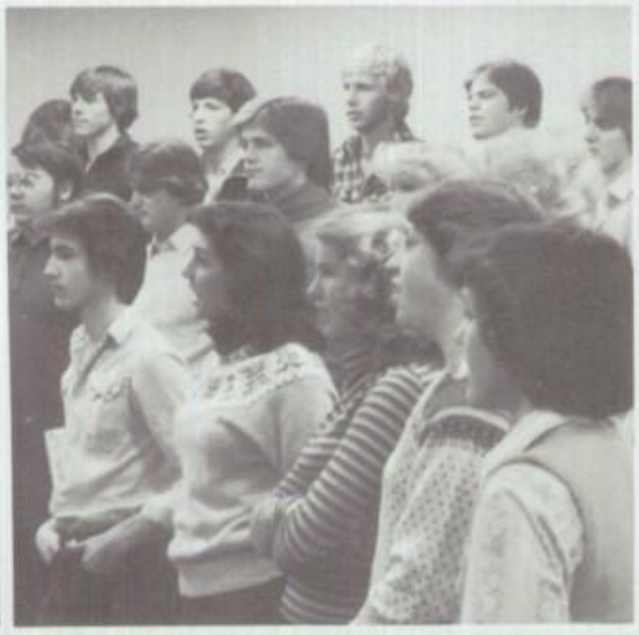
One of the highlights of the year is the annual tour, either with Concert Choir (this year), or with Spectrum (last year, to Chicago). They toured high schools in Colorado for four days this year.

Shadows raise part of their money for their tour by selling Santa-Grams at Christmas time and some work at the Bronco and Bears games during the season. Shadows of the Mountain is certainly a distinguished group at Green Mountain that deserves a lot of recognition for the fine things they do.

CONCERT CHOIR

The Green Mountain Concert Choir is a collection of the finest voices from our school. Members of the choir are chosen through rigorous auditions, under the direction of Mr. Meininger. Concerts were performed at the school, at elementary schools, and local churches. The choir planned an extensive Colorado tour, in which they performed in cities all across the state. Three members of the choir received All-State honors, they were: Elisa Dougwyler, Christina Blount, and Lea Angela Lobmeyer. Choir President was Christina Blount. Section Leaders were: Soprano-Sharon West, Alto-Kerri Anderson, Tenor-Scott Walker, And Bass-Darren Chilton.





WIND ENSEMBLE

Wind Ensemble is an elite group of talented students. They must pass intense tests, prepare a solo piece, and sight read before they are accepted into the group. This group consists of 53 students.

This year, Wind Ensemble members will take a 3 day tour to Dillon and Leadville. They will perform two concerts each day and stay in private homes one night and spend one night in a lodge.

Every year, Wind Ensemble performs four concerts, also playing at the biggest event of the year-graduation. Green Mountain High School is very fortunate to have such a wonderful group of musically talented students.

The members of this group are an extremely hard working bunch, spending many hours in school and out of school practicing. They must memorize pieces of work and know exactly how to play each note on their widely varied instruments. This group is absolutely outstanding.

CONCERT BAND

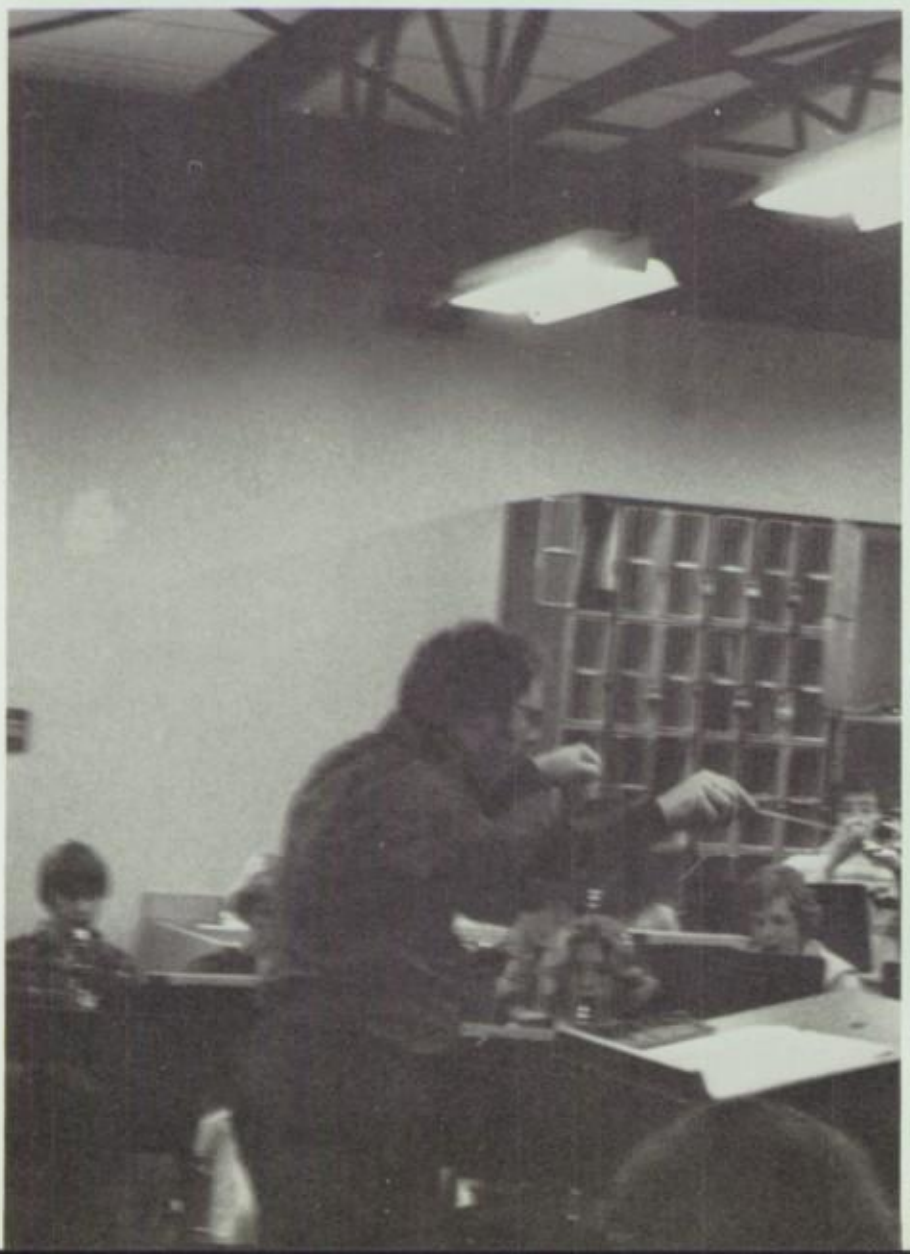
Concert band is the basic band at Green Mountain. Made up of approximately sixty students, mostly freshman, the band performs three concerts a year. Rehearsals are held everyday during seventh hour. Director Ted Fulte tries to instill the importance of music in the younger members of the department who hope to belong to wind ensemble in coming years.

SYMPHONIC ORCHESTRA

Approximately twenty people make up Symphonic Orchestra. Sophomores, juniors and seniors combine their talents to produce fine concert literature, which they perform at three concerts during the year. At second semester winds and percussion are added to the strings for the musical, which was Oklahoma this year.

SYMPHONIC BAND

Symphonic Band is the largest band at Green Mountain High School. Among the more than sixty members are students from the sophomore, junior and senior classes. It is the middle step between Concert Band and Wind Ensemble. They perform three concerts under the direction of Mr. Dan Waltman throughout the school year.



SPECTRUM

Spectrum is the jazz ensemble at Green Mountain. This performing group is made up of the finest musicians in the school, who put their talents together to acheive the best of everything in music. Their repertoire consists of not only jazz, but easy rock, ballads, golden oldies, and some popular. Being able to play all different types of music pleases all types of audiences and Spectrum certainly entertains a lot.

The year started with Spectrum helping establish music in kids lives by giving concerts at the four elementary schools. They did a Fall and Spring concert with Shadows and a Spring concert with Wind Ensemble.

Spectrum and Wind Ensemble went on a three day tour around the state the last three days of February. That was where the different types of music came in handy, because they played for high schools and a university.

Spectrum also entertained at a wrestling match, a pep assembly, and of course the Homecoming float display at the Green Mountain Plaza. The band also did out of school concerts for business meetings and benefits for organizations.

Mr. Fulte is the extra magic behind the band. He knows all of the little things that make a good band, the things that make the perfect sound, and Spectrum certainly has that.

MEMBERS

Saxaphones: Bari-Jon Strodtman, Tenot-Jean Johnston, and Stephanie Rauzi, Alto-Kevin Cogswell, and Laura Lidinsky.

Trombones: Mike Young, Steve Cogswell, and Todd Robbins, Bass Bones: Chris Primus, and Brad Petch.

Trumpets: Mark Greenleaf, Michelle Law, Steve Lohrentz, Doug Dalton, and John Powell.

Rhythm Section: Drums-Mike Howell, Piano-Phil Gonring, Guitar-Todd Warner, and Bass Guitar-Matt Park.

Director: Mr. Ted Fulte

HISTORY CLUB

History Club was developed for the people at Green Mtn. who have a special interest in the Arts. The club listens to speakers, visits museums, and they see plays and movies. The club's sponsor is Mr. Dennis Hastings and members include; A. Schuy, A. Campbell, P. Bender, P. O'Donnell, Suzy Smith, C. Radecki, M. Gonring, J. Ivey, B. Petch, L.J. Miller, B. Arnold, M. Richmond, M. Allcott, M. Law, D. Rice, R. Hammer, C. Mikus, C. Sherlock, G. Barker, G. Haas, S. French, L. Shipley, C. Scott, L. Guffey, L. Lidinsky, D. Seals, S. Groves, L. Hodgins, P. Stinson, T. Vaninger.

DOMESTIC EXCHANGE

The Domestic Exchange Club was made up of about twenty people who participated in an exchange with students from Lord Botetourt High School in Daleville, Virginia. Each group of students were in the exchange state for eight days. While in Colorado, the Virginia students went skiing and visited the Air Force Academy among a lot of other activities. The Colorado Students were taken to Washington D.C. by their Virginia sponsors. The club's sponsor is Mr. Mick McPhee.

FORENSICS

Forensics is a competitive speech team at Green Mountain High. Green Mountain Forensics members participated in nearly 20 tournaments this year throughout Colorado. In all of these meets superior performances were turned in by Green Mountain Forensics members. Among these accomplishments were Dan Durham winning second place in Jefferson County in Dramatic Interpretation and Steve Conklin winning second place in the county in Boys Extemporaneous Speaking. At the county championships held at Arvada High School December 14-15, Green Mountain's team placed fourth out of twelve county schools.

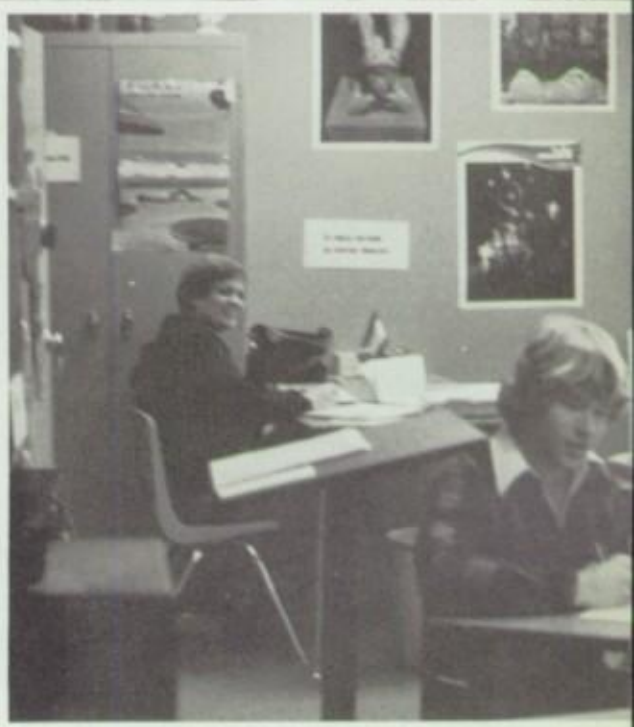
Three important tournaments highlight the third quarter schedule: The District Qualifying Tournament March 7-8 at Mullen High, the University of Wyoming Invitational in February, and the State Championships March 14-15 in Colorado Springs. These tournments help members increase their speaking abilities. Officers are: Mark Vincent-President, Nancy Malmquist-Sec. Treasurer, Tom Ritz-Sergeant-at-Arms, Ms. Norton-Sponsor, and Steve Conklin-Vice President.

LATIN CLUB

Latin Club at Green Mountain is a social organization under the sponsorship of Mrs. Fairbanks. Members must have an interest in the Latin language and have successfully completed two years of Latin.

Officers this year are Ellen Fales, President; Rick Roehm, Vice President; Gayle Groninger, Secretary; Chris Primus, Treasurer; David Hightower, Public Relations; and Janet Small, Historian. Members are; Chuck Fisher, Jean Franklin, Michele Giometti, Marci Martin, Sue Meier, Liz Myers, Bryce Morris, Nordy Thompson and Julie Valentine.

These members participate in many Latin related activities such as; bakery good and craft sales, an initiation banquet, and a graduation banquet, to honor the Seniors in May.



SPANISH CLUB

Spanish Club consists of members who are currently taking Spanish classes and are interested in learning more about the Latin American culture. They sponsored activities for the exchange students from Campeche, Mexico. The club also had a cultural display for Homecoming.

FRENCH CLUB

The French Club, is a growing club of individuals who are presently taking French classes. These students participate in activities centered around the French language and culture. They also take part in an annual cross country ski trip.

H.E.R.O.

H.E.R.O. is a 2-year vocational program designed to prepare young people to experience different Home Economic Occupations throughout their junior year. It also combines related classroom instruction with on-the-job training in their senior year at Green Mountain. Students enrolled in the H.E.R.O. Program are also members of the H.E.R.O. Club, whose primary purpose is the development of leadership and citizenship of H.E.R.O. youth.

The H.E.R.O. Catering Club offers their services to cater luncheons and dinners at the high school. This opportunity provides practical food quantity production experiences for club members.

At the end of the junior level program, one and a half credit hours are earned toward graduation requirements. One half credit is for second semester on-the-job training. Two class credits are awarded to the senior who has successfully completed the requirements of this related occupations class. All this is achieved through the help and guidance of the teacher-coordinator, Mrs. Sharron Swenson.

DECA

The Members of the Distributive Clubs of America are a bunch of friendly, ambitious people. These students make up an important part of our school. The Green Mountain School Store is run by the club members. In this manner, they are able to acquire experience in business procedures. Our school store is a very valuable asset to the everyday lives of the people that attend Green Mountain. From the school store, food, drinks, candy, gum, and school supplies can be purchased. The store will not try to cheat you because it is run by such dependable people.

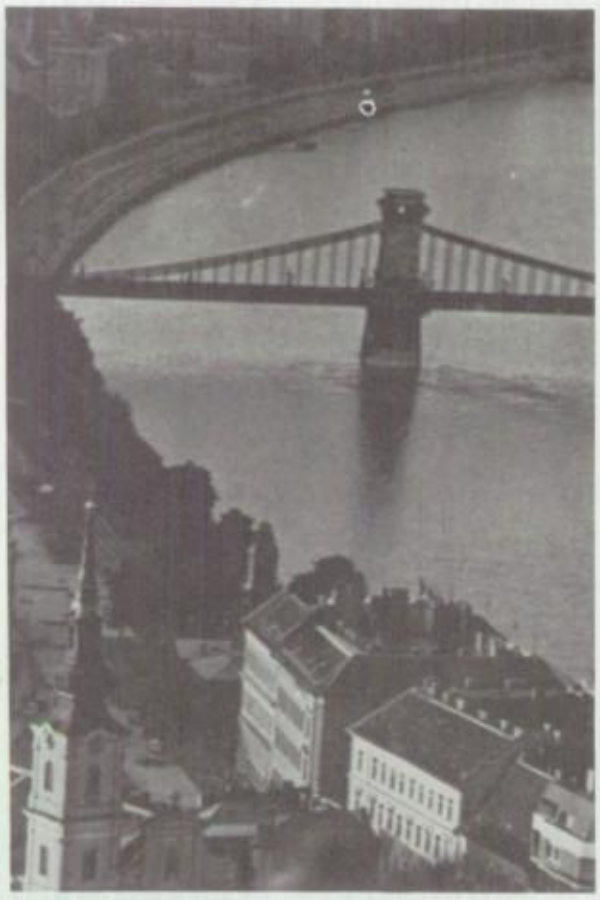
The sponsor of Distributive Education Clubs of America for Green Mountain is Mr. Mast. Mr. Mast advises the members on their work, and makes sure that they are learning new skills. In the past, Green Mountain has won some of the top awards in D.E.C.A. competitions, while the proud students learn techniques which will later aid them in the Business World.

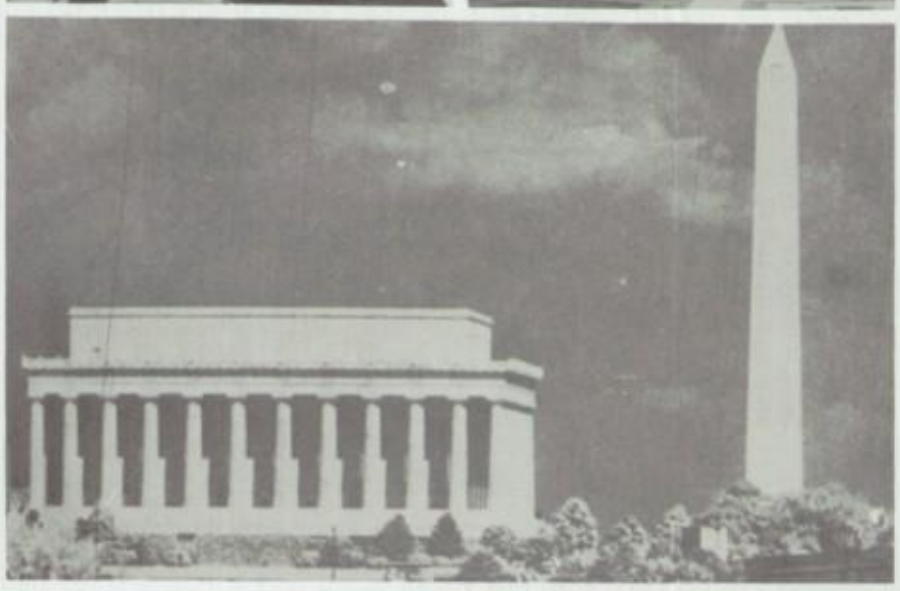
CLOSE-UP

Close-up, sponsored by Ms. Rosno, is an organization formed to involve students in government affairs. The members will visit Washington D.C. during the week of March 30 to April 5. Brigette Crawley, Steve Conklin and Christy Frenzen will participate in various activities, attend seminars, meet government officials and witness some important events in congress.

PEOPLE TO PEOPLE

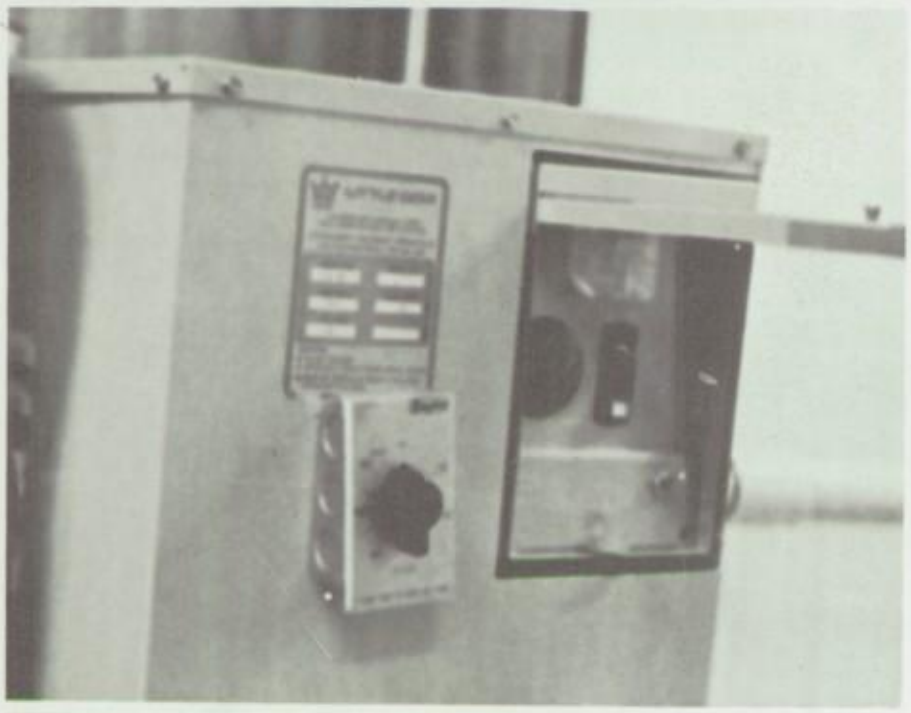
This year, People to People members are taking a trip to Europe from June 17 to July 24 or 25. They will visit England, France, Germany, Austria, Holland, Switzerland and Czechoslovakia, During the spring, the 33 members will be attending meetings in preparation for this big trip. The sponsors of the club are Mrs. Leinaweaver and Mrs. Couture.

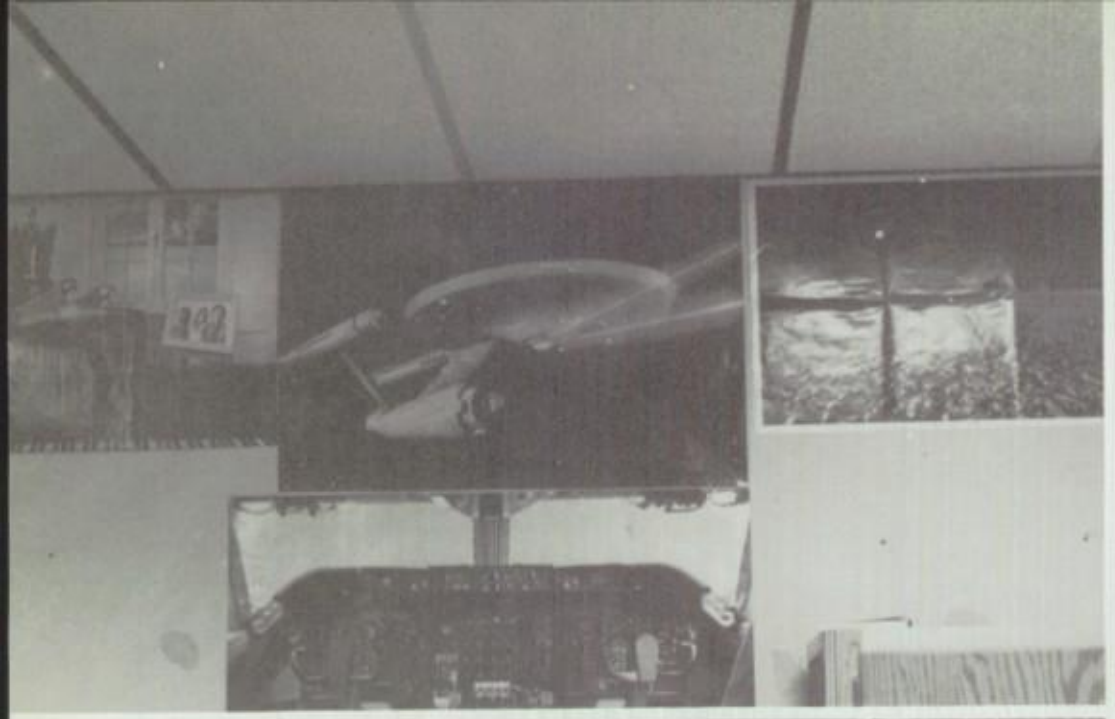


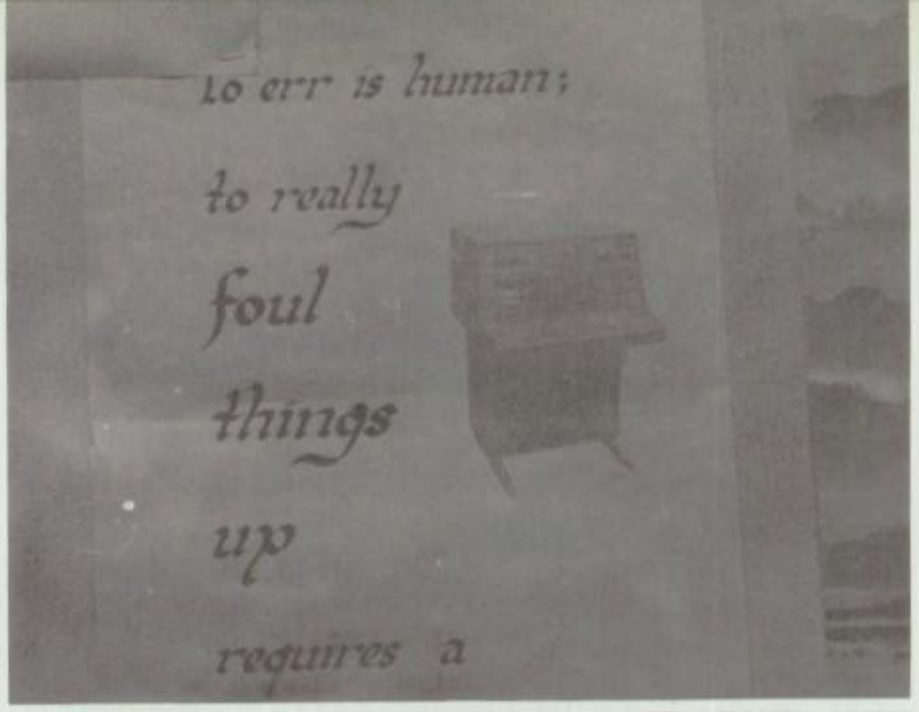


SOCIETY OF SPORTS

The Society of Sports club consists of a group of girls working to upgrade the girls athletic program. The girls usually are involved in athletics somehow. They work on projects such as keeping the facilities in use, like the whirlpool in the girls locker-room. They pick the senior athlete of the year award along with making such decisions as changing the girls letter jackets. Members are: From left to right bottom row, S. Hueneke, L. Anderberg, K. Kronin, S. Hermanussen, H. Martin, S. Forrest. Second row, G. Groninger, S. Silver, J. Schroeder, J. Cambell, A. Morsette, L. Logan, A. Mantei. Third row, L. Mozingo, M. Dunn, K. Harsch, A. Ahrenkiel, J. Daugherty, M. Vasey. Fourth row, D. Nalty, S. Fedro, L. Smidt, R. Arnone, L. Yeagle. Fifth row, L. Chavez, M. LaFleur, J. Kroll, K. Kelly, K. Moran. Sixth row,A. Fitzpatric, P. Patric, S. Johnson, W. Miller, W. Hubbard.
Officers are:
President-Laura Anderberg
Vice President-Shelby Hueneke
Secretary-Julie Cambell
Member at Large-Missy Johnson



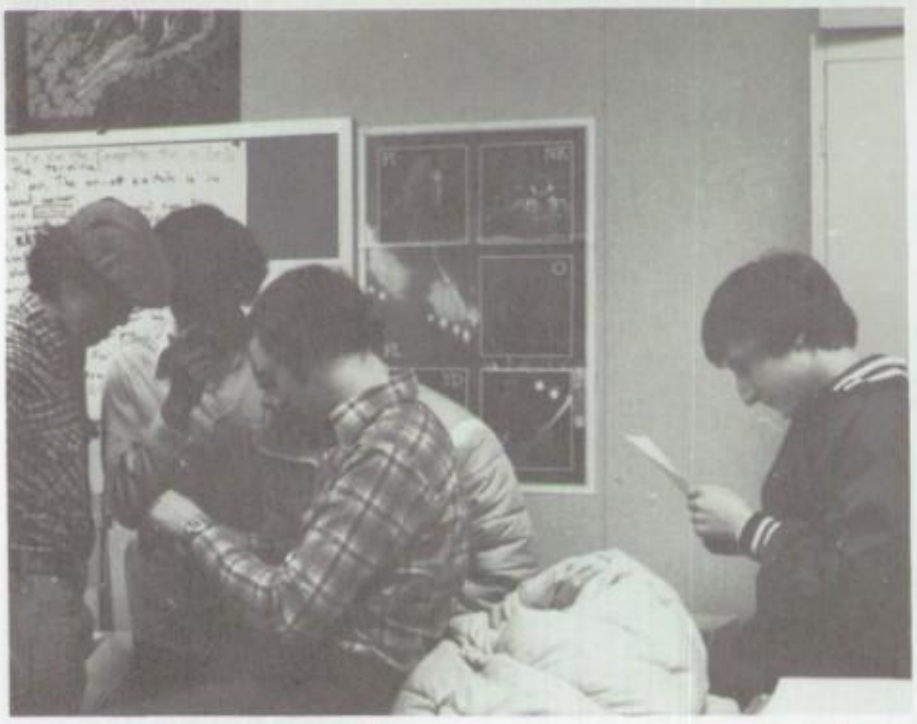




COMPUTER CLUB

Computer club is an organization that has been formed for the benefit of students. The members of computer club assist those people working on programs. They know the computers well, and are trained to work them properly. They have to possess an understanding of complicated mathematical factors. The computer club people have many guest speakers every year who come and explain their own veiws, problems, and new developments in the computer world. The members of computer club take part in contests every year. They enjoy themselves thouroughly and learn new concepts at the same time. Every year computer club people go on a ski trip.

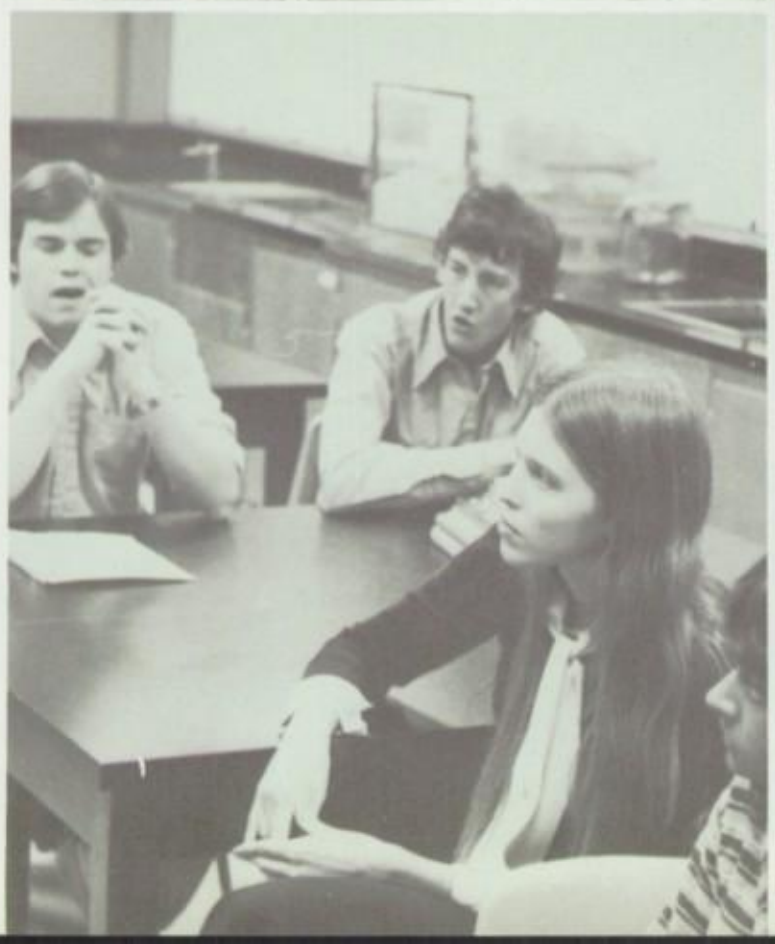
The computer club officals are:
Mike Taylor, President
Blaine Bush, Vice-President
Scott Riley, Secretary
Steve Wells, Treasurer



SCIENCE CLUB

Science Club is a distinguished club here at Green Mountain High School. The members of the club explore science related areas by taking several field trips to various scientific plants. etc., throughout the year. The club usually does two or three fund raising activities every year. The members basically explore the art of science and learn new and interesting things. The new information acquired helps the students to think, and it gradually develops their opinions of science related facts. The members learn to appreciate why and how things happen, and they develop their minds as they learn about new, modern and fantastic things that are only available to them through the use of Science Club.

The members of Science Club are: Mark Allcott, president, Doug Rice, vice-president, Chris Frimus, secretary-treasurer, Ellen Fales, John Heller, John Ivy, Penni Kershaw, Carmie Sherlock, Abha Singh, Chris Smith and Suzy Smith.



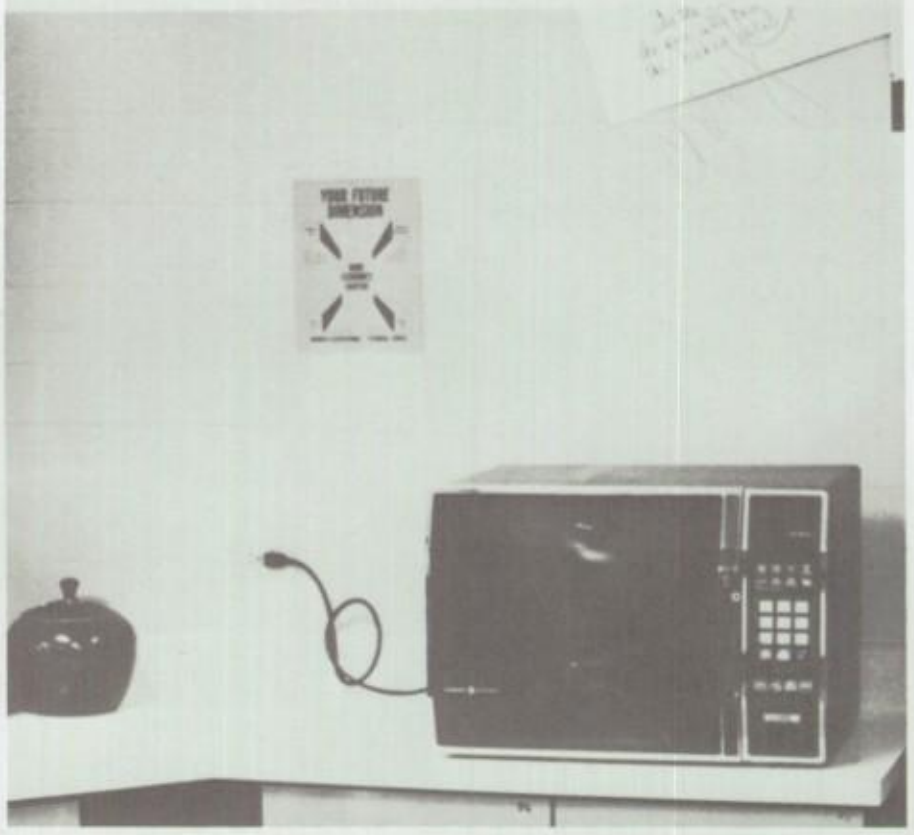
PARSLEY, SAGE, AND RHYME

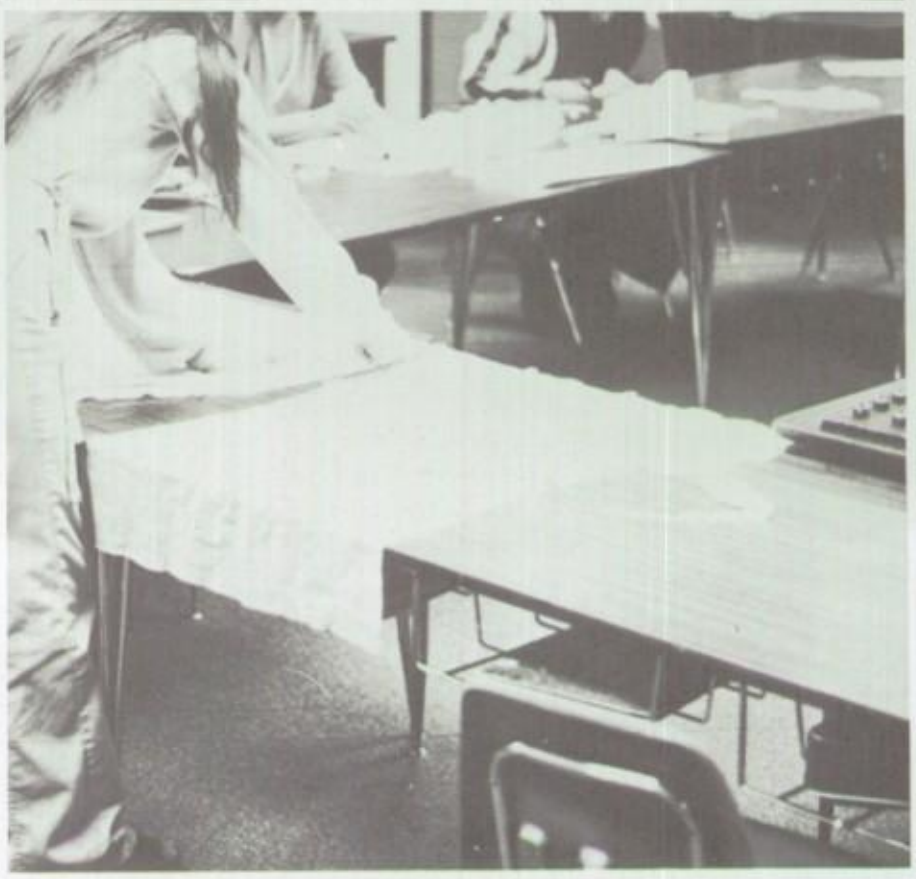
Parsley, Sage, and Rhyme is an organization whose main purpose is to develop the writing and reading abilities of the students at Green Mountain High School. The Group meets once every month during the school year. They read and chose submissions to publish that are interesting or funny articles given to them for a magazine. This magazine will be published in April. Also this year, the members of Parsley, Sage, and Rhyme will be, evaluating elementary school books for Hutchinson Elementary.

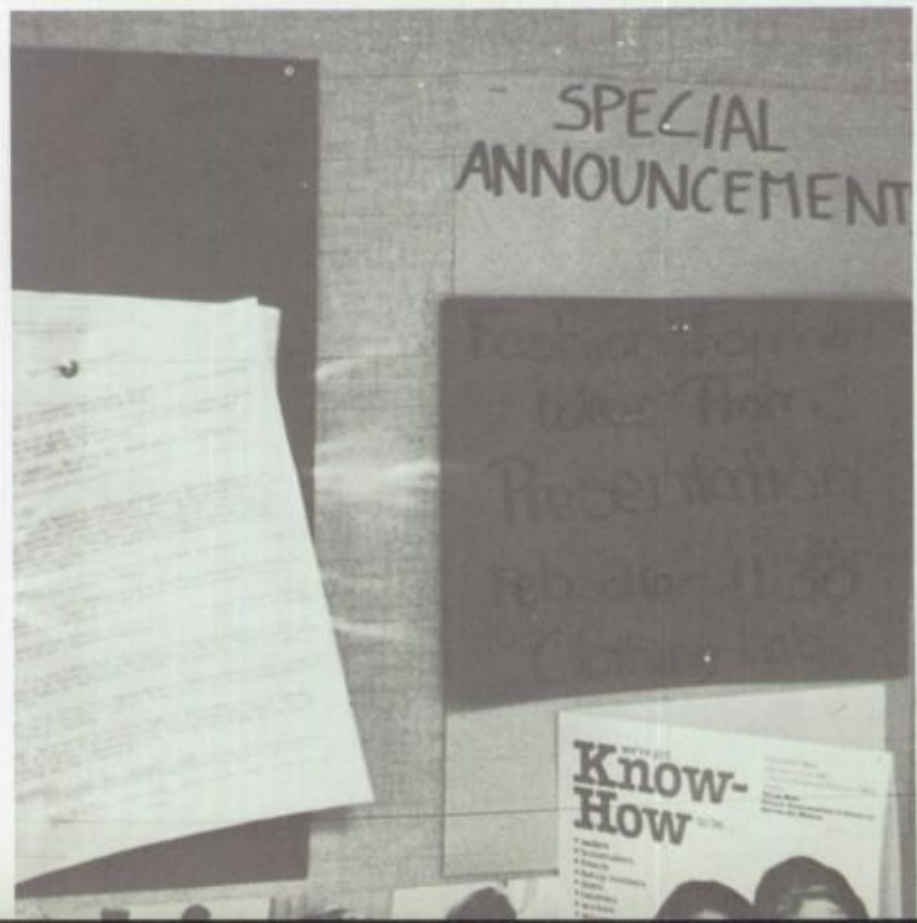
The officers of Parsley, Sage, and Rhyme this year are:
Ellen Fales-Editor
Kerri Anderson-Assist. Editor
Don Knox-Business Manager
Pam Campbell-Liasion Officer
other members include:
Kathy Amberg
Jill Burkholder
Steve Conhlem
Suzy Smith
Mark Vincent
Chris Mikus

THESPIANS

Thespians is a very special club, formed for theatre students. The organization is open to anyone involved in any type of theatre work, either acting or stagework. It is an honor club, and in order to become a member of Thespians, you must accumulate a total of ten points. These points are achieved by participating in theatre productions. These points are standardized throughout the country. Some students earn a total of two hundred points and earn the title of Honor Thespians. These students love to act and be a part of the theatre production world. Thespian members are basically outgoing people with big plans for the future. They hope to make something of their lives through the art of acting. The president of this club is Steve Lohrentz, Vice President is Christina Blount, and Sec. Tres. is Elise Dugwyler. The sponsor is Mr. "Bud" Simmons.





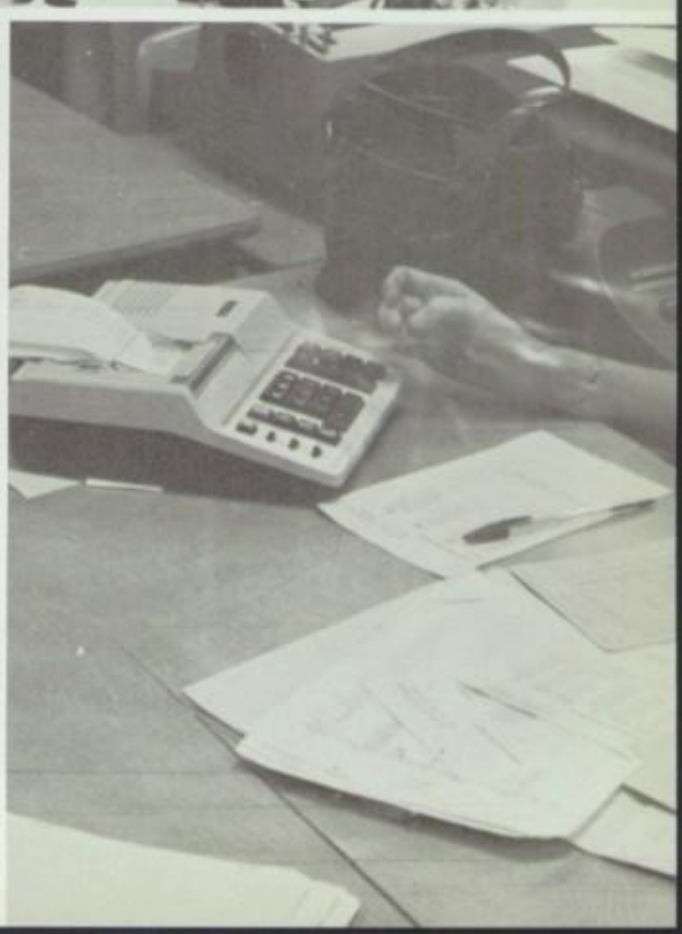


FHA

The Future Homemakers of America is a small club in Green Mountain High which is sponsored by Mrs. Sarah Nesmith. Mrs. Nesmith focuses her teaching on such subjects as learning to deal with stress, the hardships of growing up, family problems such as divorce and separation, learning respect for others, how to handle emotional problems, the pros and cons of running away, learning how to be happy, knowing how to conquer nervous habits, and finally how to become the person you want to become with a new more satisfying personality. This is the first year for Mrs. Nesmith to sponsor FHA, but when one listens to her talk, one can see that the FHA of the future has only begun to grow and develop. Visions come of a large and vital club having to meet in sections and each section catering to different interests — as different as the many skills and interests reflected in the homemakers responsibility.

FBLA

The Future Business Leaders of America Club is an organization formed to help students from Green Mountain develop leadership abilities. The club has forty-six ambitious members. These people are; Deanna Amen, Stacey Andrus, Shelly Barrett (reporter), Theresa Barrett (vice-president), Tracy Bassett, Joanne Busnardo, Cherly Chavez, Connie Cofrank, Silvina Dasero, Lindee Dick, Jenny Dunn, Pam Falls, Kelly Harrington (historian), Lynn Hart, Julie Hernandez, Lynda Hess, Carolyn Johnson, Ann Keith, Penni Kershaw, Theresa Kubacki (president), Sue Little, Shermaine Longo (secretary), Laura Ludwig, Kimm Lykins (treasurer), Donna Marshall, Carrie Maus, Mike McLain, Janet Parsons, Kelly Perisho, Lauri Pierce, Colleen Quinn, Debbie Quint, Elizabeth Robinson, Pat Rosales, Patti Ross, Trenia Schipper, Deanna Seals, Jenny Syren, Linda Telfer, Lafonda Unruh, Kelly Watson, Jenny Weghorst, Tracee Willhite, Sandi Williams, Kathy Young, and Pam Zimmerman.



NATIONAL HONOR SOCIETY

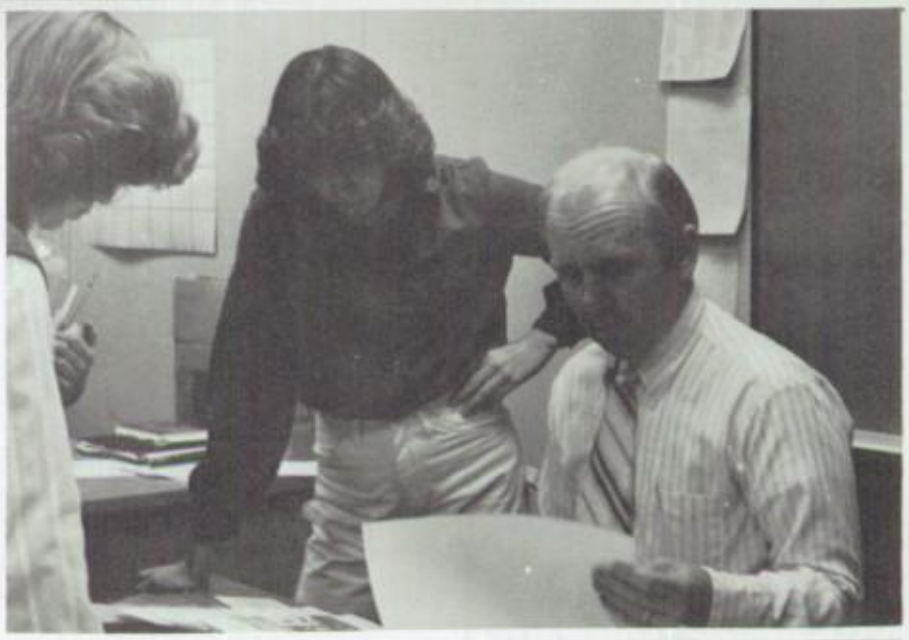
National Honor Society is an organization designed to give recognition to the students of our school with high academic standing. The club's members are the finest academic workers from our school. The members of National Honor Society are chosen by their accomplishments in academic, service, scholarship, and citizenship areas, both in and out of school. Each member chosen must inducted into the club each semester by school officials. Mrs. Cartin and Mr. Henderson are the National Honor Society sponsors. The president was Dan Wollenhaupt; Vice-President-Pete O'Donnell, Secretary-Ellen Fales, and Treasurer-Pam Campbell.

KEY CLUB

Key Club is a nonprofit organization formed to serve unfortunate people. Green Mountain Key Club is one of the most active service clubs in the area. Already this year, they have had canned food drives, have set up a community blood band, and have had a haunted house and they have also provided a Christmas tree for the Children's Hospital, and much more. Every year the members attend a convention and always returned with top awards. Mr. Spang was the sponsor, President was Gregg LaPedus; Vice-Presidnet-Theresa Haberer, Treasurer-Al Hajka, and Secretary-Greg Haas.

RAMBLINGS

This year the members of Ramblings are working extremely hard to produce a good yearbook. We have come up with many good, creative ideas, and several changes have been made in our methods of production. We are doing our very best to give our buyers a great yearbook. Yearbook involves a lot of time and effort. Assignments are given to each person, and these people have to research their certain activity or event. Lay outs have to be made, pictures taken and developed, and copy written. Every month or so, a deadline must be made. Once a year, the members of yearbook plan and vote on a cover for our yearbook. Choices on color schemes are made and members are constantly occupied with making new decisions. The editor for our yearbook this year is Michelle Law, Co-Editor, Lori Hardesty, Copy Editors, Carolyn Dickinson and Mary Stone, Head Photographer, Mark McCain, Film and Print Developer, Russ Koleber. The members of Ramblings include Brenda Allen, Sandy Dillon, Suzanne Estrada, Cindy Law, Diane Lipstrew, Missy McGaugh, Janet Parsons, Debbie Quint, Carol Shoeman, Allison Shride, Heather Smith, and Leslie Stone. The sponsor of Ramblings is Mr. Dale Bartkus..



RAM PAGE

Ram Page is both a class and a club at Green Mountain High School. The members of Ram Page are dedicated, experienced writers. Every month, these people publish our school newspaper. The work involved with Ram Page is often very demanding. Each person in the class is given a certain event to cover. That person hunts around the school and visits different people in order to get good information. They then write up their section, and often place pictures with it. Before the newspaper is printed, all of the items in it have to be glued onto a master blueprint. This takes a lot of work, time, and calculations. the News Editor of Ram Page is Don Knox, Editorial Editor, Greg Haas, Feature Editor, Theresa Haberer, Double Page Feature Editor, Pual Hedge, Sports Editor, Dan Wollenhaupt, Co-Editors, Greg Haas and Don Knox, Advertising Manager, Roger Hughes, Photographer, Dan Lanahan, Advisor, Cheryl Cartin. The Ram Page staff includes Deanna Amen, Tondi Hooker, Gregg LaPedus, Julie McDonald, Chris Mikus, Michelle Mider, Phyllis Morrissett, Kathy Murphy, and Heidi Silvey.

Greg,
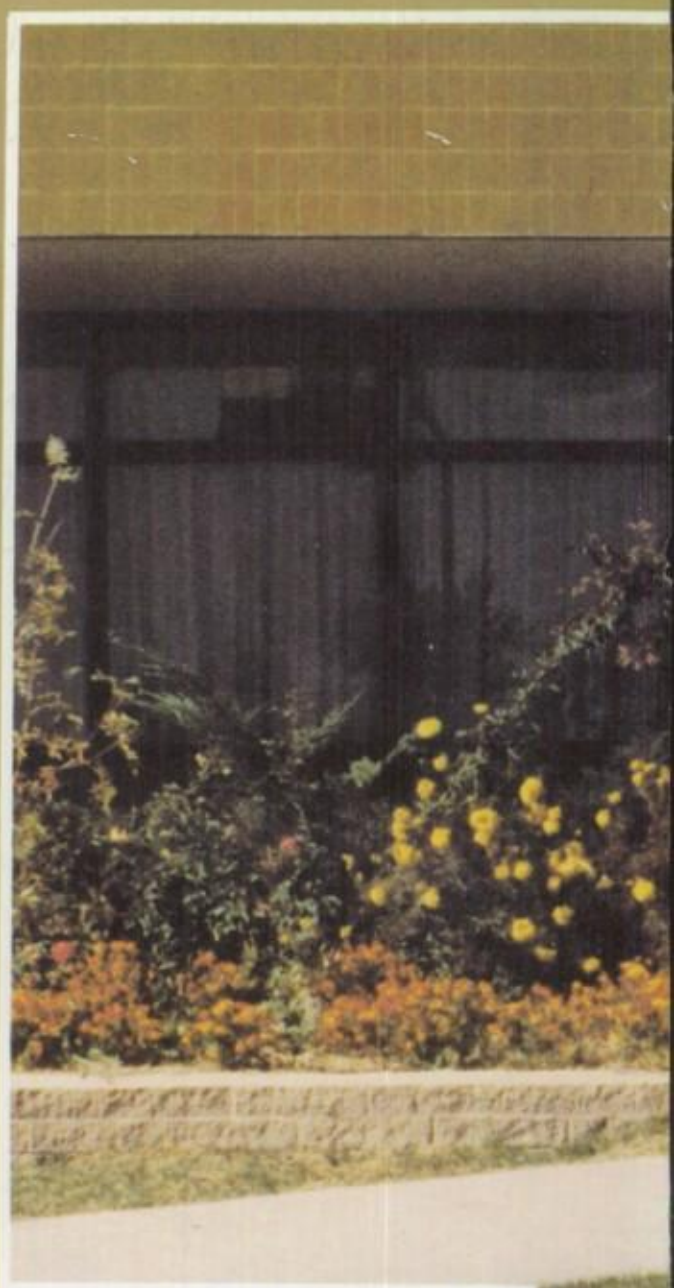
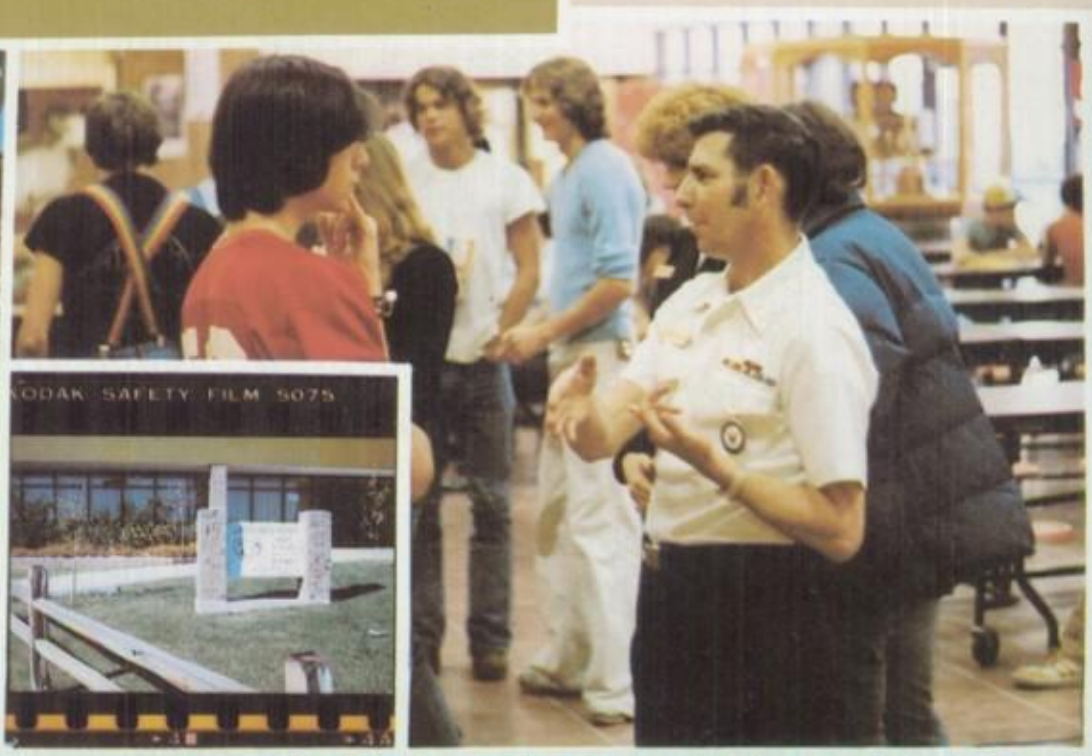
It was fun
in Troops class. I
don't think I've ever
had a class I've enjoyed more.
I felt like everyone-this was such a
good friends and that's how I feel about
you. You're a beautiful person - I'm sure
you know-that Have a great graduation + summer
+ keep in touch — 986-5410 Love ya always
Sally Boy 6 '81

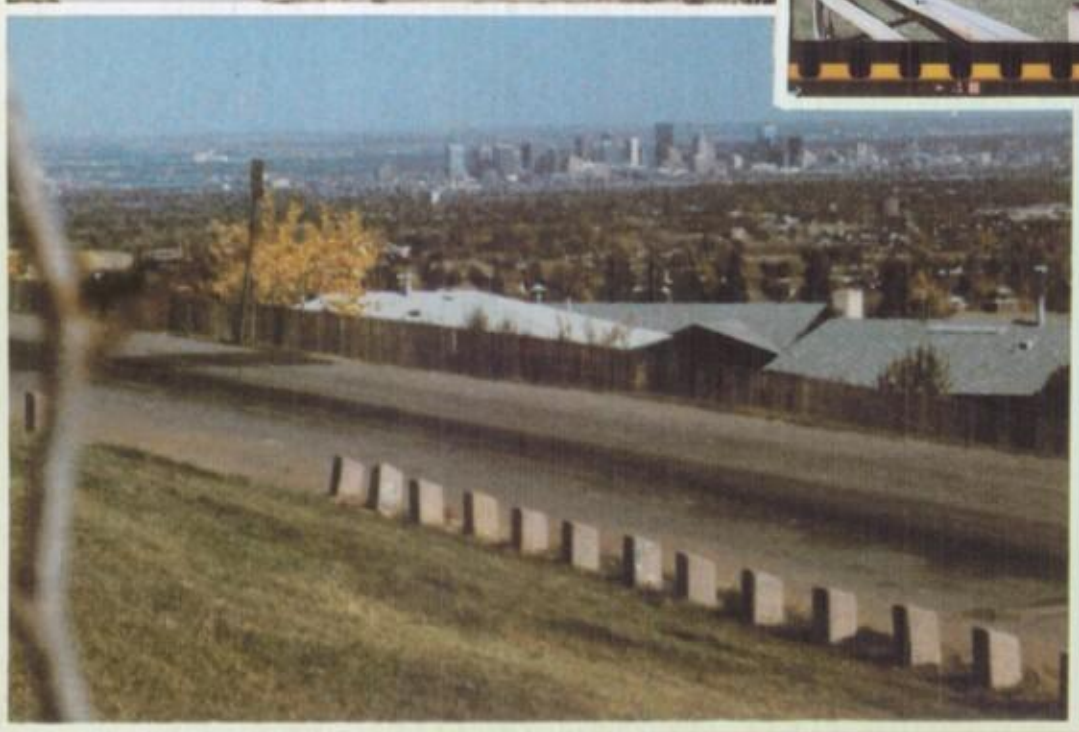
PLAY IT AGAIN RAMS!

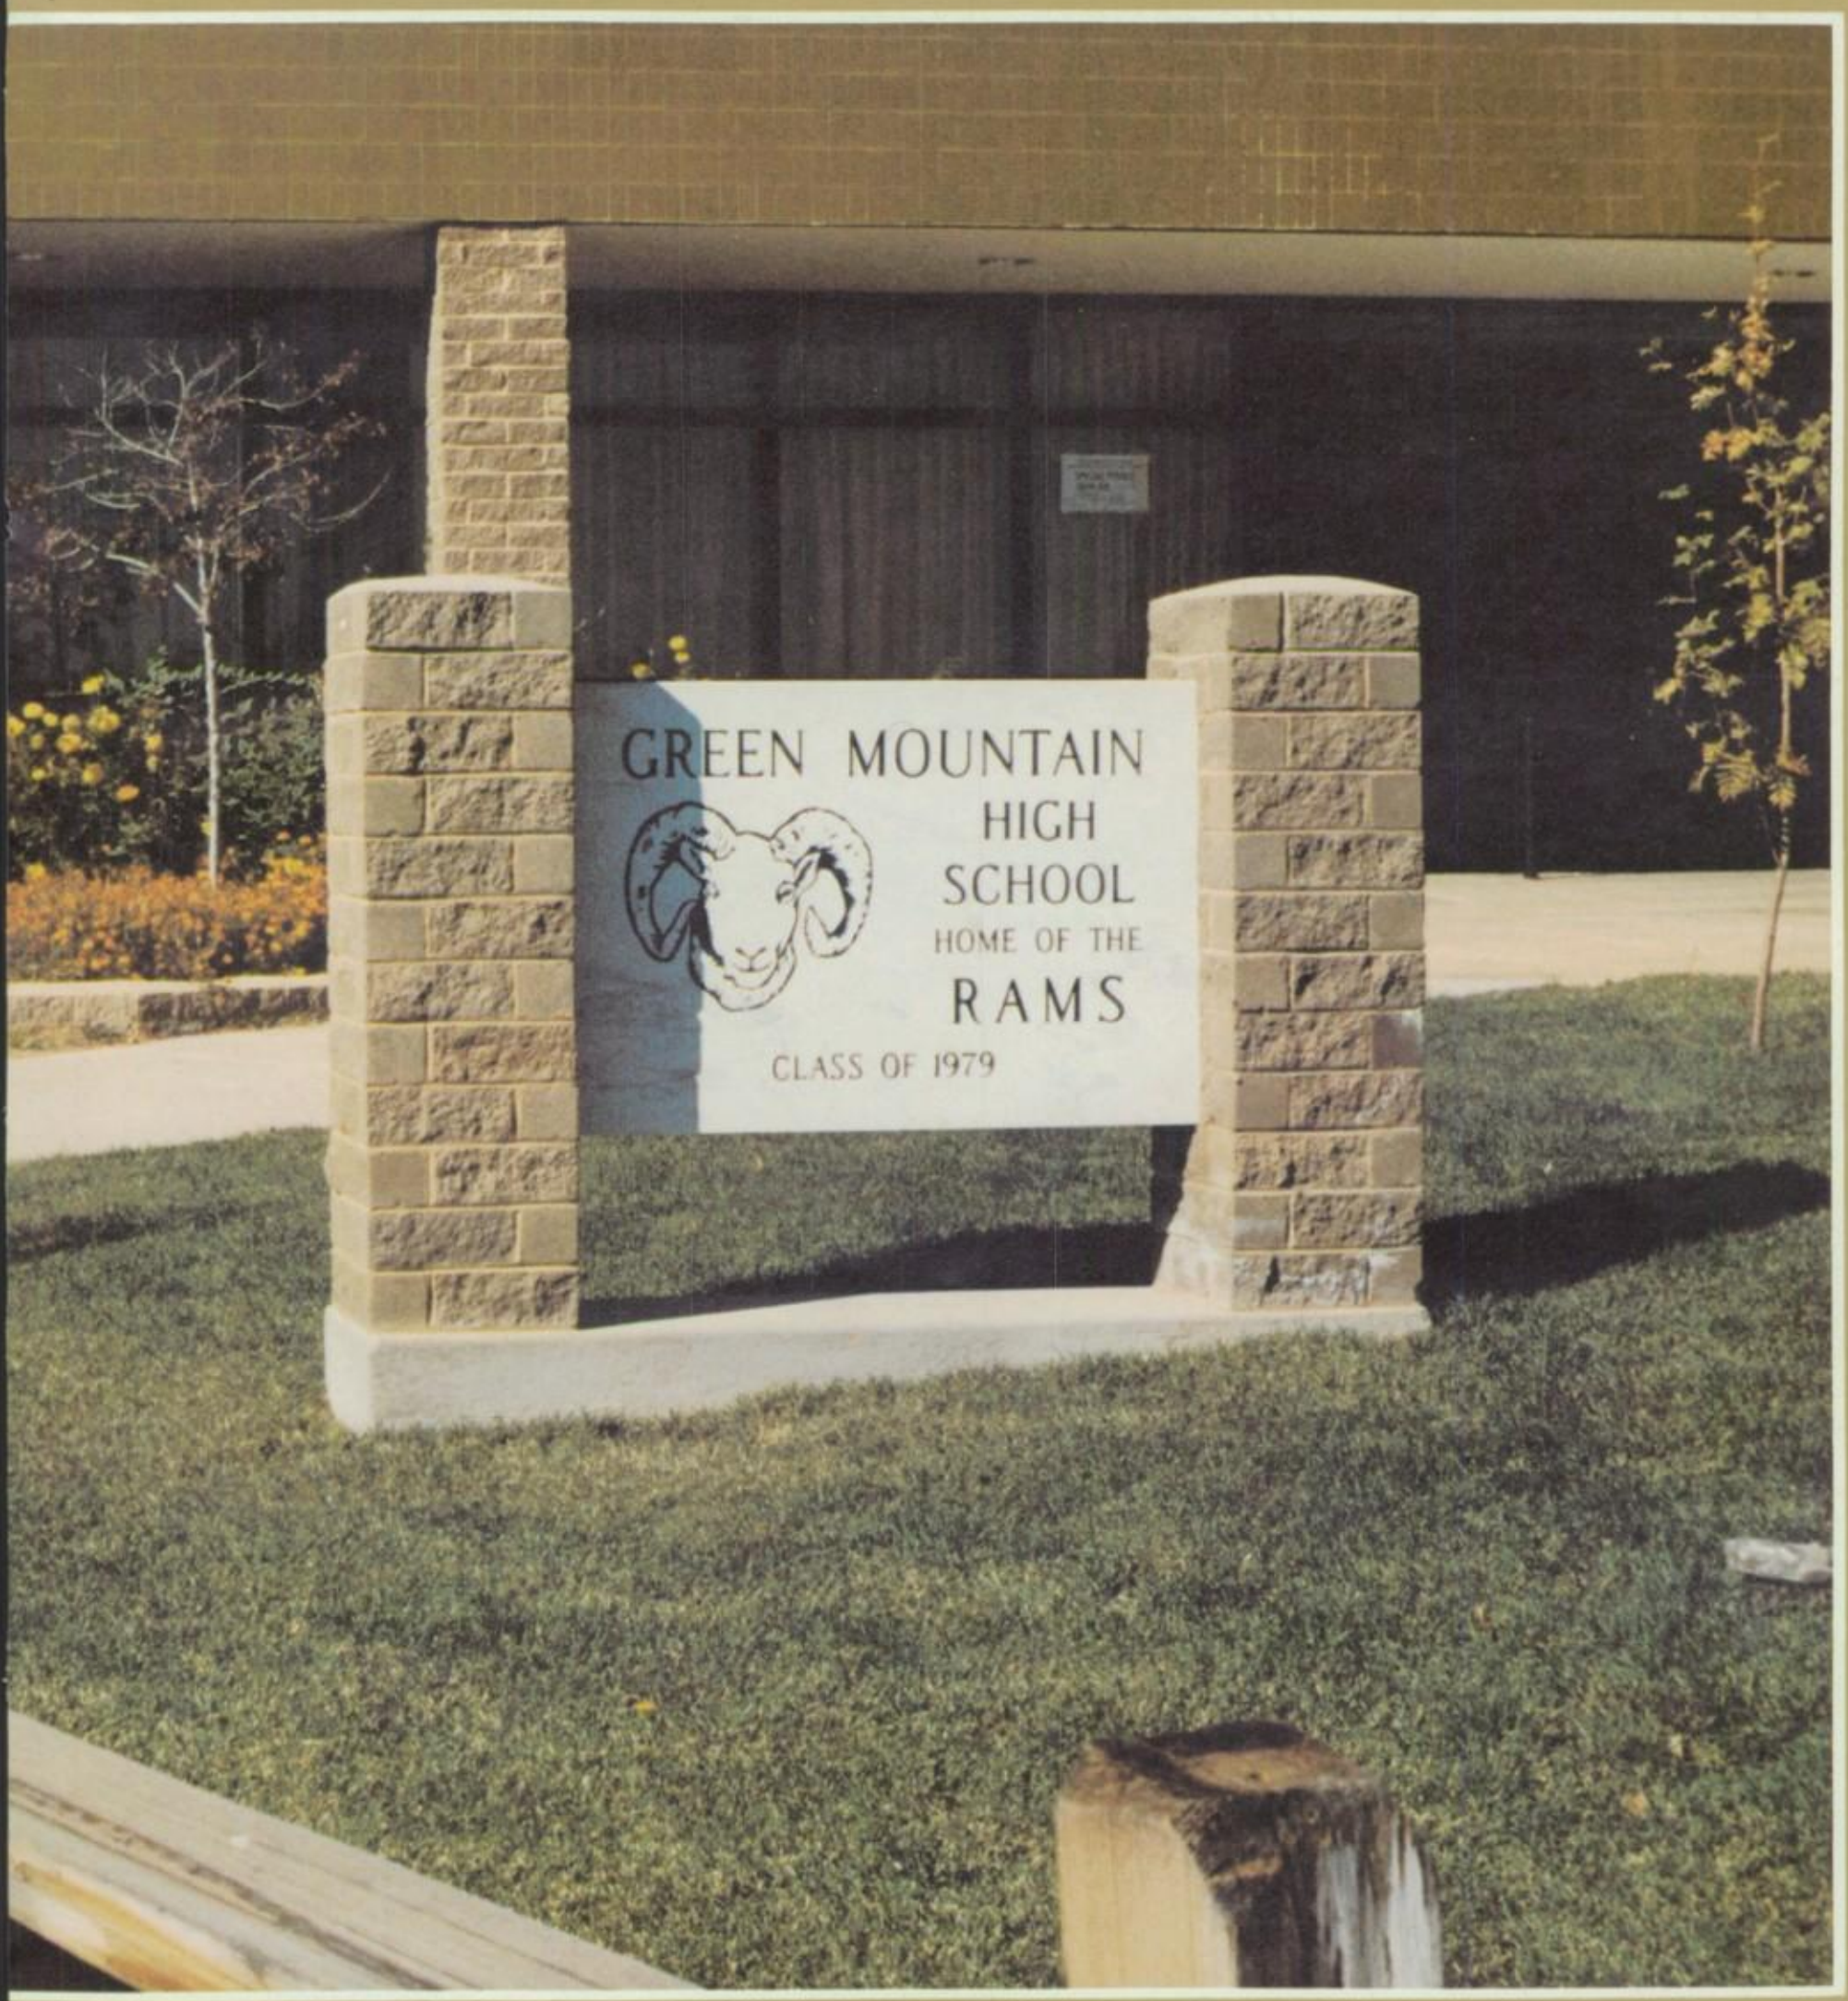
Greg,
the south will always
live in the gutter!
So much for that,
its been a real thrill
to you and I will probably
have to see you later (Seriously I wouldn't
mind seeing you again) so long
Christy

. . . ONE MORE TIME!









GREEN MOUNTAIN
HIGH

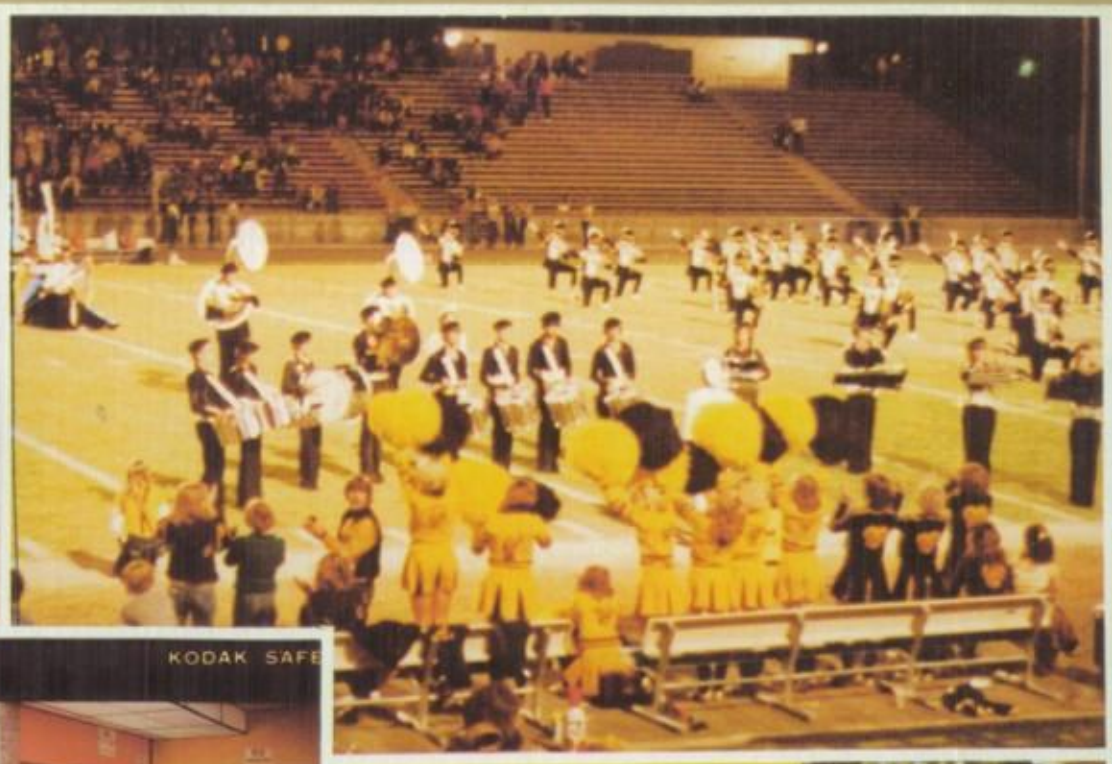
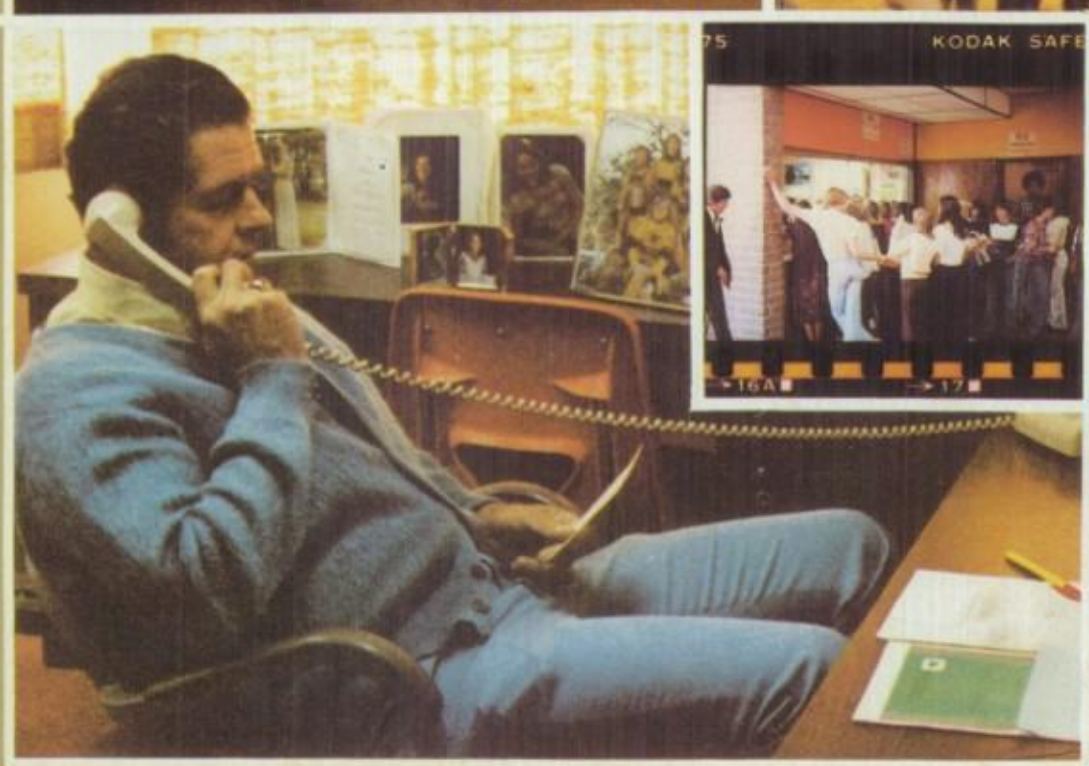
RAMS
CLASS OF 1979





(cont from front front)
off, yes, Sex
things would
be better. . . .
Thanks for being a pal
on the phone
when I needed
it the most.
and all your "expert" advice
was used, and
greatly needed.
Good luck
in life, and don't
forget O.M.H.S, Casa Bonita OR.
your little "buckaroo,"
"CABBAGE" Nancy Kohls "81"

JUST FOR THE

FUN OF IT!

AUTOGRAPHS

GREG,
IT WAS NICE TO GET TO KNOW YOU. CONGRADULATIONS ON GRADUATING. I WISH I WAS. HOPE WE ALL CAN GET TOGETHER SOMETIME THIS SUMMER AND GO SKATING. HOPE YOU HAVE A NICE SUMMER.
YOURS TRUELY,
CRISCO

I bestow upon this book my great and wonderful signature. You k-n not conceited. k-n the first the allegorique Kid alan ayckbourn

Greg -
Doesn't it seem strange to think that it was just 4 yrs. ago that we went on that picnic - in fact it was senior awards night that we met. How strange - and now we are both about to embark upon our voyage into life - as graduated Seniors. I wish you the best of luck - you are a very beautiful person inside - your friendli is evidence of that. May you have the best of luck always. And God Bless you!
Love, Sharon Wiest, 1980

Greg,
I am truly honored that we have become such good friends. I do wish the world was full of people like you, it would surely make it a much happier place to be. We never have had the chance to go to lunch yet but hopefully just because we're graduating doesn't mean that we have to stop seeing each other because I would like to keep in touch. Please call 989-1328. Thanks for being you and helping me so very much through all of my moods. You are very special to me and I love you as a true friend and will always cherish our friendship.

Take Care
God Bless You
Love Ya,
Laurie
Class of '80

Greg,
Just seeing how you've decided that I don't like your picture after all. Oh, well. Last summer you didn't call me or talk to me or anything so let me know what's going on with this year. I've decided not to make this "mushy" because I realize how you feel about me, & you probably be annoyed! Good luck with anything you decide to be a senior for a while there!
Sure to let me hear from you.
Love,
Vicky '80

Greg,
I'm so glad that I have a senior class. I'm never ready for one of these days before. I'll read in the paper & I have fingers and wish you are the best of luck in life
Tony
Commodore
'82
Denman II

Greg,
Perish

Greg -
Here's to a really NICE guy. Dm so glad we met! D hope all goes well in your future you deserve the very best. Good luck in all you do!
Love ya,
Sandy '85
Grant
Come back & visit!

Greg,
Best of luck in all you do!
I wish you all the best in your future endeavor!
Look with confidence & hope you get out of life what you deserve!
Yours,
Pam Phillips '82

Greg,
It's been a fun summer! Hope you have a good year, hope you have a lot of fun & good luck in the real world!
Yeagle '82
Greg,
Really glad I got to know you this year! You're really... one of a kind! Wael that BIG mood ring! We've had a lot of fun & memories together! Keep in touch & visit sometime!
Love ya,
Sandy '85
Greg,
Have a great summer & a super senior year!
Love,
Kelly '85

Greg;
Good luck in all you do.
Stay in touch!
Love,
Sandy '85

Greg;

Greg Phillips

Greg,
I didn't see you a whole lot this year but we became real good friends. Thanks for being a real great person. Stay sweet,
Vicki Merrick
'82 (greatest!)

Greg
I really have enjoyed knowing you. you taught me to realize that we should be ourselves no matter what others think.
John Peterson

Greg,
We didn't get too well aquainted but from what we did, you seem like a cool guy. take it easy over the summer, and don't hustle too many women at college.
Frank
PRINCE

Greg,
What a year it has been. I am glad that I met you. Have a nice summer, sweetie! I am glad I met you, you really are a nice person, and I thought you were mean! Ha! Ha! That was so funny. Well, I hope your love with Vicki turns out. Have a good time in college if you go. Call me. 984-4960.
"82" Love ya always,
Pam Waggeene
P.S.
Your such a cutie,
and have really nice
lips!!!!

As you "ramble" on thru life,
whatever be your goal
Keep your eye upon the donut
and not upon the hole!
Much luck,
Mrs. Cantine

By I don't know you
yet you look like a cool
guy I've known you 2 days.
See ya next year
Steve Ritter (988-5762)
July 13, 1984

Greg,
I was sorry I didn't get to know you
more. I hope you
have a good
summer.
Good Luck,
Diane
